Cousland Smiddy Trust

Report of the Trustees For the Year Ended 31 March 2010

The trustees are pleased to present their report together with financial statements for the year ended 31 March 2010.

Structure, Governance and Management

Cousland Smiddy Trust is incorporated as a company limited by guarantee, with the liability of members limited to £1 each. The company is registered as a Scottish charity.

The trustees, who are also directors of the company, are listed on page 2.

One third of the trustees retire by rotation at each AGM and are eligible for re-appointment.

Review of Activities

Cousland Smiddy is a heritage asset, comprising an early 18th century smiddy, a Victorian cottage (providing an office for the Smiddy Trust, exhibition and community meeting facilities) and other partially conserved associated buildings. There are also 13 organic allotments and some amenity ground.

The smiddy site is open to the public on a regular basis, on specified days and by appointment, between May and September (details are shown on the website, see page 2 above).

Regular special events are held, including Midlothian doors open day which regularly attracts over 200 visitors, and the village Christmas Carol Singing. Additionally, in 2010, the organic allotments featured in Scotland's Gardens Scheme, attracting over 130 visitors.

The Phase 3 project to create additional exhibition and storage space for both the Smiddy Trust and the Cousland Local History Project in the partially conserved buildings is not yet underway. It is hoped that this may commence in the next financial year.

Financial Review

The income and expenditure for the year is set out in the statement of financial activities on page 7. Total income from fund-raising, rent and bank interest in the year amounted to £1,620. Total expenditure amounted to £973, resulting in net income of £647 for the year (previous year – loss of £1,834). Funds carried forward include £2,016 in the general fund, which represents the free reserves of the charity available for future expenditure. The annual costs are lower this year due to a refund of £613 received for water rates, covering a 5 year period. A better deal has also been obtained for insurance, there was a lower cost for property maintenance and the estimated stock of heating oil, unused at the year-end, has been taken into account. Costs are likely to increase again next year and more funds will need to be generated through fund-raising activities and donations in order to maintain operations.

Development and other grants have been received in previous years on condition that the smiddy is kept open to the public for a minimum of 25 days each year including 10 weekends between May and September.

The heritage assets, comprising the Cousland Smiddy buildings and contents of historic value, have been included in the balance sheet at a cost of £124,150, being the original purchase price plus development costs to date. Due to the unique nature of the assets, it is difficult to establish an accurate market value and it is considered reasonable to use cost. Depreciation has not been charged as the assets are considered to have an indefinite useful life and a residual value in excess of the cost.

**Report of the Independent Examiner
To the Trustees of the Cousland Smiddy Trust**

I report on the accounts of Cousland Smiddy Trust for the year ended 31 March 2010, which are set out on pages 6 to 11.

Respective responsibilities of trustees and examiner

The trustees of the charity (directors of the company) are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 (the 2005 Act) and the Charities Accounts (Scotland) Regulations 2006. They consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

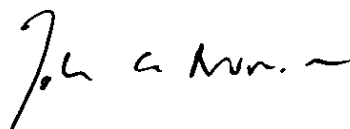

In the course of my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
- to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations

have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Accounting Policies

Basis of Accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Companies Act 2006, the Financial Reporting Standard for Smaller Entities (effective April 2008) and the Statement of Recommended Practice *Accounting and Reporting by Charities*, issued in March 2005.

Incoming resources

Grants and donations are recognised when receivable unless there are imposed pre-conditions on use of the funds or the income is for a future accounting period. Income from fund-raising is recognised when received. Rental income is recognised in the period when it is due.

Resources expended

Resources expended are included on an accruals basis.

Governance costs are those associated with the management of the charity and compliance with statutory requirements, including preparation and independent examination of the annual accounts.

Tangible Fixed Assets and Depreciation

Heritage assets, comprising the Cousland Smiddy buildings and contents of historic value, are stated at cost, being the original purchase price plus development costs to date.

These heritage assets have not been depreciated as they are considered to have an indefinite useful life and a residual value in excess of the cost.

Other tangible fixed assets are stated at cost less depreciation. Depreciation is charged by the straight line method over the estimated useful life of each asset at the following rate:

Office Equipment	33.3% per annum
------------------	-----------------

Stock

Stock comprises an estimate of heating oil unused at the year-end, at cost.

Taxation

The company is a registered charity and is exempt from corporation tax on its charitable activity. It is not registered for VAT and expenditure includes VAT where relevant.

Fund Accounting

Unrestricted funds can be used in accordance with any of the charitable objects at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes. The restricted capital fund in note 6 represents the purchase price and development costs of the smiddy, which were largely funded by restricted grants.

For the year ended 31 March 2010 the company was entitled to exemption from an audit under section 477 of the Companies Act 2006 ("the Act") relating to small companies.

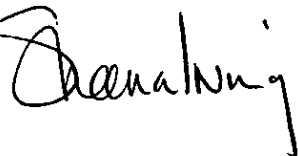

The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476 of the Act.

The trustees acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).
