FOR THE YEAR ENDED 31 DECEMBER 2013

CHAIRMAN'S STATEMENT

2013 remained a period of relative inactivity whilst the original donor charity: *Portuguese Dispensario De Saude As Animais*, Charity Reg No : 0295783, continued to provide grants to Portuguese based animal welfare groups, 2013 therefore reflects a limited period of activity whilst still preparing to absorb all funding and charitable responsibility during 2014 from the unincorporated registered charity.

Structure

The underlying Trust was established by a charitable trust deed on 1 February 1983.

- The Charitable Company is managed by the above board of directors who review the activities and performance of the company together with their advisors as necessary.
- Appointment of directors is governed by the Articles of Association.

Governance (Objectives and activities)

The Trust's objects are:

- rescue, medical treatment, rehabilitation and, wherever possible, the release of sick and injured dogs, cats, wild birds and all other animals in need of care and attention
- Education of the public in methods of treatment, nursing and conservation.

Our Initial policies adopted in furtherance of these objects remain in compliance with the Trust Deed, during 2012 with intent that they be reviewed within next AGM.

we seek to apply streamlined Admin policies to minimise cost and maximise our potential to act in the capacity of a centralised fund-raising and grant-making facility to the many groups, organisations and registered Associations within Portugal that continue to undertake such necessary and important work.

The Directors/Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities.

Risk management

The Directors have assessed major risks to which the charitable Company is exposed, in particular those related to the operations and finances of the Trust and are satisfied that controls are in place to mitigate their exposure to major risks.

Current Focus, Objectives and Activities

The Trust's work is applied within the remit of it's articles of association.

Investment policy and performance

The Articles of Association authorise the directors to make and hold investments using the funds of the charity. There are no restrictions on the Directors power to invest, however during 2013, no such investments or formal Reserves have been undertaken. The trustees have power to hold funds on deposit as necessary, as at end-2013 all unspent funds are currently retained within NatWest bank accounts (Current and Treasury).

The trustees objectives are to seek long-term capital growth from capital not yet committed for future projects, whilst acting prudently and after taking professional advice to achieve maximum income on cash funds.

Reserves policy

Unrestricted funds currently available are sufficient to permit the Trust to continue in operation for the foreseeable future. All unrestricted funds of the Trust are held for its general purposes.

At intervals the trustee's will continue to review our longer-term policy for Reserves, taking into account a sensible balance between initial and ongoing support commitments, plus medium term objectives for capital commitments to encourage and match local and municipal funding commitments. Such infrastructure development being much overdue in many parts of the Algarve, with substantial longer term welfare benefits to the local animal population.

Initially maintaining a high level of unrestricted funds will not only provide for a sound capital base but also ensures that the Trust has capital funds available for future support and capability to "locally influence" the achievement of above longer-term objectives. Such objectives may include land purchase/development to provide desperately sought animal sanctuaries, which remains beyond the fund-raising capability of many local groups.

As such funds are committed and utilised, we will concurrently seek development of other revenue streams such as income from bequests, other cash donations and interest income.

**DIRECTORS' ANNUAL REPORT
FOR THE YEAR ENDED 31ST DECEMBER 2013**

Statement of Director's Responsibilities:

The Charities Act and the Companies Act require the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to :-

- a) select suitable accounting policies and then apply them consistently;
- b) make judgements and estimates that are reasonable and prudent;
- c) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business;
- d) state whether applicable accounting standards and statements of recommended practice have been followed subject to any material departures disclosed and explained in the financial statements.

The Directors are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors are also responsible for the contents of the Directors' report, and the responsibility of the independent examiner in relation to the Directors' report is limited to examining the report and ensuring that on the face of the report there are no inconsistencies with the figures disclosed in the financial statements.

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

I approve the attached statement of financial activities and balance sheet for the year ended 31st December 2013, and confirm that I have made available all information necessary for its preparation.

INDEPENDENT EXAMINER'S REPORT ON THE ACCOUNTS

Report to the trustees/ members of Dispensario Portugues De Saude A Animals on the accounts for the year ended 31st December 2013 set out on pages 7 to 13.

Respective responsibilities of trustees and examiner

The Charity's trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the financial statements. The trustees are satisfied that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the governing document or constitution of the Charity for the conducting of an audit. As a consequence, the trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the charity is not subject to audit, and is eligible for independent examination, it is my responsibility to:-

- a) examine the accounts under section 145 of the Act;
- b) to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the Act; and;
- c) to state whether particular matters have come to my attention.

Basis of independent examiner's statement

I conducted my examination in accordance with the General Directions given by the Charity Commissioners for England & Wales in relation to the conducting of an independent examination, referred to above. An independent examination includes a review of the accounting records kept by the Charity and of the accounting systems employed by the Charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as trustees concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of the Charities legislation and that the financial statements comply with the SORP, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the trustees in the course of the examination is not subjected to audit tests or enquiries, and consequently I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity, and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objectives of the independent examination are achieved and before finalising the report I obtain written assurances from the trustees of all material matters.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in, any material respect, the trustees requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of recommended Practice: Accounting and Reporting by Charities.

have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The directors acknowledge their responsibility for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of accounts.

The accounts have been prepared in accordance with the provisions in Part 15 of the Companies Act 2006 applicable to companies subject to the small companies regime and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The directors have also examined other operational and business risks which they face and confirm that they have established systems to mitigate the significant risks.

13. RESERVES POLICY

The directors have considered the level of reserves they wish to retain, appropriate to the charity's needs. This is based on the charity's size and the level of financial commitments held. The directors aim to ensure the charity will be able to continue to fulfil its charitable objectives even if there is a temporary shortfall in income or unexpected expenditure. The directors will endeavour not to set aside funds unnecessarily.

14. PUBLIC BENEFIT

The charity acknowledges its requirement to demonstrate clearly that it must have charitable purposes or 'aims' that are for the public benefit. Details of how the charity has achieved this are provided in the Directors' report. The Directors confirm that they have paid due regard to the Charity Commission guidance on public benefit before deciding what activities the charity should undertake.
