### **Director's report**

The director presents the annual report and audited financial statements for the year ended 30th April 2012

### **Principal Activities**

The principal activity of the company for the year under review was that of the repair and maintenance of mobile phones

### Director and director's interests

The director who held office during the year was TJ Williams

The director's interests in shares in group companies are disclosed in the accounts of the ultimate parent company, Cellhire Group Limited

### Director's responsibilities statement

The director is responsible for preparing the Director's Report and the financial statements in accordance with applicable law and regulations

Company law requires the director to prepare financial statements for each financial year. Under that law the director has elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the director must not approve the financial statements unless he is satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the director is required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The director is responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable him to ensure that the financial statements comply with the Companies Act 2006. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Statement as to disclosure of information to auditors

So far as the director is aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and the director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information

### Independent auditors report to the members of Fonefix Limited

We have audited the financial statements of Fonefix Limited for the year ended 30<sup>th</sup> April 2012 on pages 6 to 12. The financial reporting framework that has been applied in their preparation is applicable law and the Financial Reporting Standards for Smaller Entities (effective April 2008) (United Kingdom Generally Accepted Accounting Practices applicable to Smaller Entities)

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

### Respective responsibilities of directors and auditors

As explained more fully in the Director's responsibilities statement set out on page two, the director is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

### Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the director, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

### **Opinion on financial statements**

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 30th April 2012 and of its loss for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to smaller entities, and
- have been prepared in accordance with the requirements of the Companies Act 2006

### Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Director's report for the financial year for which the financial statements are prepared is consistent with the financial statements

## Independent auditors report to the members of Fonefix Limited

### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of director's remuneration specified by law are not made, or
- we have not received all of the information and explanations we require for our audit, or
- the director was not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption in preparing the director's report

### **Notes**

(forming part of the financial statements)

### 1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements except as noted below

### Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

The financial statements have been prepared on the going concern basis, notwithstanding a loss after tax of £8,601 and net current liabilities of £367,581, which the director believes to be appropriate given that the company's holding undertaking, Cellhire plc, has provided the company with an undertaking that for at least 12 months from the date of approval of these financial statements, it will not seek repayment of the full amounts currently made available. This should enable the company to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due for payment.

#### Turnover

Turnover represents the amounts invoiced, excluding value added tax or local sales taxes, in respect of goods and services supplied during the year

### Tangible fixed assets and depreciation

Depreciation is provided to write off the cost less the estimated residual value of tangible fixed assets by equal instalments over their estimated useful economic lives as follows

Fixtures, fittings, IT and office equipment - 20% to 33<sup>1/3</sup> per annum

### Stocks

Stocks are stated at the lower of cost and net realisable value. For work in progress and finished goods cost is taken as production cost, which indicates an appropriate proportion of attributable overheads.

### **Taxation**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date

### Operating lease accounting policy

Rentals payable under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease

### Pension Costs

The company operates a defined contribution scheme for the benefit of its employees 
The costs of contributions are written off against profits in the year they are payable
