## Notes to the abbreviated accounts for the year ended 31 July 2006

### 1 Accounting policies

#### a) Basis of accounting

The financial statements are prepared on the historical cost basis of accounting and have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002)

The company has taken advantage of the exemption, conferred by Financial Reporting Standard 1, from presenting a cash flow statement as it qualifies as a small company

#### b) Turnover

Turnover represents net invoiced sales of goods and services, excluding value added tax

#### c) Depreciation of tangible fixed assets

Depreciation is provided on all tangible fixed assets at rates calculated to write off the full cost or valuation less estimated residual value of each asset over its estimated useful life. The principal rates in use are

#### d) Stocks

Stock and work in progress is valued at the lower of cost and estimated net realisable value

Cost of raw materials is determined on the first in first out basis. In the case of work in progress and finished goods, cost includes all direct expenditure and production overheads based on the normal level of activity. Net realisable value is the price at which the stock can be released in the normal course of business, less further costs to completion of sale

#### e) Deferred taxation

Deferred taxation is provided under the liability method in respect of all material timing differences between the profits as computed for taxation purposes and the profits as stated in the financial statements

#### f) Hire purchase and lease transactions

Assets acquired under hire purchase agreements and finance leases are capitalised in the balance sheet and are depreciated in accordance with the company's normal policy. The outstanding liabilities under such agreements less interest not yet due are included in creditors. Interest on such agreements is charged to the profit and loss account over the term of each agreement and represents a constant proportion of the balance of capital repayments outstanding

Rentals under operating leases are charged to the profit and loss account as they fall due
