In the view of the Trustees the Foundation has achieved success by developing our grant partners, and strengthing our links to local schools. Significant grants have been gained from national grant providers.

Financial Review

The level of turnover has developed in the period due to the Foundation obtaining grants, organising fund-raising events and receiving donations to fund its objectives. The turnover largely paid for the performance of projects in line with the requirements of the grants, and the objectives of the Foundation.

Statement of Directors' and Trustees' Responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company at the end of the year and of the income and expenditure for the year then ended. Under that law the directors have elected to prepare the financial statements in accordance with the United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and Applicable Law)

In preparing those financial statements, the directors are required to select suitable accounting policies as described herein and then apply them on a consistent basis, making judgements and estimates that are prudent and reasonable. The directors must also prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.
