Constitution

The Company was incorporated on 12 June 2006, it is limited by guarantee without share capital. The liability of the members is limited to £10 each. Accumulated funds are not distributable to the members.

The governing instrument under which the Company operates is its Memorandum and Articles of Association.

To maximise the potential of the people of the Featherstone and District area through their engagement in sporting and educational activities.

To improve and enhance access to local facilities that can deliver the above objective.

Through the provision of meaningful and enjoyable activities, increase the overall number of children in the Featherstone and District area participating in sporting and educational activities.

Organisation

The Company is governed by Trustees which act as a Board of Directors.

The Board will from time to time appoint employees to the organisation, who it is hoped will form a senior management team. Review of Activities

Although registered in 2006, the Foundation has been in discussions with Featherstone Rovers RLFC, Featherstone Improvers Centre and Study Rovers to determine the best way forward and maximise the impact of the Foundation's work. That work started in earnest in 2008 after collective consent was attained on the roles of each organisation.

Financial Review

The increased turnover in the year is due to the Foundation obtaining grants, organising fund-raising events, and receiving donations to fund its objectives. The turnover largely paid for a full time employee, who developed links with local schools, and set in motion the objectives of the Foundation.

Reserves Policy

The Trustees will aim to have a reserves policy of seeking to accrue reserves to six months turnover. This actual figure will be difficult to determine initially until the appropriate staffing levels have been decided for optimum service delivery.

Statement of Directors' and Trustees' Responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company at the end of the year and of the income and expenditure for the year then ended. Under that law the directors have elected to prepare the financial statements in accordance with the United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and Applicable Law).

In preparing those financial statements, the directors are required to select suitable accounting policies as described herein and then apply them on a consistent basis, making judgements and estimates that are prudent and reasonable. The directors must also prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.
