FRANKLIN FUELING SYSTEMS LIMITED

STRATEGIC REPORT FOR THE YEAR ENDED 31 DECEMBER 2014

PRINCIPAL ACTIVITIES

The principal activities of the company comprise support in sale of UPP polyethylene pipework and associated fittings and equipment for use in petrol filling stations and other fuel distribution centres together with the manufacture and sale of underground storage tanks and other vessels for use in the oil, chemical and process plant industries.

BUSINESS REVIEW

During the trading period like for like sales in the year to 31 December 2014 were 8.9% higher than the previous year due to slightly higher recoveries processed through intercompany transactions. Gross margin was also slightly up on the previous year for the same reasons. Overheads increased primarily due to exchange rate movements during the year and an increase in depreciation following continued investments during the year.

The company remains cash positive with no gearing, in line with 2013. The underlying business remained cash generative after allowing for the continued investment in tooling during the year but before the impact of the dividend payments.

The company enters the new year focused on the development of new technologies and products to meet customer needs whilst still providing the underlying administration and sales support required by group.

PRINCIPAL RISKS AND UNCERTAINTIES

Competitive pressure globally remains a continuing risk for the company, which could result in it losing sales to important customers. The company manages this risk by responding to customer requirements on a timely basis and through relationships with key customers to develop an operational environment and product range to suit their needs. At all times the company focuses on maintaining strong customer relationships.

Franklin Fueling carries out financial transactions in three major currencies; US dollars, Euros and Sterling. To the extent that a surplus or deficit in any particular currency arises, a combination of forward and spot transactions will be used to manage the exposure.

ENVIRONMENTAL MATTERS

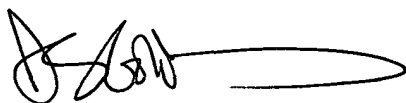

Franklin Fueling Systems Limited recognises the importance of its environmental responsibilities and therefore designs and implements policies to reduce any damage that might be caused by the company's activities.

EMPLOYEES

Details of the number of employees and related costs can be found in note 4 to the financial statements.

This report was approved by the board and signed on its behalf.

DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2014

The directors present their report and the financial statements for the year ended 31 December 2014.

DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the Strategic report, the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

RESULTS AND DIVIDENDS

The profit for the year, after taxation, amounted to £381,426 (2013 - £723,057).

Dividends totalling £718,235 were paid during the year of 2014 (2013 - £1,538,462).

DIRECTORS

The directors who served during the year were:

Mr J Haines
Mr D Kenney
Mr A Golding
Mr A Ticci
Mr G Sengstack
Miss A Hughes

FINANCIAL INSTRUMENTS

The company's use of financial instruments and credit risk are disclosed in note 22 to the financial statements.

FRANKLIN FUELING SYSTEMS LIMITED

**DIRECTORS' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2014**

DISCLOSURE OF INFORMATION TO AUDITORS

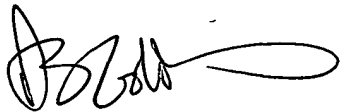

Each of the persons who are directors at the time when this Directors' report is approved has confirmed that:

- so far as that director is aware, there is no relevant audit information of which the company's auditors are unaware, and
- that director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the company's auditors are aware of that information.

AUDITORS

The auditors, Larking Gowen Limited, will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

This report was approved by the board and signed on its behalf.

INDEPENDENT AUDITORS' REPORT TO FRANKLIN FUELING SYSTEMS LIMITED UNDER SECTION 449 OF THE COMPANIES ACT 2006

We have examined the abbreviated accounts, which comprise the abbreviated Profit and loss account, the Balance sheet, the Cash flow statement and the related notes, together with the financial statements of Franklin Fueling Systems Limited for the year ended 31 December 2014 prepared under section 396 of the Companies Act 2006.

This report is made solely to the company in accordance with section 449 of the Companies Act 2006. Our work has been undertaken so that we might state to the company those matters we are required to state to it in a special Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company, for our work, for this report, or for the opinions we have formed.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

The directors are responsible for preparing the abbreviated accounts in accordance with section 445 of the Companies Act 2006. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts to the Registrar of Companies and whether the abbreviated accounts have been properly prepared in accordance with the regulations made under that section and to report our opinion to you.

We conducted our work in accordance with Bulletin 2008/4 issued by the Auditing Practices Board. In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts are properly prepared.

OPINION ON FINANCIAL STATEMENTS

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with section 445(3) of the Companies Act 2006, and the abbreviated accounts which comprise the abbreviated Profit and loss account, the Balance sheet, the Cash flow statement and the related notes have been properly prepared in accordance with the regulations made under that section.

FRANKLIN FUELING SYSTEMS LIMITED

NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2014

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with applicable accounting standards.

Group financial statements have not been prepared as the company is exempt from the requirement to do so by Section 401 of the Companies Act 2006 as it is a subsidiary undertaking of Franklin Electric Co. Inc, a company incorporated in the US, and is included in the consolidated financial statements of that company.

1.2 Going concern

The Company's business activities, together with the factors likely to affect its future development, performance and position are set out in the Strategic Report. The directors' report describes the financial position of the company; its cash flows, liquidity position and borrowing facilities; the Company's objectives, policies and processes for managing its capital; its financial risk management objectives; details of its financial instruments and hedging activities; and its exposure to credit risk and liquidity risk.

The company has an agreement with another group company to recharge its cost base at a mark up. The company is therefore cash generative as a result of this agreement. Accordingly the directors do not foresee that additional group borrowing will be necessary for the foreseeable future.

After making enquiries, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and accounts.

1.3 Turnover

Turnover is stated net of VAT and trade discounts. Turnover from the sale of goods is recognised when the goods are physically delivered to the customer. Turnover from the supply of services represents the value of services provided under contracts to the extent that there is a right to consideration and is recorded at the value of the consideration due. Where a contract has only been partially completed at the balance sheet date turnover represents the value of the service provided to date based on a proportion of the total contract value. Where payments are received from customers in advance of services provided, the amounts are recorded as Deferred Income and included as part of Creditors due within one year.

1.4 Intangible fixed assets - patents and trademarks

During the period the company applied the Franklin group policy of not capitalising patent and trademark costs.

FRANKLIN FUELING SYSTEMS LIMITED

NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2014

1. ACCOUNTING POLICIES (continued)

1.5 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is not charged on freehold land. Depreciation on other tangible fixed assets is provided at rates calculated to write off the cost of those assets, less their estimated residual value, over their expected useful lives on the following bases:

Freehold property	-	2% per annum
Equipment	-	5% to 33%
Motor vehicles	-	20%
Fixtures & fittings	-	7% to 33% per annum

Residual value is calculated on prices prevailing at the date of acquisition.

1.6 Investments

Investments held as fixed assets are shown at cost less provision for impairment.

1.7 Operating leases

Rentals under operating leases are charged to the Profit and loss account on a straight line basis over the lease term.

1.8 Deferred taxation

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation.

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse.

Deferred tax assets and liabilities are not discounted.

FRANKLIN FUELING SYSTEMS LIMITED

NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2014

1. ACCOUNTING POLICIES (continued)

1.9 Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at rates of exchange ruling at the balance sheet date.

Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction.

Exchange gains and losses are recognised in the Profit and loss account.

The results of overseas operations are translated at the average rates of exchange during the period and their balance sheets at the rates ruling at the balance sheet date. Exchange differences arising on translation of the opening net assets, results of overseas operations and on foreign currency borrowings, to the extent that they hedge the Group's investment in such operations, are reported in the statement of total recognised gains and losses. All other exchange differences are included in the profit and loss account. The Company uses a combination of forward and spot transactions to manage its exposure to fluctuations in exchange differences.

1.10 Research and development

Development costs are capitalised within intangible assets where they can be identified with a specific product or project anticipated to produce future benefits, and are amortised on the straight line basis over the anticipated life of the benefits arising from the completed product or project.

Deferred research and development costs are reviewed annually, and where future benefits are deemed to have ceased or to be in doubt, the balance of any related research and development is written off to the Profit and loss account.

1.11 Pensions

The Company provides pensions to its employees through a funded defined contribution pension scheme. The assets of the scheme are held independently of the company by insurance companies. The amount charged to the profit and loss account in respect of pension costs and other post-retirement benefits is the contributions payable in the year. Differences between contributions payable in the year and contributions actually paid are shown as either accruals or prepayments in the balance sheet.

2. OPERATING PROFIT

The operating profit is stated after charging/(crediting):

	2014 £	2013 £
Depreciation of tangible fixed assets:		
- owned by the company	326,722	260,742
Auditors' remuneration	4,000	4,000
