Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice)

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2012

1 ACCOUNTING POLICIES

BASIS OF PREPARATION

The financial statements have been prepared on a going concern basis under the historical cost convention and in accordance with the Companies Act 2006 and applicable UK accounting standards (United Kingdom Generally Accepted Accounting Practice)

The company is exempt by virtue of Section 400 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the company as an individual undertaking and not about its group.

Under Financial Reporting Standard (FRS) 1 the company is exempt from the requirement to prepare a cash flow statement on the grounds that a parent undertaking includes the company in its own published consolidated financial statements.

As 100% of the company's voting rights are controlled within the group headed by G4S plc, the company has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with entities which are wholly owned members of the group. The consolidated financial statements of G4S plc, within which this company is included, can be obtained from the address given in note 10.

INVESTMENTS

Long term investments in subsidiary undertakings are classified as fixed assets and stated at cost. Provision is made for any permanent diminution in the value of fixed asset investments.

TAXATION

Current tax is provided at amounts expected to be paid or recovered using tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is recognised in respect of all material timing differences that have originated, but not reversed, by the balance sheet date. Deferred tax is measured on a non-discounted basis using tax rates that are expected to apply in the periods in which the timing differences reverse based on tax rates and laws substantively enacted by the balance sheet date.

FOREIGN CURRENCIES

The financial statements are presented in United States Dollars (\$) which is the company's functional and presentation currency.

Transactions in foreign currencies are recorded using the rate of exchange in operation at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated using the contracted rate or the rate of exchange ruling at the balance sheet date and the gains or losses on translation are included in the profit and loss account.

GOING CONCERN

The financial statements have been prepared on the going concern basis notwithstanding the company's net current liabilities which the directors believe to be appropriate for the following reasons. The company is dependent for its working capital on funds provided to it by G4S plc, the company's ultimate parent undertaking. G4S plc has provided the company with an undertaking that for at least 12 months from the date of approval of these financial statements, it will continue to make available such funds as are needed by the company and in particular will not seek repayment of the amounts currently made available.

This should enable the company to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due for payment. As with any company placing reliance on its parent undertaking for financial support, the directors acknowledge that there can be no certainty that this support will continue although at the date of approval of these financial statements, they have no reason to believe that it will not do so.

Based on this undertaking the directors believe that it remains appropriate to prepare the financial statements on a going concern basis.
