2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

These financial statements have been prepared in accordance with Financial Reporting Standard 102 Section 1A - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006.

Basis of preparation

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

Group accounts not prepared

The company is part of a small group. The company has taken advantage of the exemption provided by Section 398 of the Companies Act 2006 and has not prepared group accounts.

Disclosure of long or short period

The company has changed its financial reporting period from 31st May to 30th November. As a consequence the period covered by these financial statements is the eighteen months to 30th November 2019 and comparatives are not comparable with the current period.

Income recognition

Income is recognised when goods have been delivered to customers such that risks and rewards of ownership have transferred to them.

Foreign currency transactions and balances

Transactions denominated in foreign currencies are translated into sterling and recorded at the rate of exchange ruling at the date of the transaction. Balances at the year-end denominated in a foreign currency are translated into sterling at the rate of exchange ruling at the balance sheet date.

Deferred tax

Deferred taxation is provided on the liability method to take account of timing differences between the treatment of certain items for accounts purposes and their treatment for tax purposes. Tax deferred or accelerated is accounted for in respect of all material timing differences.

Tangible assets

Tangible fixed assets are included at cost less depreciation and impairment.

General Semi Conductor Industries Limited

Notes to the Unaudited Financial Statements for the Period from 1 June 2018 to 30 November 2019

2 Accounting policies (continued)

Depreciation

Depreciation has been computed to write off the cost of tangible fixed assets over their useful lives as follows:

Asset class	Depreciation method and rate
Computer Equipment	33.3% Straight line
Office Equipment	25% Straight line

Stocks

Stocks have been valued at the lower of cost and estimated selling price less costs to sell.

Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Profit and Loss Account over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges. Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Leases

Rentals payable under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Defined contribution pension obligation

The company operates a defined contribution scheme for the benefit of its employees. Contributions are recognised in profit and loss account when due.

Financial instruments

Basic financial instruments are recognised at amortised cost, except for investments in non-convertible preference and non-puttable ordinary shares which are measured at fair value, with changes recognised in profit or loss. Derivative financial instruments are initially recorded at cost and thereafter at fair value with changes recognised in profit or loss.

3 Staff numbers

The average number of persons employed by the company, including the director, during the period was 3 (2018 - 3).
