# NOTES TO THE ABBREVIATED ACCOUNTS for the year ended 31 May 2013

### 1. ACCOUNTING POLICIES

#### Basis of preparing the financial statements

The accounts have been prepared in accordance with applicable accounting standards. The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year.

#### Accounting convention

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

#### Preparation of consolidated financial statements

The financial statements contain information about G.E.M. Group Limited as an individual company and do not contain consolidated financial information as the parent of a group. The company has taken the option under Section 398 of the Companies Act 2006 not to prepare consolidated financial statements.

#### Turnover

Turnover comprises the value of sales (excluding value added tax, similar taxes) of services provided in the normal course of business.

#### Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Freehold land and buildings - straight line over 50 years

Plant and machinery - 20% on reducing balance

Fixtures, fittings and equipment - 20% on reducing balance

Motor vehicles - 33% on reducing balance

#### Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

#### Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.

#### Investments

Fixed asset investments are stated at cost less provision for diminution in value.
