NOTES TO THE ABBREVIATED ACCOUNTS

1. Accounting Policies

The principal accounting policies adopted in the preparation of the statements are set out below and have remained unchanged from the previous year and also have been consistently applied within the same accounts.

a) Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and the full accounts have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The effect of events relating to the year ended 31st March 2016 which occurred before the date of approval of the financial statements by the director, have been included in the statements to the extent required to show a true and fair view of the state of the affairs at 31st March 2016 and of the results for the year ended on that date.

b) Depreciation

Depreciation has been computed to write off the cost of tangible fixed assets over their expected useful lives using the following rates:

Plant & equipment	25% p.a. of net book value
Freehold property	2% p.a. on cost

c) Stocks

Stocks have been valued at the lower of cost and net realisable value.

d) Deferred taxation

Deferred taxation is provided on the liability method to take account of timing differences between the treatment of certain items for accounts purposes and their treatment for tax purposes. Tax deferred or accelerated is accounted for in respect of all material timing differences.
