**NOTES TO THE ABBREVIATED ACCOUNTS**  
**FOR THE YEAR ENDED 30 APRIL 2016**

**1. ACCOUNTING POLICIES**

**Accounting convention**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

**Turnover**

Turnover represents net invoiced sales of goods, excluding value added tax, except in respect of service contracts where turnover is recognised when the company obtains the right to consideration.

**Stocks and work in progress**

Stocks and work in progress are stated at the lower of cost and net realisable value. Cost includes all direct costs incurred in bringing the stocks to their present location and condition.

Work in progress is valued at cost, which consists of materials, direct labour plus attributable profit less any foreseeable losses and after deducting amounts charged to cost of sales. Attributable profit is that amount which is estimated to reflect fairly the profit arising on developments up to the accounting date. Foreseeable losses are those which are currently estimated to arise over the duration of existing developments after taking into account costs to be incurred in the future.

**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not there will be suitable taxable assets from which the future reversal of the underlying timing differences can be deducted.

**2. CALLED UP SHARE CAPITAL**
