PROFILE

WRc plc is a leading European research, technology and consultancy company. Our expertise lies in the fields of water, wastewater and environmental management in which we have over seventy years' experience. We seek to serve as a problem solving organisation in these and related areas.

WRc is a private, independent company with its main UK centres located at Medmenham, Buckinghamshire and Swindon, Wiltshire. There are UK regional offices in Scotland and Wales and overseas offices in Brussels, Rome and Philadelphia.

WRc is the UK National Centre for Environmental Toxicology and the lead organisation for the European Topic Centre on Inland Waters in support of the European Environment Agency.

We offer our customers a partnership approach to problem solving and we can draw on a wealth of expertise and a versatile skills base. Our customers include government agencies, international organisations and companies with business interests covering a range of industrial sectors.
