TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2011

The trustees present their report and unaudited financial statements for the year ended 31 March 2011

Objects

The charity is a company limited by guarantee. The charity's objects are to provide the necessary facilities for the daily care, recreation and education of children during out of school hours and school holidays, and to advance the education and training of the persons in the provision of such care, education and recreation facilities.

Organisation

The club is governed by its board of trustees who set the policy of the club. The policies are implemented by the voluntary management committee consisting of three honorary officers and not less than two, nor more than eight general members.

Status and administration

Grovers Kids Club is a registered charity (charity number 1100798) and a company limited by guarantee (company number 04359997). The club is governed by its Memorandum and Articles of Association incorporated 24 January 2002 as amended by special resolution of 3 July 2003.

The existing trustees have the power to appoint new or additional trustees.

The club looks to recruit trustees who have a particular skill helpful to the club and will provide potential new trustees with details of the club and a short Charity Commission brochure explaining trustees' responsibilities. If that individual goes on to become a trustee then they are provided with a full induction pack.

Financial results

The financial statements comply with current statutory requirements, the Statement of Recommended Practice "Accounting and Reporting by Charities" (the Charities SORP 2005), the Financial Reporting Standard for Smaller Entities (effective April 2008) and with the requirements of the club's governing documents.

The results for the year are set out in the Statement of Financial Activities on page 4.

Review of activities, achievements and developments

The club made a surplus for the year of £522, compared with a deficit of £2,644 in the previous year.

At the present time approximately 30 families access the clubs on a regular basis. This represents approximately 40 children whose parents are able to work knowing their children are in an affordable, safe, secure, happy environment where they are able to develop as individuals within a group situation.

We are still feeding an average of 20 children and continue with our healthy eating ethos. Breakfast numbers have increased and there are still places available at both clubs.

We continue to offer a child centred child led facility in which each individual child can choose activities appropriate to their need at any time.

We encourage children to spend as much time out of doors as possible developing their understanding of the world around them and using their imagination to develop play.

The club is advertised through all three schools and the Children's Information Service. We have pupils from other schools but this is reliant on parents being able to transport them to the club.

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2011

Following the merger between Connaught Junior School, Arun Vale Infant School and Elm Grove Infant School the clubs will, subject to Ofsted inspection and agreement, continue to offer wrap around care at the new River Beach School Site. Facilities for the first year will be very limited and we are in the process of negotiating with the County regarding the provision of food. A large proportion of our equipment is going to secure storage for the year and we will be rotating the equipment available to the children on a very regular basis so that they experience as little disruption as possible.

We will be opening during Inset days and for an extra nine weeks during school holidays reflecting the needs of working parents.

Reserves policy

Prior to our move to new premises the Committee have undertaken a more detailed budget review and prices from September 2011 reflect our new premises fees and rising cost of food etc. Holiday and Inset Day care will be monitored carefully to ensure that the number of children using this service makes it financially viable.

Public benefit

The trustees confirm that they have referred to the information contained in the Charity Commission's guidance on public benefit when reviewing the company's aims and objectives and in planning future activities.

Risk management

The trustees have introduced a formal risk management process to assess business risks and implement risk management strategies. This involves identifying the types of risks the club faces, prioritising them in terms of potential impact and likelihood of occurrence and identifying means of mitigating risks. As part of this process the trustees have reviewed the adequacy of the organisation's current internal controls.

Trustees' responsibilities

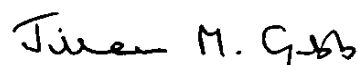

Company law requires the trustees to prepare financial statements for each financial period which give a true and fair view of the state of the charitable company's affairs and of its income and expenditure for that period. In preparing these financial statements the trustees are required to -

- Select suitable accounting policies and then apply them consistently,
- Make judgements and estimates that are reasonable and prudent,
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business

The trustees are responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The report of the trustees has been prepared taking advantage of the small companies' exemption in Section 415A of the Companies Act 2006.

This report was approved by the board on 18/08/11 and signed on its behalf by.
