**1 Statutory information**

Hinna Khan Ltd is a private company, limited by shares, registered in England and Wales, registration number 13550087. The registered office is 48 Tees Avenue, Perivale, Greenford, UB6 8JJ.

**2 Compliance with accounting standards**

The accounts have been prepared in accordance with the provisions of FRS 102 Section 1A Small Entities. There were no material departures from that standard.

**3 Accounting policies**

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year, and also have been consistently applied within the same accounts.

***Basis of preparation***

The accounts have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets.

***Presentation currency***

The accounts are presented in £ sterling.

***Turnover***

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes. Turnover from the sale of goods is recognised when goods have been delivered to customers such that risks and rewards of ownership have transferred to them. Turnover from the rendering of services is recognised by reference to the stage of completion of the contract. The stage of completion of a contract is measured by comparing the costs incurred for work performed to date to the total estimated contract costs.

***Deferred taxation***

Deferred tax arises as a result of including items of income and expenditure in taxation computations in periods different from those in which they are included in the company's accounts. Deferred tax is provided in full on timing differences which result in an obligation to pay more (or less) tax at a future date, at the average tax rates that are expected to apply when the timing differences reverse, based on current tax rates and laws.

Deferred tax assets and liabilities are not discounted.
