Unsecured Creditors

The Unsecured creditors are estimated as follows

		£
A Wollen	Expenses	1,533
HMRC – PAYE	Current	86

There is therefore an estimated deficiency to creditors of £32,973 and taking into consideration the share capital of £100, there is a total estimated deficiency of £33,073

I can advise that the figures included on the Statement of Affairs and accompanying schedules are based on the company's accounting records and those creditor's claims which were received at the time of preparation of these documents. This will not prejudice creditors' rights to claim different amounts where applicable in the liquidation.
