# Progress of the administration Summary

## Progress of the administration

### Assets

During the period, a rates refund was secured in the sum of £8,250.16.

The Statement of Affairs shows a realisable intercompany debtors amounting to £376,080. Based on initial investigations, it is unlikely that these balances will be recoverable. However, discussions are ongoing to resolve this matter.

### Statutory tasks

During the period, the following tasks which primarily relate to fulfilment of statutory and compliance obligations and other tasks of an administrative nature have been carried out:

- Statutory compliance – progress report, extension of the administration, filing documents, bonding, case reviews
- Correspondence – secured creditors, unsecured creditors, others
- Cashiering functions – account reconciliations, processing transactions

These tasks are a necessary part of the engagement but do not generate any direct financial benefit for creditors. Further work will be required in these categories during the rest of the engagement – ongoing monitoring and review, reporting to creditors, tax and VAT filings and closure work.

## Director Conduct Report

The Administrator has complied with his statutory duty to report on the conduct of the Company's directors and has submitted a confidential report to the Insolvency Service.

### Cost of the work done during the reporting period

The costs and expenses incurred during the report period are detailed below. Overall, the Administrator does not anticipate that the total costs and expenses will exceed the estimates provided in the Proposals.

- Legal Costs – I have not currently instructed any solicitors, however, should I be required to do so, information in regards to their remuneration will be provided in future reports.
- Case management system – in line with initial estimates, a sum of £185 has been incurred and paid as a disbursement to a third party provider in relation to the insolvency case management system.

All professional costs are reviewed and analysed in detail before payment is approved.

# Information for creditors

## Outcome

### **Secured Creditors**

The Directors' Statement of Affairs shows that, at the date of appointment, the following amount was owed to HUK40 Limited, the primary Secured Creditor ("the Secured Creditor"):

HUK 40 Limited - £1,466,687

This amount is secured by way of fixed and floating charges granted by the Company on 29 January 2016.

According to Companies House, the Company also has two further secured creditors, Filefigure 30 Limited ("Filefigure") and PNC Financial Services UK Limited ("PNC"). The Administrator understands from the Directors that Filefigure is no longer a secured creditor as its debt was assigned to HUK 40 Limited. Following discussions with the wider HMV group and PNC, PNC agreed to release its debenture and the Company's obligations to it and is therefore no longer a secured creditor.

Based on currently available information, the Administrator does not expect there will be sufficient asset realisations to repay the Secured Creditor in full.

### **Preferential creditors**

Preferential creditors consist of amounts owed to the Company's employees for arrears of wages/salaries, holiday pay and pension contributions. The Administrator understands from the Company that there were no preferential creditors on appointment.

### **Prescribed Part**

The Prescribed Part is an amount set aside for unsecured creditors from asset realisations that would otherwise be paid to secured creditors under their floating charge, (referred to as the net property), as set out under section 176A of the Act. It applies only where the charge was created on or after 15 September 2003.

The Prescribed Part is calculated as a % of the net property and is subject to a statutory maximum of £600,000 per company.

Any Prescribed Part dividend will be dependent on the final position in relation to the intercompany debt, but at this stage it is highly unlikely.

### **Unsecured creditors**

The Directors' Statement of Affairs shows 10 unsecured creditors with estimated non-preferential claims totalling £994,979.

As detailed above, the Administrator does not anticipate that there will be sufficient asset realisations to enable a distribution to be made to unsecured creditors (other than any Prescribed Part distribution).

As there is no prospect of a distribution to unsecured creditors, the Administrator does not intend to undertake any work to agree any creditor claims received, as this work will be performed only once the dividend prospects are certain.

### **Extensions to the administration**

Due to the outstanding issues, the Administration was extended for a period of one year with the approval of the Secured Creditor. As Filefigure is still listed as a secured creditor, consent was also received from them. The Administration is now due to end on 13 October 2018.

### **Exit**

As there are unlikely to be funds available to distribute to the unsecured creditors, the Administrator considers dissolution to be the most appropriate exit route from Administration.

# Remuneration and expenses

## Administrator's remuneration and detailed information

### Administrator's remuneration

"A Creditors' Guide to Remuneration" is available for download at

[www.deloitte.com/uk/sip-9-england-and-wales](http://www.deloitte.com/uk/sip-9-england-and-wales)

Should you require a paper copy, please send your request in writing to us at the address on page 1 and this will be provided to you at no cost.

### Basis of remuneration

The Administrator originally intended to request that the Secured Creditor fix the basis of his remuneration at a set amount of £20,000 plus VAT. As the Administration has had to be extended, this figure may need to be increased and this will be discussed with the Secured Creditor when approval is sought.

No remuneration has been drawn to date.

### Disbursements

#### Category 1 disbursements

These are the Administrator's direct expenses and disbursements incurred to date (excluding VAT). The Administrator's Proposals estimated disbursements of £585. However, all costs to date have been paid from the estate rather than as a disbursement, therefore the revised table is as below.

| Category 1 disbursements  |            |      |            |
|---------------------------|------------|------|------------|
| £ (net)                   | Value      | Paid | Unpaid     |
| IP case management system | 185        | -    | 185        |
| <b>Total expenses</b>     | <b>185</b> | -    | <b>185</b> |

#### Category 2 disbursements

These are costs and expenses initially paid by the Administrator and which are not generally made to a third party, for example,

reimbursement to staff engaged on the case for their mileage costs. These may also include shared or allocated costs. Specific approval is required before these costs and expenses can be drawn from the administration estate and this will be requested from the Secured Creditor in due course. Mileage is calculated at the prevailing standard mileage rate of up to 45p used by Deloitte at the time when the mileage is incurred.

No category 2 disbursements have been incurred to date.

### Creditors' right to request information

Any secured creditor or unsecured creditor (with the support of at least 5% in value of the unsecured creditors or with leave of the Court) may, in writing, request us to provide additional information regarding remuneration or expenses to that already supplied within this report. Such requests must be made within 21 days of receipt of this report, in accordance with Rule 18.9 of the Rules.

### Creditors' right to challenge remuneration and/or expenses

Any secured creditor or unsecured creditor (with the support of at least 10% in value of the unsecured creditors or with leave of the Court) may apply to the Court for one or more orders (in accordance with Rule 18.34 of the Rules), reducing the amount or the basis of remuneration which we are entitled to charge or otherwise challenging some or all of the expenses incurred.

Such applications must be made within eight weeks of receipt by the applicant(s) of the progress report detailing the remuneration and/or expenses being complained of, in accordance with Rule 18.34(3) of the Rules.

Please note that such challenges may not disturb remuneration or expenses approved or deemed to be approved under prior progress reports.
