**(REGISTRATION NUMBER: 11368253)**  
**STATEMENT OF FINANCIAL POSITION AS AT 31 MAY 2021 (CONTINUED)**

---

For the financial year ending 31 May 2021 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Director's responsibilities:

- The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The director acknowledges her responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These financial statements have been prepared in accordance with the special provisions relating to companies subject to the small companies regime within Part 15 of the Companies Act 2006 and in accordance with the provisions of FRS 102 Section 1A - small entities.

These financial statements have been delivered in accordance with the provisions applicable to companies subject to the small companies regime and the option not to file the Income statement has been taken.

The financial statements of F&E Support Services Ltd were approved and authorised for issue by the director on 28 February 2022

  
A E Fitzgerald  
Director

---

### **NOTES TO THE UNAUDITED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2021**

---

#### **1 General information**

F&E Support Services Ltd (the 'company') is a private company limited by share capital, registered in England and Wales under the Companies Act. The address of the registered office is given on page 1.

#### **2 Accounting policies**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

##### **Statement of compliance**

These financial statements have been prepared in accordance with Financial Reporting Standard 102 Section 1A - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006.

##### **Basis of preparation**

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

The functional currency of the company is considered to be pound sterling (£) because that is the currency of the primary economic environment in which the company operates. The financial statements are presented in pound sterling (£).

##### **Going concern**

The directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis in preparing the annual financial statements.

##### **Revenue recognition**

Revenue comprises the fair value of the consideration received or receivable for the sale of goods and provision of services in the ordinary course of the company's activities. Revenue is shown net of sales/value added tax, returns, rebates and discounts.

The company recognises revenue when:

The amount of revenue can be reliably measured;  
it is probable that future economic benefits will flow to the entity;  
and specific criteria have been met for each of the company's activities.

### NOTES TO THE UNAUDITED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2021 (CONTINUED)

---

#### 2 Accounting policies (continued)

##### **Tax**

The tax expense for the period comprises current tax. Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the company operates and generates taxable income.

##### **Property, plant and equipment**

Property, plant and equipment are stated in the statement of financial position at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

The cost of property, plant and equipment includes directly attributable incremental costs incurred in their acquisition and installation.

Depreciation is charged so as to write off the cost of assets, other than land and properties under construction over their estimated useful lives, as follows:

<b>Asset class</b>	<b>Depreciation method and rate</b>
Office equipment	33.3% straight line

##### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

##### **Receivables**

Receivables are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Receivables are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of receivables is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the receivables.

##### **Payables**

Payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the company does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Payables are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

### **NOTES TO THE UNAUDITED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2021 (CONTINUED)**

---

#### **2 Accounting policies (continued)**

##### **Borrowings**

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Income statement over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

##### **Share capital**

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

##### **Financial instruments**

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

#### **3 Staff numbers**

The average number of persons employed by the company (including the director) during the year, was 1 (2020 - 2).
