Specialist Advice and Services

When instructing third parties to provide specialist advice and services or having the specialist services provided by the firm, the liquidator Matthew Fox and Beacon is obligated to ensure that such advice or work is warranted, and that the advice or work contracted reflects the best value and service for the work undertaken. The firm reviews annually the specialists available to provide services within each specialist area and the cost of those services to ensure best value. The specialists chosen usually have knowledge specific to the insolvency industry and, where relevant, to matters specific to this insolvency appointment. Details of the specialists specifically chosen in this matter are detailed below, if applicable.

8. COSTS AND EXPENSES

The payments shown on the Receipts and Payments Account at Appendix 2 are in the main self-explanatory.

Pre- Appointment Costs

A fixed fee of £2,550.00 plus VAT and including expenses was agreed and paid by the company prior to the member's resolution for the Company's winding up.

Post appointment fee

The basis for fixing the liquidator's remuneration in an MVL is set out in the Insolvency (England & Wales) Rules 2016 ("the Rules"). The Rules state that the remuneration shall be fixed either:

- as a percentage of the value of the assets which are realised or distributed or both, or
- by reference to the time properly given by the liquidator and his staff in attending to matters arising in the winding up; or
- as a set amount.

Any combination of these bases may be used to fix the remuneration and different bases may be used for different things done by the liquidator. Where the remuneration is fixed as a percentage, different percentages may be used for different things done by the liquidator. Attached is a detail narrative of work undertaken.

The fee quoted in the pre-appointment costs section above is a fixed fee and no fees in respect of Liquidator's remuneration are payable.

Despite being remunerated on a fixed costs basis I am required to furnish members with a breakdown of time incurred in dealing with the administration of the MVL. This is for information purposes only and can be located at Appendix 3, together with details of my firms charge -out rates.
