**Notes to the Financial Statements
for the year ended 31 March 2022**

1. STATUTORY INFORMATION

Abergele Golf Club Limited is a private company, limited by guarantee, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets.

Turnover

Turnover represents subscription income, green fees, bar sales and other sources of income, net of value added tax where relevant.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Land and buildings	- 25% on cost
Plant and machinery etc	- 20% on reducing balance and 10% on reducing balance

Investments in subsidiaries

Investments in subsidiary undertakings are recognised at cost.

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases taken out in the current year are capitalised in the balance sheet and are depreciated over their estimated useful lives.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.

In previous years, all leases have been treated as operating leases. Where payments under leases taken out in previous years continue to be made, relevant instalments have been written off to the profit and loss account.

Members subscriptions

The Club's subscription year commences on 1 April. Members' subscriptions received prior to 1 April are deferred to the year to which they relate.

The Club may, from time to time, offer members the opportunity to pay subscriptions in advance for a period of years or for lifetime at advantageous rates.

Subscriptions paid in advance for specified years are deferred over the period of years in question.

Lifetime membership is normally only offered in exceptional circumstances to provide additional funding to meet unexpected or unusual expenditure. Lifetime membership subscription income is, therefore, credited to revenue in the year in which the subscriptions are considered to commence.

Grants receivable

Revenue grants are credited to the profit and loss account in the year to which they relate.

Capital grants are credited against the relevant cost of the fixed assets to which they relate

3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 8 (2021 - 7) .

**Independent Chartered Accountants' Review Report to the Directors of
Abergele Golf Club Limited**

The following reproduces the text of the report prepared for the directors in respect of the company's annual unaudited financial statements. In accordance with the Companies Act 2006, the company is only required to file a Balance Sheet. Readers are cautioned that the Income Statement and certain other primary statements and the Report of the Directors are not required to be filed with the Registrar of Companies.

We have reviewed the financial statements of Abergele Golf Club Limited for the year ended 31 March 2022, which comprise the Income Statement, Balance Sheet and the related notes 1 to 13. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

This report is made solely to the company's directors, as a body, in accordance with our terms of engagement. Our review has been undertaken so that we might state to the directors those matters that we have agreed with them in our engagement letter and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's directors as a body for our work, for this report or the conclusions we have formed.

Directors' responsibility for the financial statements

As explained more fully in the Directors' Responsibilities Statement set out on page ten, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Accountants' responsibility

Our responsibility is to express a conclusion based on our review of the financial statements. We conducted our review in accordance with International Standard on Review Engagements (ISRE) 2400 (Revised), 'Engagements to review historical financial statements' and ICAEW Technical Release TECH 09/13AAF 'Assurance review engagements on historical financial statements'. ISRE 2400 also requires us to comply with the ICAEW Code of Ethics.

Scope of the assurance review

A review of financial statements in accordance with ISRE 2400 (Revised) is a limited assurance engagement. We have performed additional procedures to those required under a compilation engagement. These primarily consist of making enquiries of management and others within the entity, as appropriate, applying analytical procedures and evaluating the evidence obtained. The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing (UK and Ireland). Accordingly, we do not express an audit opinion on these financial statements.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the financial statements have not been prepared:

- so as to give a true and fair view of the state of the company's affairs as at 31 March 2022 and of its surplus for the year then ended;
- in accordance with United Kingdom Generally Accepted Accounting Practice; and
- in accordance with the requirements of the Companies Act 2006.
