- (a) the New Money Note Agent or New Money Holders take any Enforcement Action under paragraphs (c) or (e) of the definition of "Enforcement Action"; and
 - (b) an Obligor Enforcement Notice has not been delivered,
- without prejudice to the obligation to redeem the New Money Notes in their principal amount on the New Money Notes Repayment Date in accordance with clause 7.1 (*Scheduled redemption*) of the New Money Note Agreement, the Obligors and the Holding Obligors shall only be liable to pay any Obligor Secured Liabilities then due and payable to the New Money Holders as and when there are funds available for that purpose in accordance with, and after satisfying all prior ranking payment obligations under paragraphs (a) to (f) of, the Obligor Pre-Enforcement Priority of Payments;

6.4 Receipts Held in Trust

6.4.1 Each Secured Participant (other than the Obligor Security Trustee, and including the New Money Note Agent (acting on the instructions of the New Money Majority Holders)) hereby agrees and each Obligor and Holding Obligor hereby acknowledges that if such Secured Participant receives any amount by payment, set-off or by any other manner, in cash or in kind of, or on account of, any of the Obligor Secured Liabilities or Liabilities owed to it not permitted by the terms of this Deed, such receiving Secured Participant will hold such amounts on trust for the Obligor Security Trustee and each other Secured Participant (or, in the case of HSBC Bank plc in any of its capacities, will hold such amount for the Obligor Security Trustee, but not on trust) and within 7 Business Days of receipt of such amounts pay any and all such amounts to the Obligor Security Trustee for application in accordance with the applicable provisions of Clause 10.4 (*Obligor Post-Enforcement Priority of Payments*) provided that nothing in this Clause 6.4 (*Receipts Held in Trust*) shall create or be deemed to create a Security Interest.

6.4.2 Failure of Trust

If for any reason, a trust in favour of, or a holding of property or other assets for, the Secured Participants under this Clause 6.4 (*Receipts Held in Trust*) is, becomes, or is deemed to be invalid or unenforceable, the party otherwise obliged to hold any amounts on such trust will pay and deliver to the Obligor Security Trustee an amount equal to the payment, receipt or recovery in cash or, if in kind, the value conferred which it would otherwise have been bound to hold on trust for or as property of the relevant persons.

6.4.3 Effect of Turnover

- (a) If a Secured Participant is, as a result of receiving any moneys relating to a debt or other obligation or liability owed to that party by any Obligor or Holding Obligor, obliged to make a payment pursuant to this Clause 6 (*Undertakings*), such debt or other obligation or liability shall not, as between that Obligor or Holding Obligor and such Secured Participant, be deemed to be reduced except to the extent that those moneys are applied towards that debt or other obligation or liability in accordance with Schedule 7, Part 1 (*Obligor Pre-Enforcement Priority of Payments*) to the Intercompany Loan Agreement or Schedule 7, Part 2 (*Obligor Post-Enforcement Priority of Payments*) to the Intercompany Loan Agreement.
- (b) This Clause 6 (*Undertakings*) shall not operate so as to oblige a Secured Participant to share with any other Secured Participant in respect of any amount received or recovered by it:
 - (i) to the extent that such first Secured Participant would not, as a result of making any payment pursuant to this Clause 6 (*Undertakings*), have a valid and enforceable claim against the Obligors and the Holding Obligors with respect to such amount; or
 - (ii) which such first Secured Participant has received or recovered as a result of taking any legal or arbitration proceedings in accordance with the terms of the Finance Documents if:
 - a. it notified that other relevant Secured Participant of its intention to take legal or arbitration proceedings; and

- b. that other relevant Secured Participant (x) had an opportunity to participate in those legal or arbitration proceedings but did not promptly (and in any event within 30 days) notify the first Secured Participant of its intention to participate or did not do so as soon as reasonably practicable having given such notice, and/or (y) did not (directly or through the Obligor Security Trustee) take separate legal or arbitration proceedings within a reasonable period of time after becoming aware of the existence of those legal or arbitration proceedings.

6.5 Security Interests

In the event of any Secured Participant or any Obligor or Holding Obligor breaching the terms of Clause 6.1 (*Undertakings of Secured Participants*) or Clause 6.2 (*Undertakings of Obligors or Holding Obligors*) respectively, the Security Interest, guarantee or indemnity so granted or given shall be deemed to have been granted or given in favour of the Obligor Security Trustee to hold on the trusts created by this Deed.

6.6 Preservation of Liabilities

- 6.6.1 Except where expressly provided in this Deed, nothing contained in this Deed is intended to or shall impair, as between any Obligor or Holding Obligor and any Secured Participant, the obligations of any Obligor or Holding Obligor under the Finance Documents to which such Secured Participant is party, including the obligation of the Obligors or Holding Obligors to pay the Secured Participants all of the relevant Obligor Secured Liabilities and/or the accrual of interest and default interest.
- 6.6.2 Each Obligor and Holding Obligor expressly acknowledges that no failure or delay by a Secured Participant in exercising any of its rights in relation to a Transaction Default or other default or any other right as a result of the provisions of this Deed shall operate as a waiver or variation of its rights with respect thereto.

6.7 Notification of Enforcement Action

Without prejudice to Clause 6.3 (*No Enforcement Action Against the Obligors*) which is binding on all Secured Participants, each Secured Participant (other than the Obligor Security Trustee, and including the New Money Note Agent (acting on the instructions of the New Money Majority Holders)) agrees that it shall notify the Obligor Security Trustee in writing as soon as practicable thereafter if it takes any action referred to in the definition of Enforcement Action or exercises any rights under Clause 6.3 (*No Enforcement Action Against the Obligors*).

6.8 Subordination

Each of the Secured Participants hereby agrees to be bound by the orders of priority set out in the applicable Priorities of Payments. Each of the Secured Participants (other than the Obligor Security Trustee, and including the New Money Note Agent (acting on the instructions of the New Money Majority Holders)) further agrees with each other party to this Deed that, subject to the terms of the Finance Documents it will not demand or receive payment of any distribution in respect of, or on account of, any amounts payable by any Obligor or Holding Obligor or the Obligor Security Trustee to that Secured Participant under the Finance Documents, in cash or in kind, and will not, subject to the terms of the Finance Documents, apply any money or assets in discharge of any such amounts payable to it (whether by set-off or by any other

method), unless all amounts then due and payable by the Obligor and Holding Obligor to all other Secured Participants ranking higher in the order of priority set out in the applicable Priorities of Payments have been paid in full.

7. DISCHARGE OF SECURITY

7.1 Final Redemption

Subject to Clause 7.7 (*Release of Obligor Security on Discharge of Obligor Secured Liabilities*), the Obligor Security Trustee shall release, reassign or discharge (as appropriate) the Charged Property from the Security to or to the order of the relevant Obligor or Holding Obligor.

7.2 Retention of Security

If the Obligor Security Trustee considers that any amount paid or credited to it under any Finance Document is capable of being avoided or otherwise set aside, that amount shall not be considered to have been paid for the purposes of determining whether all the Obligor Secured Liabilities have been irrevocably paid in full.

7.3 Partial Release of Charged Property

On the making, at any time, by any Obligor or Holding Obligor of a Permitted Disposal in accordance with Clause 9 (*Disposals*) of Part 3 (*General Covenants*) of Schedule 2 (*Covenants*) of the Intercompany Loan Agreement and Clause 20.13 (*Disposals*) of the New Money Note Agreement, the Obligor Security Trustee shall, upon due execution of such further documents as shall be necessary to give effect to the foregoing and if so requested by and at the sole cost and expense of the relevant Obligor or Holding Obligor, as the case may be, but without being responsible for any loss, costs, claims or liabilities whatsoever occasioned by so acting upon such request, release, reassign or discharge from the Security Interests constituted by or pursuant to this Deed the relevant assets or property which are the subject of the relevant Permitted Disposal in accordance with and subject to the terms of the Intercompany Loan Agreement, the New Money Note Agreement and the Obligor Cash Management Agreement.

7.4 Consolidation

Section 93 of the LPA shall not apply to the Security.

7.5 Release of Obligor Security

7.5.1 Except in the circumstances specified in Clause 7.7 (*Release of Obligor Security on Discharge of Obligor Secured Liabilities*), Clause 7.8 (*Release of Obligor Security for Permitted Disposals*), Clause 3.18 (*Consent to Permitted Estate Management Transactions*) and Clause 7.3 (*Partial Release of Charged Property*), the Obligor Security Trustee shall, on the instructions of the Issuer Trustee and at the cost of the Obligor and Holding Obligor, only release the benefit of any encumbrance, right, obligation or other security held by it as Obligor Security for all or any of the Obligor Secured Liabilities.

7.5.2 The Obligor Security Trustee is entitled to (and it is the intention that it will) rely on any representation, warranty or approval given by the relevant Secured Participants in any instruction delivered to it or agreement made with it pursuant to this Clause 7.5 (*Release of Obligor Security*) without further enquiry. When releasing the benefit of

any encumbrance, right, obligation or other security and/or, as the case may be, reassigning any property pursuant to this Clause 7.5.2 (*Release of Obligor Security*), the Obligor Security Trustee is not required to consider whether any rights of or obligations owed to any Secured Participant will be or are likely to be prejudiced by such release or, as the case may be, reassignment. In any such case, the Obligor Security Trustee will not incur any liability to any person for so relying or for so not considering.

7.6 Discharge of Obligor Secured Liabilities

If any Obligor or Holding Obligor (as applicable) ceases to be under any actual or contingent liability to any Secured Participant in respect of any Obligor Secured Liabilities, such Secured Participant must give written notice to the Obligor Security Trustee that such Obligor Secured Liabilities have been discharged in full as soon as reasonably practicable following the occurrence of such discharge. Such Secured Participant will cease to be a Secured Participant under this Deed in respect of the relevant Obligor Secured Liabilities which were due to it and which have been discharged and will, if no Obligor Secured Liabilities remain outstanding to it and no such Obligor Secured Liabilities might become due to it, be deemed to have seceded as a party from this Deed.

7.7 Release of Obligor Security on Discharge of Obligor Secured Liabilities

7.7.1 Upon all of the Obligor Secured Liabilities being discharged in full and none of the relevant Secured Participants being under any further actual or contingent obligation to make advances or provide other financial accommodation under any of the Finance Documents, the Obligor Security Trustee will, at the request and cost of the Obligors and Holding Obligors, having received written confirmation from each relevant Secured Participant pursuant to Clause 7.6 (*Discharge of Obligor Secured Liabilities*) that such Obligor Secured Liabilities have been discharged in full (upon which the Obligor Security Trustee will rely without further investigation), release and cancel the Obligor Security constituted by the Obligor Security Documents and procure the reassignment to each Obligor and Holding Obligor of the Property and assets assigned by it to the Obligor Security Trustee pursuant to the Obligor Security Documents as soon as reasonably practicable. In respect of any such release, the Obligor Security Trustee shall enter into a Deed of Release substantially in the form set out in Schedule 8 (*Form of Release*) together with any other documents determined by the Borrower to be required (in a form satisfactory to the Obligor Security Trustee) to give effect to such release.

7.7.2 If the Obligor Security Trustee reasonably considers that any amount paid or credited to it under any Finance Document is capable of being avoided or otherwise set aside on the insolvency of an Obligor or a Holding Obligor, that amount shall not be considered to have been paid for the purposes of determining whether all the Obligor Secured Liabilities have been irrevocably paid.

7.8 Release of Obligor Security for Permitted Disposals

The Obligor Security Trustee is authorised by each Secured Participant and every other party to this Deed, upon receipt of a request from the Borrower and at the cost of the relevant Obligor or Holding Obligor, to execute on behalf of itself, each Secured Participant and every other relevant party and without the need for any further referral or authority from any person all releases of any Obligor Security and/or non-crystallisation letters in relation to any Permitted Disposal by such Obligor or Holding Obligor. In respect of any such release, the Obligor Security Trustee shall enter into a

Deed of Release substantially in the form set out in Schedule 8 (*Form of Release*) together with any other documents determined by the Borrower to be required (in a form satisfactory to the Obligor Security Trustee) to give effect to such release.

8. APPLICATION OF CHARGED PROPERTY PRIOR TO ENFORCEMENT

8.1 Payments under the Obligor Cash Management Agreement

Notwithstanding the security rights created by or pursuant to Clause 3 (*Security*), prior to the delivery of an Obligor Enforcement Notice, each Obligor (or the Obligor Cash Manager on its behalf or the Borrower on behalf of the Obligors) shall be entitled, from time to time, to withdraw moneys or transfer of securities from Obligor Accounts for application in accordance with the Obligor Cash Management Agreement and each Obligor (or the Obligor Cash Manager on its behalf or the Borrower on behalf of the Obligors) and each Holding Obligor shall be entitled to withdraw moneys or transfer of securities from any other bank account which is not an Obligor Account. If an amount or security is withdrawn from an Obligor Account or other bank account as permitted by this Clause 8.1 (*Payments under the Obligor Cash Management Agreement*), that amount shall be deemed to be released from the fixed charge over that account referred to in Clause 3.1.2 (*Assets*) on that withdrawal being made. For the avoidance of doubt, the Holding Obligors shall only open bank accounts which are Obligor Accounts.

8.2 Eligible Investments

Notwithstanding the security rights created by or pursuant to Clause 3 (*Security*), prior to the delivery of an Obligor Enforcement Notice, each Obligor (or the Obligor Cash Manager on its behalf or the Borrower on behalf of the Obligors) and each Holding Obligor shall be entitled, from time to time, to sell, redeem, realise or dispose of any Eligible Investments, provided that the proceeds of any such sale, redemption, realisation or disposal are credited to relevant Obligor Account or other account from which the moneys to invest in such Eligible Investments were originally drawn. If an Eligible Investment is sold, redeemed, realised or disposed as permitted by this Clause 8.2 (*Eligible Investments*), that Eligible Investment shall be deemed to be released from the fixed charge over it referred to in Clause 3.1.2 (*Assets*) on that sale, redemption, realisation or disposal taking place. In addition, each Obligor (or the Obligor Cash Manager on its behalf or the Borrower on behalf of the Obligors) and each Holding Obligor shall ensure that all income, principal or other amounts received from any Eligible Investments are credited to relevant Obligor Account or other bank account from which the moneys to invest in such Eligible Investments were originally drawn.

8.3 Finance Documents, etc.:

Notwithstanding the security rights created by or pursuant to Clause 3 (*Security*), prior to the delivery of an Obligor Enforcement Notice, each Obligor and each Holding Obligor shall be entitled, from time to time, to exercise its rights, powers and discretions under the Finance Documents and in relation to the other Charged Property, provided that it does so in accordance with the terms of the Finance Documents.

8.4 Obligor Accounts held by Holding Obligors or NewCo

Each Holding Obligor and NewCo undertake that if it opens an Obligor Account other than with the Obligor Account Bank it shall on the date on which such account is opened give notice of the security in Clause 3.1.2(c) substantially in the form set out

in Schedule 14 (*Form of notice of charge of Obligor Accounts*) (or in such other form as is acceptable to the Obligor Security Trustee) and shall use reasonable endeavours to ensure that each recipient of any such notice promptly signs and returns the relevant form of acknowledgement.

9. ENFORCEMENT OF OBLIGOR SECURITY

9.1 Notification of Transaction Events of Default

9.1.1 If any Obligor, Holding Obligor or any Secured Participant (other than the Obligor Security Trustee, and including the New Money Note Agent (acting on the instructions of the New Money Majority Holders)) becomes aware of the occurrence of a Transaction Event of Default, it shall forthwith notify the Obligor Security Trustee and the Borrower (on behalf of the Obligors and Holding Obligors) in writing as soon as reasonably practicable and, in any event, within 1 Business Day of it becoming so aware. Following such notification the Obligor Security Trustee shall promptly thereafter notify the Secured Participants that a Transaction Event of Default has occurred.

9.1.2 The Borrower (on behalf of the Obligors and Holding Obligor) shall notify the Obligor Security Trustee if the Transaction Event of Default ceases to continue or is waived in accordance with the provisions of this Deed.

9.2 Enforcement Instruction Notices

9.2.1 Subject to Clause 9.4 (*Obligor Enforcement Notice – Obligor Security Enforceable*) and Clause 9.7 (*Indemnity Required*), at any time at which the Obligor Security Trustee has notice of the occurrence of a Transaction Event of Default in respect of which it has not been notified that such Transaction Event of Default has ceased to continue pursuant to Clause 9.1 (*Notification of Transaction Events of Default*), it shall promptly request by an Enforcement Instruction Notice an instruction from the Issuer Trustee or (if Clause 9.2.3 applies) a New Money Enforcement Instruction from the New Money Note Agent as to whether the Obligor Security Trustee should deliver an Obligor Enforcement Notice to enforce all or any part of the Obligor Security or to take any other kind of Enforcement Action or that the Enforcement Period should end.

9.2.2 Subject to Clause 9.4 (*Obligor Enforcement Notice – Obligor Security Enforceable*) and Clause 9.7 (*Indemnity Required*), at any time following the delivery of an Obligor Enforcement Notice or a New Money Enforcement Instruction, the Obligor Security Trustee shall, on each occasion prior to taking any further Enforcement Action, request by a Further Enforcement Instruction Notice an instruction from the Issuer Trustee or (if applicable) the New Money Note Agent (in which instance acting on the written instruction of the New Money Majority Holders) as to whether the Obligor Security Trustee should take any further Enforcement Action or that the Enforcement Period should end. For the avoidance of any doubt, on each and every occasion prior to the taking of any further Enforcement Action during an Enforcement Period, the Obligor Security Trustee will seek the instructions of the Issuer Trustee (or, where the Obligor Enforcement Notice was delivered pursuant to a New Money Enforcement Instruction, the New Money Note Agent (acting on the written instructions of the New Money Majority Holders)).

9.2.3 Notwithstanding anything to the contrary in the Obligor Deed of Charge or the Obligor Deed of Charge (Supplemental), if after a period of not less than 180 days following:

- (a) the New Money Notes Repayment Date, all amounts owing under the New Money Notes and the New Money Note Agreement have not been irrevocably and fully paid, redeemed or repaid (as the case may be); or
- (b) the occurrence of a breach (which has not yet been remedied) by the Borrower of its obligations to make payments under the New Money Notes and/or the New Money Note Agreement in priority to its more junior ranking payment obligations in accordance with the Priorities of Payment; and
- (c) the Issuer Trustee has:
 - (i) not instructed the Obligor Security Trustee to enforce all or any part of the Obligor Security or to take any other kind of Enforcement Action in accordance with Clause 9.2.1 above;
 - (ii) not made a determination as to the method of Enforcement Action it wishes to instruct the Obligor Security Trustee to pursue and has not notified the Obligor Security Trustee of that determination in writing; or
 - (iii) instructed the Obligor Security Trustee that the Enforcement Period should end,

the New Money Note Agent (acting on the instructions of the New Money Holders) shall be entitled to instruct the Obligor Security Trustee to deliver an Obligor Enforcement Notice to enforce all or any part of the Obligor Security or to take any other kind of Enforcement Action (a "**New Money Enforcement Instruction**").

9.2.4 To the extent necessary to facilitate such Enforcement Action under Clause 9.2.3, including to effect any Distressed Disposal or Debt Disposal under this Deed, the Obligor Deed of Charge or the Obligor Deed of Charge (Supplemental), the Issuer Trustee shall, if so instructed to do so by the New Money Note Agent, deliver an Enforcement Instruction to the Obligor Security Trustee on the same terms as the relevant New Money Enforcement Instruction. The Issuer Trustee shall not be obliged to deliver an Enforcement Instruction under this Clause 9.2.4 unless and until it has been indemnified and/or secured and/or pre-funded to its satisfaction against all Liabilities to which it may become liable or which it may incur by giving any such Enforcement Instruction.

9.2.5 If, in accordance with clause 25.2 (*Instructions*) of the New Money Note Agreement and without prejudice to clause 21.5 (*Acceleration*) of the New Money Note Agreement:

- (a) the New Money Note Agent has been instructed in writing to exercise its powers under the Finance Documents by the New Money Majority Holders or (if applicable) all of the New Money Holders in respect of New Money Notes then outstanding but fails to exercise such power within 10 Business Days of the instructions having been given and such failure is continuing, the New Money Majority Holders or (if applicable) all of the New Money Holders in respect of New Money Notes then outstanding, will be entitled to exercise such power; and
- (b) subject to paragraph (a) above, if, at any time, the New Money Note Agent has been instructed in writing to exercise its powers under the Finance Documents by the New Money Majority Holders or (if applicable) all of the New Money Holders in respect of New Money Notes then outstanding but fails to exercise

such power and such failure is or is reasonably likely to have a material adverse effect on the New Money Notes or otherwise be prejudicial to the New Money Holders taken as a whole, the New Money Majority Holders or (if applicable) all of the New Money Holders in respect of New Money Notes then outstanding, will be entitled to exercise such power.

9.3 Obligor Enforcement Notice

The Obligor Security Trustee shall deliver an Obligor Enforcement Notice to the Borrower in respect of all Obligors and Holding Obligors with a copy to each Secured Participant if:

- 9.3.1 a Transaction Event of Default has occurred and is continuing;
- 9.3.2 it has been so instructed by the Issuer Trustee or, if applicable, the New Money Note Agent following the delivery of a New Money Enforcement Instruction;
- 9.3.3 the indemnity requirements set out in Clause 9.7 (*Indemnity Required*) have been satisfied to the satisfaction of the Obligor Security Trustee, and, unless and until so (i) instructed and (ii) indemnified and/or secured and/or pre-funded to the satisfaction of the Obligor Security Trustee, the Obligor Security Trustee shall be under no obligation to and shall not deliver an Obligor Enforcement Notice and/or to take any Enforcement Action.

9.4 Obligor Enforcement Notice – Obligor Security Enforceable

During an Enforcement Period, the whole of the Obligor Security shall become enforceable.

9.5 Enforcement Action

During an Enforcement Period, the Obligor Security Trustee may take any Enforcement Action, subject to Clause 9.8 (*Appointment of Administrative Receiver*).

9.6 No Liability as Mortgagee in Possession

- 9.6.1 Without prejudice to Clause 22.4 (*Indemnity in Favour of Obligor Security Trustee*), to the extent permitted by law, neither the Obligor Security Trustee nor any Receiver shall be liable to account as a mortgagee in possession in respect of all or any part of the Charged Property or be liable for any loss upon realisation or for any neglect, default or omission in connection with the Charged Property to which a mortgagee in possession might otherwise be liable.
- 9.6.2 The Obligor Security Trustee shall, in its absolute discretion, be entitled at any time to serve a written notice on the Secured Participants requiring such Secured Participants, with effect from the date that notice is given, to obtain the prior written consent of the Obligor Security Trustee before taking any action which would, in the sole opinion of the Obligor Security Trustee, be likely to lead to the Obligor Security Trustee becoming a mortgagee in possession in respect of any Charged Property.

9.7 Indemnity Required

Subject to Clause 9.8.2 (*Appointment – Administration*) below, the Obligor Security Trustee shall not be obliged to give an Obligor Enforcement Notice or to take any Enforcement Action (or any action or step that is ancillary (but prior) to the taking of

Enforcement Action) unless and until it has been indemnified and/or secured and/or pre-funded to its satisfaction against all Liabilities to which it may become liable or which it may incur by giving any Obligor Enforcement Notice or taking any Enforcement Action.

9.8 Appointment of Administrative Receiver

9.8.1 Appointment Following Enforcement

At any time after the Obligor Security becomes enforceable pursuant to this Clause 9 (*Enforcement of Obligor Security*) the Obligor Security Trustee may appoint such person or persons as it thinks fit to be an Administrative Receiver(s) of the whole or any part of the Charged Property held by any Obligor or Holding Obligor.

9.8.2 Appointment – Administration

If the Obligor Security becomes enforceable against an Obligor or a Holding Obligor pursuant to an Administrative Event, the Obligor Security Trustee shall (notwithstanding any other term of this Deed allowing the Obligor Security Trustee to refrain from acting unless indemnified and/or secured and/or prefunded to its satisfaction) be obliged to appoint such person or persons as it thinks fit to be an Administrative Receiver(s) of the whole or any part of the Charged Property held by such Obligor or Holding Obligor, such appointment to take effect upon the final day by which the appointment must be made in order to prevent an administration from proceeding or (where an Obligor or a Holding Obligor or the directors of an Obligor or Holding Obligor have initiated the administration) not later than that final day.

The Obligor Security Trustee is not liable for any failure to appoint an Administrative Receiver in respect of any Obligor or Holding Obligor, save in the case of its own gross negligence or wilful default, and for the avoidance of doubt:

- (a) nothing in this Clause 9.8 shall be construed so as to impose on the Obligor Security Trustee any obligation to indemnify any Administrative Receiver appointed by it pursuant to this Clause 9.8 except to the extent of (and from) the cash and assets comprising the Obligor Security held by the Obligor Security Trustee at such time; and
- (b) the Obligor Security Trustee shall have no liability if, having used its reasonable endeavours, it is unable to find a person who is willing to be appointed as an Administrative Receiver on the terms as to indemnification referred to in paragraph 9.8.2(a) above.

The Obligors and Holding Obligors waive any claims against the Obligor Security Trustee in respect of any appointment made pursuant to this Clause 9.8.

9.8.3 Capacity of Administrative Receivers

- (a) Extent of Appointment: Each person appointed to be an Administrative Receiver pursuant to Clause 9.8.1 (*Appointment Following Enforcement*) or Clause 9.8.2 (*Appointment – Administration*) above shall be entitled to act individually or together with any other person appointed or substituted as Administrative Receiver.
- (b) Statutory Powers of Appointments: The power of appointing an Administrative Receiver shall be in addition to all statutory and other powers of appointment

of the Obligor Security Trustee under the LPA (as extended by this Deed) or otherwise and such powers shall remain exercisable from time to time by the Obligor Security Trustee in respect of the Obligor Security.

- (c) Agent of the Obligors: Each person appointed to be an Administrative Receiver pursuant to Clause 9.8.1 (*Appointment Following Enforcement*) or Clause 9.8.2 (*Appointment – Administration*) above shall for all purposes be deemed to be the agent of the relevant Obligor or Holding Obligor (and not the Obligor Security Trustee) and the relevant Obligor or Holding Obligor alone shall be solely responsible for the acts, defaults and misconduct of the Administrative Receiver and none of the Obligor Security Trustee, nor any other Secured Participant, shall incur any liability therefore and none of the Obligor Security Trustee, nor any other Secured Participant, shall be responsible for any misconduct or negligence on the part of the Administrative Receiver.
- (d) Remuneration: The Obligor Security Trustee may determine the remuneration of any Administrative Receiver from time to time. The relevant Obligor or Holding Obligor alone shall be liable for the remuneration and all other costs, losses, liabilities and expenses of such Administrative Receiver.

9.8.4 LPA Restrictions Inapplicable

None of the restrictions imposed by the LPA in relation to appointment of receivers or their fees as to the giving of notice or otherwise shall apply to this Deed.

9.8.5 Insolvency Act Requirements

The Obligor Security Trustee shall comply with the requirement under the Insolvency Act that the person appointed to be an Administrative Receiver be a licensed insolvency practitioner.

9.8.6 Removal of Administrative Receiver

The Obligor Security Trustee may (subject to section 45 of the Insolvency Act) remove any Administrative Receiver whether or not appointing another in his place and may also appoint another Administrative Receiver if the incumbent Administrative Receiver resigns.

9.8.7 Identity of Administrative Receiver and Receiver

If at any time of appointment of an Administrative Receiver pursuant to Clause 9.8.1 (*Appointment Following Enforcement*) or Clause 9.8.2 (*Appointment – Administration*) above a Receiver has been appointed by the Obligor Security Trustee under this Deed then the Obligor Security Trustee shall appoint the same person to be the Administrative Receiver of the Charged Property. If, however, at any time a Receiver is to be appointed under this Deed following the appointment of an Administrative Receiver pursuant to Clause 9.8.1 (*Appointment Following Enforcement*) or Clause 9.8.2 (*Appointment – Administration*) above, then the Obligor Security Trustee shall appoint the person appointed as Administrative Receiver to be the Receiver of the Charged Property under this Deed.

10. **APPLICATION OF CHARGED PROPERTY UPON ENFORCEMENT**

10.1 **General Provisions Applicable to Obligor Post-Enforcement Priority of Payments**

Each party to this Deed agrees that:

10.1.1 obligations appearing in any one item in the Obligor Post-Enforcement Priority of Payments are to rank *pari passu* and pro rata with each other; and

10.1.2 if an amount referred to in any Obligor Post-Enforcement Priority of Payments constitutes Obligor Secured Liabilities, the amount so referred to shall be deemed to include any amount payable by any other Obligor or Holding Obligor under any guarantee in respect of such amount (including the Obligor Guarantees, including (without limitation) any guarantee under the New Money Note Agreement).

10.2 **Ranking of Obligor Secured Liabilities**

Each Secured Participant agrees and each of the Obligors, Holding Obligors and the Obligor Security Trustee acknowledges that each Secured Participant's claims will rank according to the Obligor Post-Enforcement Priority of Payments following the delivery of an Obligor Enforcement Notice.

10.3 **Bank Accounts**

Upon and following the delivery of an Obligor Enforcement Notice, no amount may be withdrawn from any Obligor Account without the prior written consent of the Obligor Security Trustee or a Receiver.

10.4 **Obligor Post-Enforcement Priority of Payments**

During an Enforcement Period:

10.4.1 each Secured Participant agrees that each Secured Participant's claim shall rank according to the Obligor Post-Enforcement Priority of Payments; and

10.4.2 all monies received or recovered by the Obligor Security Trustee or any Receiver in respect of the Obligor Security, the Obligor Guarantees and any guarantee under the New Money Note Agreement shall be applied by or on behalf of the Obligor Security Trustee or, as the case may be, any Receiver, in or towards satisfaction of any amounts due according to the Obligor Post-Enforcement Priority of Payments, other than any amount stated as not being applied according to such Obligor Post-Enforcement Priority of Payments in accordance with Part 2 of Schedule 7 (*Obligor Post-Enforcement Priority of Payments*) to the Intercompany Loan Agreement.

10.5 **General Provisions Regarding Obligor Post-Enforcement Priority of Payments**

If there are insufficient funds to discharge in full amounts due and payable in respect of an item and any other item(s) ranking *pari passu* with such item in the Obligor Post-Enforcement Priority of Payments, all items which rank *pari passu* with each other shall be discharged to the extent there are sufficient funds to do so and on a *pro rata* basis, according to the respective amounts thereof.

10.6 Obligor Enforcement Notice

The Parties hereto acknowledge and agree that the circumstances in which the Obligor Security Trustee may or shall deliver an Obligor Enforcement Notice, and the conditions applicable to delivery of an Obligor Enforcement Notice are set out in Clause 9 (*Enforcement of Obligor Security*) and will become enforceable in accordance with the terms thereof, including, without limitation, Clause 9.5 (*Enforcement Action*).

10.7 No Avoidance

This Deed creates the Obligor Security it purports to create and such Obligor Security is not liable to be avoided or otherwise set aside upon an occurrence of an Insolvency Event in respect of the relevant Obligor or Holding Obligor.

11. INSTRUCTIONS TO THE OBLIGOR SECURITY TRUSTEE

- 11.1 Subject to Clause 9.2 (*Enforcement Instruction Notices*) and Clause 12A (*Equity Transfer Sellers Entrenched Matters*), in relation to any exercise by the Obligor Security Trustee of any right or discretion under a Finance Document, the Obligor Security Trustee will seek the instructions of the Issuer Trustee, acting in accordance with the Note Trust Deed.
- 11.2 In respect of modifications agreed, consents given or waivers granted by the Obligor Security Trustee pursuant to this Clause 11 (*Instructions to the Obligor Security Trustee*), the Borrower shall notify each Secured Participant and each Rating Agency (if required) in writing as soon as practicable of such modification, consent or waiver.
- 11.3 As soon as reasonably practicable, and in any event not later than 8 Business Days after the giving of its consent or its agreement to waive or modify any event, matter or thing in accordance with this Deed, the Obligor Security Trustee and any other party to the relevant Finance Documents other than an Obligor or Holding Obligor shall, at the cost of the Obligors and Holding Obligors, execute and deliver any deeds, documents or notices as may reasonably be required to be executed and/or delivered (subject at all times to Clause 4.3 (*Amendments*) of the Restructuring Definitions Schedule) and which are provided to the Obligor Security Trustee and such other person in order to give effect to the relevant matter or thing which the Obligor Security Trustee has consented to or agreed to waive or modify.
- 11.4 Any modification agreed, waiver granted or consent given by the Obligor Security Trustee in accordance with the provisions of this Deed (a "**Change**") shall be binding on all Obligors and Holding Obligors and each of them shall be bound to give effect to it.

12A. EQUITY TRANSFER SELLERS ENTRENCHED MATTERS

12A.1 Scope of Equity Transfer Sellers Entrenched Matters

- (a) Notwithstanding any provisions to the contrary in any Finance Document, at any time where (i) an Obligor or Holding Obligor has any payment obligations or potential payment obligations under the Jersey Share Purchase Agreement; and/or (ii) the Obligor Security Trustee has any payment obligations or potential payment obligations under the Equity Sellers Side Letter, the Obligor Security Trustee shall not exercise, or implement any instruction given by the Issuer Trustee or any other party in relation to the exercise of, any right or discretion under a Finance Document which is an Equity Transfer Seller Entrenched

Matter unless each Equity Transfer Seller has either (a) confirmed to the Obligor Security Trustee in writing its approval of the Obligor Security Trustee exercising the relevant right or discretion; or (b) has been deemed to consent pursuant to Clause 12A.3 (Deemed Consent).

- (b) In this Deed, “**Equity Transfer Sellers Entrenched Matter**” means:
- (i) any amendment of any Finance Document or any other agreement or arrangement whatsoever that would change the priority of the payment of the Equity Transfer Contingent Right Amount set out in Part 2 of Schedule 7 to the Intercompany Loan Agreement in a manner which would result in additional payments to be made senior to, or *pari passu* with, any Equity Transfer Contingent Right Amount which may become due to the Equity Transfer Sellers;
 - (ii) any direction to the Obligor Security Trustee to take, or omit to take, any action which would result in a breach by the Obligor Security Trustee of any obligation the Obligor Security Trustee has under the Equity Transfer Sellers Side Letter, including but not limited to, a breach of any obligation to make a payment to the Equity Transfer Sellers in accordance with Clause 3.1 of the Equity Transfer Sellers Side Letter; and
 - (iii) any amendment to this Deed or any Finance Document that would change the rights of the Equity Transfer Sellers under this Deed or the Equity Transfer Seller Side Letter.

12A.2 **Equity Transfer Sellers Entrenched Matter Proposal**

- (a) Each of the Issuer Trustee (acting in accordance with the Note Trust Deed) and the Borrower shall be entitled to request that the Obligor Security Trustee exercises, or implement an instruction given by the Issuer Trustee or any other party entitled to instruct the Obligor Security Trustee in relation to the exercise of, any right or discretion under a Finance Document in respect of any matter giving rise to an Equity Transfer Seller Entrenched Matter. Any such request shall constitute an “**Equity Transfer Sellers Entrenched Matter Proposal**”.
- (b) An Equity Transfer Sellers Entrenched Matter Proposal shall:
- (i) be by way of notice in writing to the Obligor Security Trustee signed by the Borrower or the Issuer Trustee (as applicable);
 - (ii) describe the exercise of the right or discretion in respect of which the approval of the Equity Transfer Sellers is being sought; and
 - (iii) specify the period of time within which the approval of the Equity Transfer Sellers is sought (the “**Equity Transfer Sellers Entrenched Matter Decision Period**”) which shall be not less than 20 Business Days from the date of delivery of the Equity Transfer Sellers Entrenched Matter Proposal to the Equity Transfer Sellers in accordance with paragraph (c) below.
- (c) Promptly upon receipt of the Equity Transfer Sellers Entrenched Matter Proposal, the Obligor Security Trustee shall deliver the Equity Transfer Sellers Entrenched Matter Proposal to the Equity Transfer Sellers and request that

each Equity Transfer Seller confirms in writing whether or not it wishes to consent to the relevant Equity Transfer Sellers Entrenched Matter Proposal by no later than the expiry of the Equity Transfer Sellers Entrenched Matter Decision Period.

12A.3 Deemed Consent

Where an Equity Transfer Seller fails to respond to the Equity Transfer Sellers Entrenched Matter Proposal on or before the end of the Equity Transfer Sellers Entrenched Matter Decision Period, it shall be deemed to have consented to the relevant Equity Transfer Sellers Entrenched Matter Proposal and to have confirmed to the Obligor Security Trustee its approval of the Obligor Security Trustee exercising the relevant right or discretion in respect of the matter giving rise to the Equity Transfer Seller Entrenched Matter. For the avoidance of doubt, if any Equity Transfer Seller responds prior to the expiry of the Equity Transfer Sellers Entrenched Matter Decision Period that it does not consent to the relevant Equity Transfer Sellers Entrenched Matter Proposal then that Equity Transfer Sellers Entrenched Matter Proposal shall not be approved and shall lapse.

12. RESERVED MATTERS

12.1 Subject to Clauses 12.3 (*Obligor Deed of Charge*), 12.4 (*Finance Documents*), 12.5 (*Disposals*) and 12.6 (*Equity Transfer Sellers Entrenched Matters*) below, each party to a Finance Document may agree to any modification to, give its consent under or grant any waiver in respect of any matter under that Finance Document (including, without limitation, the matters set out in Clause 12.2 (*Reserved Matters of Secured Participants*) below) without the consent of any other party (other than the parties to such Finance Document) provided that such modification, consent or waiver is made in accordance with the terms of such Finance Document.

12.2 Reserved Matters of Secured Participants

Subject to Clauses 12.3 (*Obligor Deed of Charge*), 12.4 (*Finance Documents*), 12.5 (*Disposals*) and 12.6 (*Equity Transfer Sellers Entrenched Matters*) below and notwithstanding the provisions of Clause 11 (*Instructions to the Obligor Security Trustee*), each Secured Participant (including the New Money Note Agent as instructed by the New Money Majority Holders) reserves to itself the exercise of the right, power, authority and discretion at any time to amend the terms of the Finance Documents to which that Secured Participant is a party.

12.3 Obligor Deed of Charge and Obligor Deed of Charge (Supplemental)

Each Party to this Deed agrees that it shall not agree to any modification to, give its consent under or grant any waiver in respect of the Obligor Security or any matter under the Obligor Security Documents (including, without limitation, the subordination provisions in respect of the Permitted Subordinated Obligations) if such amendment or waiver would adversely affect the interests of the New Money Holders without the consent of the New Money Note Agent (acting on the written instructions of all of the New Money Holders).

12.4 Finance Documents

Each Party to this Deed agrees that it shall not agree to any modification to, give its consent under or grant any waiver in respect of the Priorities of Payments or the Obligor Cash Management Services in a manner which would adversely affect the

New Money Holders without the consent of the New Money Note Agent (acting on the written instructions of all of the New Money Holders).

12.5 Disposals

To the extent that any amounts remain outstanding under the New Money Notes or the New Money Facility Agreement and a Liabilities Sale, Distressed Disposal or Debt Disposal would not result in such amounts being paid or repaid in full, the Obligor Security Trustee shall not exercise its rights under Clause 32 (*Distressed Disposals*) of the Obligor Deed of Charge, Clause 30 (*Distressed Disposals*) of the Obligor Deed of Charge (Supplemental) or Clause 30 (*Distressed Disposals*) of this Deed without the consent of the New Money Note Agent.

12.6 Equity Transfer Sellers Entrenched Matters

Each Party to this Deed agrees that any modification to, or consent under or grant of any waiver in respect of any matter under, a Finance Document which is an Equity Transfer Seller Entrenched Matter shall not become effective until each of the Equity Transfer Sellers has approved or is deemed to have approved the Obligor Security Trustee's entry into the relevant modification, consent or waiver in accordance with Clause 12A (*Equity Transfer Sellers Entrenched Matters*).

13. THE OBLIGOR SECURITY TRUSTEE'S POWERS

13.1 Statutory Power of Sale

Notwithstanding any other provision in any Obligor Security Document, (i) the Security shall be enforceable and (ii) the statutory power of sale and of appointing a Receiver and the other statutory powers conferred on mortgagees by Section 101 of the LPA (as varied and extended by this Deed) shall be exercisable by the Obligor Security Trustee at any time following the delivery of an Obligor Enforcement Notice in accordance with Clause 9 (*Enforcement of Obligor Security*) on the basis that this Deed constitutes a mortgage within the meaning of the LPA and the Obligor Security Trustee is a mortgagee exercising the power of sale conferred on mortgagees by the LPA with limited title guarantee.

13.2 Amounts Due

Notwithstanding any other provision of this Deed:

13.2.1 all amounts comprising the Obligor Secured Liabilities shall become due for the purposes of Section 101 of the LPA on the date of this Deed; and

13.2.2 the statutory power of sale and of appointing a Receiver and the other statutory powers conferred on mortgagees by Section 101 of the LPA (as varied and extended by this Deed) shall be deemed to arise on the date of this Deed but shall only become enforceable in accordance with Clause 13.1 (*Statutory Power of Sale*) above.

13.3 Powers Additional to the LPA

The powers conferred by any Obligor Security Document in relation to the Charged Property on the Obligor Security Trustee or any Receiver shall be in addition to those conferred on any mortgagees or receivers under the LPA. If there is any ambiguity or conflict between the powers contained in the LPA and those conferred by any Obligor

Security Document, the terms of the relevant Obligor Security Document shall prevail. In particular:

- 13.3.1 the statutory powers of leasing conferred on the Obligor Security Trustee are extended so as to authorise the Obligor Security Trustee to lease, make agreements for leases, accept surrenders of leases and grant options as the Obligor Security Trustee may think fit and without the need to comply with any provision of Section 99 or Section 100 of the LPA; and
- 13.3.2 the provisions of the LPA relating to the power of sale and the other powers conferred by Sections 101(1) and (2) of the LPA are hereby extended in relation to each Obligor and Holding Obligor (as if such extensions were contained therein) to authorise the Obligor Security Trustee at its absolute discretion at any time following the delivery of an Obligor Enforcement Notice and subject to the Obligor Security Trustee being satisfied as to the indemnification and/or security available to it in relation to the exercise of such powers:
- (a) to make demand in the name of the Secured Participants or in its own right for any moneys and liabilities in respect of the Charged Property;
 - (b) to sell each Obligor's and each Holding Obligor's title to or interest in the Charged Property, and to do so for any shares, debentures or other securities whatsoever, or in consideration of an agreement to pay all or part of the purchase price at a later date or dates, or an agreement to make periodical payments, whether or not such agreement is secured or guaranteed, or for such other consideration whatsoever as the Obligor Security Trustee may think fit, and also to grant any option to purchase, and to effect exchanges of, any of the Charged Property;
 - (c) with a view to or in connection with the sale of the Charged Property, to carry out any transaction, scheme or arrangement which the Obligor Security Trustee may, in its absolute discretion, consider appropriate;
 - (d) to insure the Charged Property against such risks and for such amounts as the Obligor Security Trustee may decide; and
 - (e) to do all or any of the things or exercise all or any of the powers which are mentioned or referred to in Clause 14.8 (*Powers of a Receiver*) as if each of them was expressly conferred on the Obligor Security Trustee by this Deed, and which may not be included in paragraphs (a) to (d) above,

provided that the Obligor Security Trustee shall be under no obligation to exercise such powers unless it has received any instructions as it may require to its satisfaction and has been indemnified and/or secured and/or pre-funded as it may require to its satisfaction.

13.4 **Delegation to Receiver**

In addition and without prejudice to any of its statutory powers, the Obligor Security Trustee may at any time by deed delegate to the Receiver all or any of the extended powers of leasing, surrendering or accepting surrenders of leases conferred on the Obligor Security Trustee by the Obligor Security Documents.

13.5 Insurance

Without prejudice to Clause 4 (*Insurances*), the Obligor Security Trustee shall have the power to insure against any liabilities or obligations arising:

- 13.5.1 as a result of the Obligor Security Trustee acting or failing to act in a certain way (other than which may arise from its fraud, gross negligence or wilful default or that of its officers or employees);
- 13.5.2 as a result of any act or failure to act by any person or persons to whom the Obligor Security Trustee has delegated any of its trusts, rights, powers, duties, authorities or discretions, or appointed as its agent (other than which may arise from such person's fraud, gross negligence or wilful default);
- 13.5.3 in connection with the Charged Property; or
- 13.5.4 in connection with or arising from the enforcement of the Security.

The Obligor Security Trustee shall not be under any obligation to insure in respect of such liabilities and/or obligations or to require any other person to maintain or monitor the adequacy of any such insurance and the Obligor Security Trustee shall not be responsible for any liability or inconvenience suffered by any person as a result of the lack of or inadequacy of any such insurance. However, to the extent that the Obligor Security Trustee does so insure, each relevant Obligor and Holding Obligor shall quarterly and on written request pay all insurance premiums and expenses which the Obligor Security Trustee may properly incur in relation to such insurance.

13.6 Application to the Court

The Obligor Security Trustee may, at any time after the delivery of an Obligor Enforcement Notice (i) apply to the court for an order that the powers and trusts of this Deed be exercised or carried into execution under the direction of the court and for the appointment of a Receiver of the Charged Property or any part thereof (to the extent the appointment of such Receiver requires an order of the court) and for any other order in relation to the execution and administration of the powers and trusts hereof as the Obligor Security Trustee shall deem expedient; and (ii) appoint a Receiver of the Charged Property or any part thereof (to the extent the appointment of such Receiver does not require an order of the court), and it may assent to or approve any application to the court made at the instance of any of the Secured Participants.

13.7 Eligible Investments

Moneys held by the Obligor Security Trustee under the trusts of this Deed may be invested in its name or under its control in any Eligible Investments and the Obligor Security Trustee may at any time vary or transfer any of such Eligible Investments for or into any other Eligible Investments as the Obligor Security Trustee at its absolute discretion may determine, and will not be responsible for any resulting loss whether by depreciation in value, change in exchange rates or otherwise. If a bank or institution with which any monies placed on deposit in accordance with this Clause 13.7 is the Obligor Security Trustee or an Affiliate of the Obligor Security Trustee, the Obligor Security Trustee need only account for an amount of interest equal to the standard amount of interest payable by it on such a deposit to an independent customer.

13.8 Section 103 of the LPA: Section 103 of the LPA shall not apply to this Deed.

13.9 **Protection of Third Parties**

No purchaser from or other person dealing with the Obligor Security Trustee and/or any Receiver shall be concerned to enquire:

13.9.1 whether any of the powers which they have exercised or purported to exercise has arisen or become exercisable; or

13.9.2 whether any Obligor Secured Liabilities remain outstanding; or

13.9.3 whether any event has happened to authorise the Obligor Security Trustee and/or such Receiver to act; or

13.9.4 as to the propriety or validity of the exercise or purported exercise of any such power, and the title and position of such a purchaser or other persons shall not be impeachable by reference to any of those matters and the protections contained in Sections 104 to 107 of the LPA shall apply to any person purchasing from or dealing with a Receiver or the Obligor Security Trustee.

13.10 **Adequacy of Security**

The Obligor Security Trustee shall not be responsible for assessing the suitability, adequacy or fitness of the Obligor Security as security for the Obligor Secured Liabilities and the Obligor Security Trustee shall have no obligations to ensure that the Obligor Security is valid, enforceable or to monitor the performance of any person or asset in relation to the Obligor Security.

13.11 **Documents and Reports**

The Obligor Security Trustee shall receive documents, accounts and reports from the Borrower or the Obligors or the Holding Obligors for information purposes only and shall not be responsible for preparing or checking the contents of the same.

14. **RECEIVER**

14.1 **Appointment**

At any time after the delivery of an Obligor Enforcement Notice, the Obligor Security Trustee may in writing appoint one or more persons to be a Receiver of all or part of the Charged Property.

14.2 **Insolvency Act Requirements**

The Obligor Security Trustee shall comply with any requirements under the Insolvency Act that the person appointed to be a Receiver be a licensed insolvency practitioner.

14.3 **Removal and Replacement**

Except as otherwise required by statute, the Obligor Security Trustee may, by writing, remove a Receiver and appoint another in its place or appoint another to act with a Receiver, and the Obligor Security Trustee may apply to the court for an order removing an administrative receiver.

14.4 Extent of Appointment

The exclusion of any part of the Charged Property from the appointment of the Receiver shall not preclude the Obligor Security Trustee from subsequently extending its appointment (or that of the Receiver replacing it) to that part of the Charged Property or appointing another Receiver over any other part of the Charged Property. If the Obligor Security Trustee appoints more than one person as Receiver, the Receivers may act either jointly or severally.

14.5 Statutory Powers of Appointments

The power of appointing a Receiver shall be in addition to all statutory and other powers of appointment of the Obligor Security Trustee under the LPA (as extended by this Deed) or otherwise and such powers shall remain exercisable from time to time by the Obligor Security Trustee in respect of the Charged Property.

14.6 Agent of the Obligors

Any Receiver shall be the agent of the relevant Obligor or Holding Obligor for all purposes. If a liquidator of any Obligor or Holding Obligor is appointed, the Receiver shall act as principal and not as agent for the Obligor Security Trustee. The relevant Obligor or Holding Obligor alone shall be responsible for the acts, defaults and misconduct of any Receiver and none of the Obligor Security Trustee, nor any other Secured Participant, shall incur any liability therefore and none of the Obligor Security Trustee, nor any other Secured Participant, shall be responsible for any misconduct or negligence on the part of any Receiver. Nevertheless, any Receiver shall, in the exercise of its powers, authorities and discretions conform to any regulations from time to time provided to it in writing by the Obligor Security Trustee. Following its appointment, if requested by the Obligor Security Trustee, the Receiver shall use its best endeavours to agree with the Obligor Security Trustee a plan to dispose of the relevant Obligor's or Holding Obligor's assets.

14.7 Remuneration

The Obligor Security Trustee may determine the remuneration of any Receiver and direct payment of that remuneration out of moneys it receives as Receiver. The Borrower alone shall be liable for the remuneration and all other costs, losses, liabilities and expenses of the Receiver (without being limited to the maximum rate specified in the LPA).

14.8 Powers of a Receiver

In addition to any powers conferred on an administrative or other receiver by statute or common law, a Receiver shall have the following powers (save that where a Receiver has been appointed in respect of a part only of the Charged Property, references below to the Charged Property shall, in respect of such a Receiver, be deemed to be references only to such part of the Charged Property):

- 14.8.1 to take immediate possession of, get in and collect the Charged Property or any part thereof including income whether accrued before or after the date of its appointment;
- 14.8.2 to carry on, manage, concur in or authorise the management of, or appoint a manager of, the whole or any part of the business of any Obligor or Holding Obligor;

- 14.8.4 to sell or concur in selling the whole or any part of any Obligor's or Holding Obligor's business whether as a going concern or otherwise;

- 14.8.7 in connection with the exercise or the proposed exercise of any of its powers or in order to obtain payment of its remuneration (whether or not it is already payable), to borrow or raise money from any person without security or on the security of any of the Charged Property and generally in such manner and on such terms as it may think fit;
- 14.8.8 to bring, defend, submit to arbitration, negotiate, compromise, abandon and settle any claims, disputes and proceedings concerning the Charged Property or any part thereof;
- 14.8.9 to transfer all or any of the Charged Property and/or any of the liabilities of any Obligor or Holding Obligor to any other company or body corporate, whether or not formed or acquired for the purpose and to form a subsidiary or subsidiaries of any Obligor or Holding Obligor; to call up or require the directors of any Obligor or Holding Obligor to call up all or any portion of the uncalled capital for the time being of any Obligor or Holding Obligor and to enforce payment of any call by action (in the name of the relevant Obligor or Holding Obligor or the Receiver as it may think fit);
- 14.8.10 to redeem, discharge or compromise any Security Interest from time to time having priority to or ranking pari passu with this Deed or any other Obligor Security Document;
- 14.8.11 to effect or maintain indemnity insurance and other insurance and obtain bonds and performance guarantees;
- 14.8.12 in connection with the exercise of any of its powers, to execute or do, or cause or authorise to be executed or done, on behalf of or in the name of any Obligor or Holding Obligor or otherwise, as it may think fit, all documents, receipts, registrations, acts or things which it may consider appropriate;
- 14.8.13 to exercise any powers, authorities, discretions, voting, conversion or other rights or entitlements in relation to any of the Charged Property which it would be capable of exercising if it were solely and absolutely entitled to the Charged Property or which are incidental to the ownership of or rights in or to any of the Charged Property;
- 14.8.14 to complete or effect any transaction entered into by any Obligor or Holding Obligor and complete, disclaim, abandon or modify all or any of the outstanding contracts or arrangements of any Obligor or Holding Obligor relating to or affecting the Charged Property;

- 14.8.15 to exercise all powers as are described in Schedules 1 and 2 to the Insolvency Act, whether or not the Receiver is an "**administrative receiver**" as defined in the Insolvency Act;
- 14.8.16 to delegate in any manner to any person, any right, power or discretion exercisable by it under this Deed or any other Obligor Security Document on the terms (including the power to sub-delegate) and subject to any regulations which it may think fit;
- 14.8.17 generally to carry out, or cause or authorise to be carried out, any transaction, scheme or arrangement whatsoever, whether similar or not to any of the foregoing, in relation to the Charged Property which it may consider expedient as effectually as if it were solely and absolutely entitled to the Charged Property;
- 14.8.18 to do all other acts and things which it may consider desirable or necessary for realising any Charged Property or incidental or conducive to any of the rights, powers or discretions conferred on a Receiver under or by virtue of this Deed and to use the name of any Obligor or Holding Obligor for any of purposes set out in this Clause 14.8 (*Powers of a Receiver*); and
- 14.8.19 to pay and discharge out of the profits and income of the relevant Charged Property and the moneys to be made by it in carrying on the business of any Obligor or Holding Obligor the expenses incurred in and about the carrying on and management of the business or in the exercise of any of the powers conferred by this Clause 14.8 (*Powers of a Receiver*) or otherwise in respect of such Charged Property and all outgoings which it shall think fit to pay and to apply the residue of the said profits, income or moneys in accordance with the Obligor Post-Enforcement Priority of Payments (and Sections 109(6) and (8) of the LPA (relating to monies received by a receiver) shall not apply in relation to any Receiver).
- 14.9 The Obligor Security Trustee may pay over to the Receiver any moneys constituting part of the Charged Property to the extent that the same is to be applied by the Receiver in accordance with the Obligor Post-Enforcement Priority of Payments and the Obligor Security Trustee may from time to time determine what funds the Receiver shall be at liberty to keep in hand with a view to the performance of its duties as Receiver.

14.10 **Same Rights as Receiver**

Any rights conferred by any Finance Document upon a Receiver may be exercised by the Obligor Security Trustee, or to the extent permitted by law, an Administrator, after the Security become enforceable, whether or not the Obligor Security Trustee shall have taken possession or appointed a Receiver of the Charged Property.

14.11 **Financial Collateral Arrangement**

To the extent that this Deed constitutes a "**security financial collateral arrangement**" (as defined in the Financial Collateral Arrangements (No. 2) Regulations 2003 (the "**Regulations**")), the Obligor Security Trustee shall have the right (at any time after the Security becomes enforceable) to appropriate or procure the appropriation of any Charged Property which constitutes "**financial collateral**" (as defined in the Regulations ("**Financial Collateral**")) in or towards satisfaction of the Obligor Secured Liabilities in accordance with the Regulations. For this purpose, the parties agree that the value of such Financial Collateral so appropriated shall be the market price of the Charged Property determined by the Obligor Security Trustee by reference to a public index or by such other process as the Obligor Security Trustee may select, including

independent valuation. The parties agree that the method of valuation provided for in this Deed shall constitute a commercially reasonable method of valuation for the purposes of the Regulations.

15. ACCESSION

18.2 Moratorium

The floating charge created by this Deed may not be converted into a fixed charge solely by reason of (i) the obtaining of a moratorium, or (ii) anything done with a view to obtaining a moratorium, in each case under the Insolvency Act 2000.

For the purposes of Clause 30.2 (*Facilitation of Distressed Disposals*) and Clause 30.3 (*Form of Consideration for Distressed Disposals and Debt Disposals*) the Obligor Security Trustee shall act:

30.6.1 if the relevant Distressed Disposal is being effected by way of enforcement of the Obligor Security, in accordance with Clause 9 (*Enforcement of Obligor Security*); and

30.6.2 in any other case, on the instructions of the Issuer Trustee acting on the instructions of the Noteholders in accordance with the provisions of the Note Trust Deed or, if Clause 9.2.3 applies, on the instructions of the New Money Note Agent or, if Clause 9.2.4 applies, acting on the instructions of the Issuer Trustee (itself acting on the instructions of the New Money Note Agent (which in turn is acting on the instruction of the New Money Holders)), acting on the instructions of the New Money Holders.

31. POWER OF ATTORNEY

31.1 Appointment

Each Obligor and Holding Obligor by way of security irrevocably appoints the Obligor Security Trustee, every Receiver and every delegate of the Obligor Security Trustee severally as its attorney (the "**Attorneys**") (with full power of substitution), on its behalf

and in its name or otherwise, at any time on and from the service of an Obligor Enforcement Notice and in such manner as the attorney thinks fit:

- 31.1.1 to do anything which that Obligor or Holding Obligor is obliged to do (but has not done) under any Finance Document to which it is party (including to execute charges over, transfers, conveyances, assignments and assurances of, and other instruments, notices, orders and directions relating to, the Charged Property); and
- 31.1.2 to exercise any of the rights conferred on the Obligor Security Trustee, any Receiver or any delegate of the Obligor Security Trustee in relation to the Charged Property or under any Finance Document over which Obligor Security is taken.

31.2 Indemnity in Favour of Attorneys

Each Obligor and Holding Obligor irrevocably and unconditionally undertakes to indemnify the Attorneys and any substitute appointed from time to time by the Attorneys against all actions, proceedings, claims, costs, expenses and liabilities of every description arising from the proper exercise, or the proper purported exercise, of any of the powers conferred by the power of attorney created by this Clause 31 (*Power of Attorney*) provided that each Obligor and Holding Obligor shall not be obliged to indemnify the Attorneys or, as the case may be, such substitute against any such actions, proceedings, claims, costs, expenses or liabilities which arise as a result of the Attorneys' or such substitute's negligence, fraud or wilful default.

31.3 Substitution

Each of the Attorneys may appoint one or more persons to act as substitute or substitutes in its place for all or any of the purposes referred to in the power of attorney created by this Clause 31 (*Power of Attorney*) and may revoke any such appointment at any time.

31.4 Delegation

Each of the Attorneys may delegate to one or more persons all or any of the powers referred to in Clause 31.1 (*Appointment*) above on such terms as it thinks fit and may revoke any such delegation at any time.

31.5 Ratification

Each Obligor and Holding Obligor ratifies and confirms and agrees to ratify and confirm whatever any such attorney shall do in the exercise or purported exercise of the power of attorney granted by it in Clause 31.1 (*Appointment*).

32. SUBSEQUENT SECURITY INTERESTS

If the Obligor Security Trustee (acting in its capacity as trustee or otherwise) or any of the other Secured Participants at any time receives or is deemed to have received notice of any subsequent Security Interest affecting all or any part of the Charged Property or any assignment, assignation, conveyance or transfer of the Charged Property which is prohibited by the terms of this Deed or any other Finance Document, all payments thereafter by or on behalf of the relevant Obligor or Holding Obligor to the Obligor Security Trustee (whether in its capacity as trustee or otherwise) or any of the other Secured Participants shall be treated as having been credited to a new account of such Obligor or Holding Obligor. If the Obligor Security Trustee does not open a new account it shall nevertheless be treated as if it had done so at the time when it received

or was deemed to have received notice and as from that time, all payments made to the Obligor Security Trustee shall be credited or be treated as having been credited to the new account and not as having been applied in reduction of the Obligor Secured Liabilities as at the time when the Obligor Security Trustee received such notice.

33. CURRENCY INDEMNITY

33.1 Currency Indemnity

33.1.1 Each Obligor and Holding Obligor jointly and severally indemnifies the Obligor Security Trustee on demand against any loss or liability which the Obligor Security Trustee properly incurs as a consequence of:

- (a) the Obligor Security Trustee receiving an amount in respect of an Obligor's or Holding Obligor's liability under the Finance Documents; or
- (b) that liability being converted into a claim, proof, judgment or order; or
- (c) in a currency other than the currency in which the amount is expressed to be payable under the relevant Finance Document.

33.1.2 Unless otherwise required by law, each Obligor and Holding Obligor waives any right it may have in any jurisdiction to pay any amount under the Finance Documents in a currency other than that in which it is expressed to be payable.

33.2 Waiver

Each Obligor and Holding Obligor waives any right it may have in any jurisdiction to pay any amount under this Deed in a currency or currency unit other than that in which it is expressed to be payable.

34. STAMP DUTY

The Borrower shall pay and, within 3 Business Days of demand, indemnify each Secured Participant against all stamp duty, registration taxes or any similar duties or taxes (including any interest and penalties on or in connection with any failure to pay or delay in paying such duties or taxes) required to be paid with respect to the execution of the Finance Documents or any document supplemental to any Finance Document.

35. VAT

Clause 4.16 (*VAT and double counting*) of the Restructuring Definitions Schedule shall apply to this Deed, where applicable, and shall be binding on the parties to this Deed as if set out in full in this Deed. If a provision of this Deed relating to VAT is inconsistent with the provisions of Clause 4.16 (*VAT and double counting*) of the Restructuring Definitions Schedule, the provisions of Clause 4.16 (*VAT and double counting*) of the Restructuring Definitions Schedule shall prevail.

36. WINDING UP OF TRUST

If each Secured Participant other than the Obligor Security Trustee has confirmed in writing to the Obligor Security Trustee that its Obligor Secured Liabilities have been irrevocably discharged in full and that it is not under any further actual or contingent obligation to make advances or provide other financial accommodation to the Obligors

and Holding Obligors under any of the Finance Documents, the trusts created in this Deed will be wound up.

37. **COMMUNICATIONS**

- (a) Subject to paragraph (b) below, all communications relating to this Deed shall be made in accordance with Clause 3 (*Notices*) of the Restructuring Definitions Schedule.
- (b) The Parties agree that any notice or written instruction from the New Money Majority Holders (or from any New Money Holder in respect of such notice or written instruction) under any Finance Document may be made by email and such communication will be effective when received, provided that if such communication is received after 5.00 p.m. in the place of receipt it shall be deemed only to become effective on the following day.

38. **SAVINGS PROVISIONS**

38.1 **Continuing Security**

Subject to Clause 7.1 (*Final Redemption*), the Obligor Security, acknowledgements, undertakings, Obligor Guarantees, any guarantee under the New Money Note Agreement and provisions of this Deed shall remain in force as continuing Security Interests and will extend to the ultimate balance of the Obligor Secured Liabilities, respectively, regardless of any intermediate payment or discharge in whole or in part.

38.2 **No Release**

No assurance, security or payment which may be avoided or adjusted under the law, including under any enactment relating to bankruptcy or insolvency and no release, settlement or discharge given or made by the Obligor Security Trustee, or any Secured Participant on the faith of any such assurance, security or payment, shall prejudice or affect the right of the Obligor Security Trustee, or any Secured Participant to recover the Obligor Secured Liabilities from the relevant Obligor or Holding Obligor (including any monies which it may be compelled to pay or refund under the provisions of the Insolvency Act and any costs payable by it pursuant to or otherwise incurred in connection therewith) or to enforce the Security to the full extent of the Obligor Secured Liabilities.

38.3 **Reinstatement**

If any discharge, release or arrangement (whether in respect of the obligations of any Obligor or Holding Obligor or any security for those obligations or otherwise) is made by the Obligor Security Trustee in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of each Obligor and each Holding Obligor and the Security Interests shall continue or be reinstated as if the discharge, release or arrangement had not occurred.

38.4 **Waiver of Defences**

None of the obligations of any Obligor or Holding Obligor under any Obligor Security Document, any Security Interest, the Obligor Guarantee or any guarantee under the New Money Note Agreement will be affected by an act, omission, matter or thing which, but for this Clause 38.4, would reduce, release or prejudice any of its obligations under

any Finance Document, any of the Security Interests, the Obligor Guarantee or any guarantee under the New Money Note Agreement (without limitation and whether or not known to it, the Obligor Security Trustee) including:

- 38.4.1 any time, waiver or consent granted to, or composition with, any Obligor or Holding Obligor or other person;
- 38.4.2 the release of any Obligor or Holding Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Security Group or any other person;
- 38.4.3 the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Obligor or Holding Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- 38.4.4 any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor or Holding Obligor or any other person;
- 38.4.5 any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of any Finance Document or any other document or security including without limitation any change in the purpose of, any extension of or any increase in any facility or the addition of any new facility under any Finance Document or other document or security;
- 38.4.6 any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
- 38.4.7 any insolvency or similar proceedings.

38.5 Immediate Recourse

Each Obligor and Holding Obligor waives any right it may have of first requiring the Obligor Security Trustee (or any trustee or agent on any of the Obligor Security Trustee's behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Obligor or Holding Obligor under any Obligor Security Document. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

38.6 Appropriations

Until all the Obligor Secured Liabilities have been irrevocably paid in full and all facilities which might give rise to Obligor Secured Liabilities have terminated, the Obligor Security Trustee (or any trustee or agent on any of the Obligor Security Trustee's behalf) may, subject to the terms of this Deed:

- 38.6.1 refrain from applying or enforcing any other moneys, security or rights held or received by the Obligor Security Trustee or Agent in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Obligor or Holding Obligor shall be entitled to the benefit of the same; and

- 38.6.2 hold in an interest-bearing suspense account any moneys received from any Obligor or Holding Obligor or on account of any Obligor's or Holding Obligor's liability under any Obligor Security Document.

38.7 Deferral of Obligors' Rights

Until all the Obligor Secured Liabilities have been irrevocably paid in full and all facilities which might give rise to Obligor Secured Liabilities have terminated, and unless the Obligor Security Trustee otherwise directs, no Obligor or Holding Obligor will exercise any rights which it may have by reason of performance by it of its obligations under the Finance Documents or by reason of any amount being payable, or liability arising, under any Obligor Security Document:

- 38.7.1 to be indemnified by an Obligor or Holding Obligor;
- 38.7.2 to claim any contribution from any other provider of a Security Interest for or guarantor of any Obligor's or Holding Obligor's obligations under the Finance Documents;
- 38.7.3 to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Obligor Security Trustee under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by the Obligor Security Trustee;
- 38.7.4 to bring legal or other proceedings for an order requiring any Obligor or Holding Obligor to make any payment, or perform any obligation, in respect of which any Obligor or Holding Obligor has given a guarantee, undertaking or indemnity;
- 38.7.5 to exercise any right of set-off against any Obligor or Holding Obligor; and/or
- 38.7.6 to claim or prove as a creditor of any Obligor or Holding Obligor in competition with the Obligor Security Trustee.

If the Obligor or Holding Obligor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Obligor Security Trustee by the Obligors or Holding Obligors under or in connection with the Finance Documents to be repaid in full on trust for the Obligor Security Trustee and shall promptly pay or transfer the same to the Obligor Security Trustee or as the Obligor Security Trustee may direct for application in accordance with this Deed.

38.8 Additional Security Interests

The Security Interests, the Obligor Guarantee and any guarantee under the New Money Note Agreement are in addition to and are not in any way prejudiced by any other guarantees or security now or subsequently held by any Secured Participant.

39. SET OFF

Each Obligor and Holding Obligor hereby authorises the Obligor Security Trustee to (but without imposing any obligation to do so) at any time following the delivery of an Obligor Enforcement Notice (without notice and notwithstanding any settlement of account or other matter whatsoever) combine or consolidate all or any existing accounts of any Obligor or Holding Obligor whether in its own name or jointly with others and held by it or any Secured Participant and may set off or transfer all or any part of any credit balance or any sum standing to the credit of any such account

(whether or not the same is due to such Obligor or Holding Obligor from the Obligor Security Trustee or relevant Secured Participant and whether or not the credit balance and the account in debit or the Obligor Secured Liabilities are expressed in the same currency in which case the Obligor Security Trustee is hereby authorised to effect any necessary conversions at the prevailing rates of exchange) in or towards satisfaction of any of the Obligor Secured Liabilities and the Obligor Security Trustee may (but shall not be obliged to) in its absolute discretion estimate the amount of any liability of such Obligor or Holding Obligor which is contingent or unascertained and thereafter set off such estimated amount and no amount shall be payable by the Obligor Security Trustee to such Obligor or Holding Obligor unless and until all Obligor Secured Liabilities have been ascertained and fully repaid or discharged.

40. RIGHTS AND DETERMINATIONS

40.1 Ambiguity

The powers conferred by this Deed in relation to the Security or any part thereof on the Obligor Security Trustee or on any Receiver of the Charged Property or any part thereof shall be in addition to and not in substitution for the powers conferred on mortgagees or receivers under the LPA and the Insolvency Act 1986 and where there is any ambiguity or conflict between the rights conferred by law and those conferred by or pursuant to any Finance Document, the terms of that Finance Document shall prevail.

40.2 Certificates and Determinations

40.2.1 Any certification or determination by the Obligor Security Trustee, or any Receiver or Delegate under any Finance Document is, in the absence of manifest error, conclusive evidence of the matters to which it relates.

40.2.2 Any right, power or discretion which may be exercised or any determination which may be made hereunder by the Obligor Security Trustee may be exercised or made without any obligation to give reasons therefor, but in any event in accordance with and subject to the provisions of this Deed.

41. JOINT AND SEVERAL LIABILITY OF THE OBLIGORS

The liability of each Obligor and Holding Obligor under this Deed shall be joint and several. Each agreement and undertaking of any Obligor or Holding Obligor shall be construed accordingly.

42. FURTHER PROVISIONS

42.1 Evidence of Indebtedness

In any action, proceedings or claim relating to any Obligor Security Document or the Security Interests created by any Obligor Security Document, a statement as to any amount due to any Secured Participant or of the Obligor Secured Liabilities or any part thereof or a statement of any amounts which have been notified to the Obligor Security Trustee as being amounts due to any Secured Participant which is certified as being correct by an officer of the relevant Secured Participant shall, save in the case of manifest error, be conclusive evidence that such amount is in fact due and payable.

42.2 Demands and Payments

Any demand for payment made by the Obligor Security Trustee shall be valid and effective even if it contains no statement of the relevant Obligor Secured Liabilities or an inaccurate or incomplete statement of them. All payments by any Obligor or Holding Obligor under any Obligor Security Document (including damages for its breach) in respect of an Obligor Secured Liability shall be made in Sterling for such Obligor Secured Liability (except to the extent provided for otherwise in the relevant Obligor Security Document) and to such account, with such financial institution and in such other manner as the Obligor Security Trustee may direct.

42.3 Indemnities Separate

Each indemnity in any Obligor Security Document shall constitute a separate and independent obligation from the other obligations in this Deed, will give rise to a separate and independent cause of action, will apply irrespective of any indulgence granted by the Obligor Security Trustee, and/or any Receiver and/or any other Secured Participant and will continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due under this Deed or any other Finance Document or any other judgment or order.

42.4 Contracts (Rights of Third Parties) Act 1999

A person who is not a party to this Deed has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Deed.

42.5 Notices

All communications relating to this Deed shall be made in accordance with Clause 3 (*Notices*) of the Restructuring Definitions Schedule.

42.6 Counterparts

This Deed may be executed manually or by facsimile in any number of counterparts and this has the same effect as if the signatures on the counterparts were on a single copy of this Deed.

42.7 Assignment by an Obligor

No Obligor or Holding Obligor may assign any of its rights or transfer any of its rights or obligations under this Deed.

42.8 Assignment by the Obligor Security Trustee

The Obligor Security Trustee may assign and transfer all or any of its rights and obligations under this Deed to a replacement Obligor Security Trustee appointed in accordance with the terms this Deed. Upon such assignment and transfer taking effect, the replacement Obligor Security Trustee will be, and will be deemed to be acting as trustee for itself and for each of the other Secured Participants for the purposes of this Deed in place of the old Obligor Security Trustee.

42.9 Variation

Any variation, waiver or amendment to this Deed is valid only if it is made in accordance with Clause 4.3 (*Amendments*) of the Restructuring Definitions Schedule.

43. **GOVERNING LAW AND JURISDICTION**

43.1 **Governing Law**

This Deed and any non-contractual obligations arising from this Deed shall be governed by, and shall be construed in accordance with, the laws of England and Wales.

43.2 **Jurisdiction**

- (a) Any dispute, claim, difference or controversy arising out of, relating to or having any connection with this Deed (including any dispute as to its existence, validity, interpretation, performance, breach or termination or the consequences of its nullity and any dispute relating to any non-contractual obligations arising out of or in connection with it) (a "**Dispute**") shall be subject to the exclusive jurisdiction of the courts of England and Wales to settle any such Dispute, and each of the parties hereto submits to the exclusive jurisdiction of such courts;
- (b) each of the parties hereto agrees that the courts of England are the most appropriate and convenient courts to settle any Dispute and, accordingly, that it will not argue to the contrary; and
- (c) this Clause 43.2 (*Jurisdiction*) is for the benefit of the Obligor Security Trustee only. As a result, and notwithstanding paragraphs (a) and (b) above, the Obligor Security Trustee may take proceedings relating to a Dispute ("**Proceedings**") in the courts of (a) any jurisdiction in which an Obligor or Holding Obligor is incorporated, or (b) any jurisdiction of the governing law of a Finance Document (concurrently with any other proceedings in the courts of England and Wales to the extent allowed by law) in each case, if such courts have jurisdiction in respect of that Dispute.

43.2.2 Each of the parties to this Deed agrees that a judgment or order of an English or other court, in connection with a Dispute, shall be binding on it and may be enforced against it in the courts of any competent jurisdiction. For the purposes of the foregoing, in respect of any proceedings arising out of or connected with the enforcement and/or execution of any award or judgment made against any of the parties, each of the parties hereby expressly submits to the jurisdiction of any court in which any such proceedings are brought.

44. **NEW MONEY NOTE AGENT AS PARTY TO THIS DEED**

The New Money Note Agent has agreed to become a party to this Deed for the better preservation and enforcement of its rights and the rights of the New Money Holders under the Obligor Security Documents, but shall not have any responsibility for any of the obligations of any other Parties hereunder and the other Parties hereto acknowledge that the New Money Note Agent has no such responsibilities.

- 4.6.1 to any person expressed to be a party to or about to become a party to any Finance Document to the extent required (or, in the case of the Obligor Security Trustee, to the extent it deems it necessary or desirable from the point of view of carrying out its fiduciary duties) for purposes of such party's contractual obligations thereunder or the exercise of such party's rights or fiduciary duties thereunder (subject to the recipient agreeing to confidentiality undertakings substantially in the form of this Clause 4.6 (*Disclosure of Information and Confidentiality*));
- 4.6.2 in connection with any legal or arbitral proceedings arising out of or in connection with such Finance Document or the preservation or maintenance of its rights thereunder;

4.7 Obligors Non-Petition

- 4.7.1 The Obligor Security Trustee (on behalf of itself and the Secured Participants) shall initially have recourse only to the assets on which the liabilities of each Obligor are secured pursuant to the Obligor Security Documents. If the Obligor Security Trustee realises the same and the net proceeds are insufficient for each Obligor to make all payments which are then due to the Secured Participants under the Finance Documents that remaining amount shall remain outstanding as a debt due from the Obligor but the Obligor Security Trustee (on behalf of itself and the Secured Participants), or anyone acting on the behalf of the Secured Participants,

shall not be entitled to take any further steps against any Obligor to recover that debt other than proving for that debt as a creditor in the event that the Obligor is wound up or subject to an analogous procedure.

- 4.7.2** No Secured Participant may take any corporate action or other steps or legal proceedings for the winding-up, dissolution, arrangement, reconstruction or reorganisation of any Obligor or for the appointment of a liquidator, receiver, administrative receiver, administrator, trustee, manager or similar officer in respect of any Obligor or over any or all of the assets or undertaking of any Obligor, save as permitted by the Finance Documents provided that where the Obligor is subject to such proceedings the Secured Participant may prove or claim for all outstanding amounts owed to it.
- 4.7.3** The Secured Participants acknowledge that the Obligor Security Trustee shall not be bound to take any steps or institute any proceedings after the service of an Obligor Enforcement Notice or take any other action to enforce the Obligor Security unless the Obligor Security Trustee shall have been indemnified and/or secured and/or prefunded to its satisfaction against all actions, proceedings, claims and demands to which it may thereby render itself liable and all costs, charges, damages and expenses which it may incur by so doing.
- 4.7.4** Each Subordinated Obligations Participant acknowledges and agrees to be bound by each of the provisions of each of the Clauses 4.7.1 to 4.7.3 (*Obligors Non-petition*) above, *mutatis mutandis*.

4.8 Issuer Limited Recourse and Non-Petition

- 4.8.1** The Issuer Trustee (on behalf of itself and the Issuer Secured Participants) shall have recourse only to the assets on which the liabilities of the Issuer are secured pursuant to the Issuer Security Documents. If the Issuer Trustee realises the same and the net proceeds are insufficient for the Issuer Trustee to make all payments which, but for the effect of this Clause 4.8.1 would then be due to the Issuer Secured Participants under the Issuer Documents, the obligations of the Issuer to make such payments will be limited to such net proceeds of realisation. The Issuer Trustee (on behalf of itself and the Issuer Secured Participants), or anyone acting on the behalf of the Issuer Secured Participants, shall not be entitled to take any further steps against the Issuer to recover any further sum, any claim of any Issuer Secured Participant for any residual amount owing to it shall be extinguished and no debt shall be owed to it by the Issuer.
- 4.8.2** No Issuer Secured Participant may take any corporate action or other steps or legal proceedings for the winding-up, dissolution, arrangement, reconstruction or reorganisation of the Issuer or for the appointment of a liquidator, receiver, administrative receiver, administrator, trustee, manager or similar officer in respect of the Issuer or over any or all of the assets or undertaking of the Issuer, save as permitted by the Issuer Documents.
- 4.8.3** The Issuer Secured Participants acknowledge that the Issuer Trustee shall not be bound to take any steps or institute any proceedings after the service of an Issuer Enforcement Notice or take any other action to enforce the Issuer Security unless the Issuer Trustee shall have been indemnified and/or secured and/or pre-funded to its satisfaction against all actions, proceedings, claims and demands to which it may thereby render itself liable and all costs, charges, damages and expenses

which it may incur by so doing. For the avoidance of doubt, the Issuer Trustee shall not be in any way responsible for the proceeds of realisation on enforcement of the Issuer Security.

4.9 Entire Agreement

The Finance Documents contain the whole agreement between the parties thereto relating to the subject matter of the Finance Documents to the exclusion of any terms implied by law which may be excluded by contract. Each Party acknowledges that it has not been induced to enter into any Finance Document to which it is a party by any representation, warranty or undertaking not expressly incorporated into it. So far as permitted by law and except in the case of fraud, each Party agrees and acknowledges that its only rights and remedies in relation to any representation, warranty or undertaking made or given in connection with the Finance Documents shall be for breach of the terms of the Finance Documents or as otherwise provided therein, to the exclusion of all other rights and remedies (including those in tort or arising under statute). In this Clause 4.9 (*Entire Agreement*) "the Finance Documents" include all documents entered into pursuant to the Finance Documents.

communication and any other communication, document or notice received by it to the Secured Participants or any of them.

3.4 The Borrower as Security Group agent

3.4.1 Each Obligor and each Holding Obligor irrevocably appoints the Borrower as its attorney under the Finance Documents with effect from the date hereof to give and receive all communications, to make such amendments and to effect, through the execution, delivery and perfection of the requisite documentation, the relevant amendments, supplements and variations on behalf of any Obligor and any Holding Obligor (notwithstanding that they may affect any such Obligor or Holding Obligor), without reference to or the consent of the relevant Obligor or Holding Obligor and which shall be binding on each Obligor and each Holding Obligor.

3.4.2 Each Obligor and each Holding Obligor irrevocably appoints the Borrower to sign Compliance Certificates, Investor Reports and such other certificates as may be required of the Obligors and Holding Obligors or any of them from time to time under the Finance Documents (the "**Certificates**"), it being acknowledged and agreed by all Parties that:

- (i) all such Certificates shall be signed by two directors of the Borrower in their capacity as directors of the Borrower;
- (ii) that such directors shall only sign such Certificates having made due and careful enquiry of each Obligor and each Holding Obligor as to the accuracy and completeness of all statements contained in such Certificates; and

3.5 Notice of Obligor Security and Issuer Security

3.5.1 Each of the Obligors, Holding Obligor and the Obligor Security Trustee hereby gives notice to each party to this Agreement of the assignment to the Obligor

Security Trustee of all of the rights present and future (including any beneficial interest) of such Obligor and Holding Obligor in each Finance Document. Each party to this Agreement acknowledges that it has notice that each Obligor and each Holding Obligor has assigned all its rights, title and interest (including any beneficial interest) under each Finance Document to the Issuer Trustee; and

- 3.5.2** Each of the Issuer and the Issuer Trustee hereby gives notice to each party to this Agreement of the assignment to the Issuer Trustee of all of the rights present and future (including any beneficial interest) of the Issuer in each Issuer Document. Each party to this Agreement acknowledges that it has notice that the Issuer has assigned all its rights, title and interest (including any beneficial interest) under each Issuer Document to the Issuer Trustee.

4 Common Provisions

Each of the parties hereto agrees that any agreement, deed or other document expressly incorporating the Common Provisions incorporates the following terms:

4.1 Partial Invalidity

Should any provision contained in any Finance Document be or become invalid, illegal, unenforceable or incomplete in any jurisdiction, the validity, legality and enforceability of the remaining provisions (or of such provision in any other jurisdiction) shall not in any way be affected or impaired thereby with respect to any Party to the fullest extent legally possible. The Parties shall negotiate in good faith with the aim to replace such invalid, illegal, unenforceable or incomplete provision with a provision which comes as close as legally possible to the commercial intentions of the invalid, illegal, unenforceable or incomplete provision.

4.2 Remedies and Waivers

No failure to exercise, nor any delay in exercising, on the part of the Obligor Security Trustee, the Issuer Trustee or any Party, any right or remedy under any Finance Document shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise thereof or the exercise of any other right or remedy. Except as provided differently herein, the rights and remedies herein provided are cumulative and not exclusive of any rights or remedies provided by law or any Finance Document.

4.3 Amendments

- 4.3.1** No variation, waiver or amendment of any Finance Document will be effective unless it is given in accordance with the Obligor Deed of Charge, the Obligor Deed of Charge (Supplemental) or the Second Supplemental Obligor Deed of Charge and entered into in writing by each party to such Finance Document whose consent is required under that Finance Document (and for the avoidance of doubt if a Finance Document does not contain specific consent requirements, the consent of each of the parties to such Finance Document shall be deemed to be required) (reasonable notice thereof having been given thereto such that they have reasonably sufficient time to consider the same).
- 4.3.2** In the event that any amendments to a Finance Document are requested by the Borrower or the Issuer as a consequence of an amendment to another Finance

Document following a vote of the Noteholders, reasonable notice thereof shall be given to the parties to the relevant Finance Document such that they shall have reasonably sufficient time to consider the same.

- 4.3.3** No variation, waiver or amendment of any Issuer Document will be effective unless it is made in accordance with the Note Trust Deed and the Conditions;

4.4 Further Assurance

Each Party agrees that it will co-operate fully to do all such further acts and things and execute any further documents as may be necessary to give full effect to the arrangements contemplated by each Finance Document to which such Party is party.

4.5 Change of Relevant Person

In the event that there is any change in the identity of the Obligor Account Bank, Obligor Cash Manager, the Issuer Account Bank, the Issuer Cash Manager, the Obligor Security Trustee or the Issuer Trustee (in this Clause 4.5 (*Change of Relevant Person*), the "**Relevant Person**") in accordance with the provisions of the applicable Finance Document, the retiring Relevant Person and the other Parties to this Agreement shall each execute such documents and take such actions as the incoming Relevant Person may reasonably require for the purpose of vesting in the incoming Relevant Person the rights of the Relevant Person under any Finance Document and, if so determined by the new Relevant Person, releasing the retiring Relevant Person from further obligations thereunder.

4.6 Disclosure of Information and Confidentiality

None of the Parties shall, during the continuance of any Finance Document to which it is a party, or after its termination, disclose to any person (except with the written consent of each other Party to such Finance Document) any Finance Document to which it is a party or any information which that Party has acquired under or in connection with any Finance Document other than:

- 4.6.1** to any person expressed to be a party to or about to become a party to any Finance Document to the extent required (or, in the case of the Obligor Security Trustee, to the extent it deems it necessary or desirable from the point of view of carrying out its fiduciary duties) for purposes of such party's contractual obligations thereunder or the exercise of such party's rights or fiduciary duties thereunder (subject to the recipient agreeing to confidentiality undertakings substantially in the form of this Clause 4.6 (*Disclosure of Information and Confidentiality*));
- 4.6.2** in connection with any legal or arbitral proceedings arising out of or in connection with such Finance Document or the preservation or maintenance of its rights thereunder;
- 4.6.3** where necessary to perform such party's obligations under any document to which it is a party;
- 4.6.4** if required to do so by an order of a court of competent jurisdiction;
- 4.6.5** pursuant to any law or regulation or requirement of any governmental agency in accordance with which that party is required to act;
- 4.6.6** to any governmental, banking or taxation authority of competent jurisdiction;

- 4.6.7 pursuant to any requirement of any stock exchange, Clearing System or listing authority;
- 4.6.8 to employees or officers or agents of any of the parties referred to in Clause 4.6.1 (*Disclosure of Information and Confidentiality*) above any part of whose functions are or may be in any way related to matters connected to such Finance Document;
- 4.6.9 to its auditors or legal or other professional advisors;
- 4.6.10 to the Rating Agencies; or
- 4.6.11 which it is necessary or desirable to provide to Noteholders or to prospective Noteholders,

provided that the above restriction shall not apply to:

- (i) information already known to a recipient otherwise than in breach of this Clause 4.6 (*Disclosure of Information and Confidentiality*);
- (ii) information also received from another source on terms not requiring it to be kept confidential; and
- (iii) information which is or becomes publicly available otherwise than in breach of this Clause 4.6 (*Disclosure of Information and Confidentiality*).

4.7 Obligors Non-Petition

- 4.7.1 The Obligor Security Trustee (on behalf of itself and the Secured Participants) shall initially have recourse only to the assets on which the liabilities of each Obligor and each Holding Obligor are secured pursuant to the Obligor Security Documents. If the Obligor Security Trustee realises the same and the net proceeds are insufficient for each Obligor and each Holding Obligor to make all payments which are then due to the Secured Participants under the Finance Documents that remaining amount shall remain outstanding as a debt due from the Obligor or Holding Obligor but the Obligor Security Trustee (on behalf of itself and the Secured Participants), or anyone acting on the behalf of the Secured Participants, shall not be entitled to take any further steps against any Obligor or any Holding Obligor to recover that debt other than proving for that debt as a creditor in the event that the Obligor or the Holding Obligor is wound up or subject to an analogous procedure.
- 4.7.2 No Secured Participant may take any corporate action or other steps or legal proceedings for the winding-up, dissolution, arrangement, reconstruction or reorganisation of any Obligor or any Holding Obligor or for the appointment of a liquidator, receiver, administrative receiver, administrator, trustee, manager or similar officer in respect of any Obligor or any Holding Obligor or over any or all of the assets or undertaking of any Obligor or any Holding Obligor, save as permitted by the Finance Documents provided that where the Obligor or the Holding Obligor is subject to such proceedings the Secured Participant may prove or claim for all outstanding amounts owed to it.
- 4.7.3 The Secured Participants acknowledge that the Obligor Security Trustee shall not be bound to take any steps or institute any proceedings after the service of an Obligor Enforcement Notice or take any other action to enforce the Obligor Security unless the Obligor Security Trustee shall have been indemnified and/or secured

and/or prefunded to its satisfaction against all actions, proceedings, claims and demands to which it may thereby render itself liable and all costs, charges, damages and expenses which it may incur by so doing.

- 4.7.4** Each Subordinated Obligations Participant acknowledges and agrees to be bound by each of the provisions of each of the Clauses 4.7.1 to 4.7.3 (*Obligors Non-petition*) above, *mutatis mutandis*.

4.8 Issuer Limited Recourse and Non-Petition

- 4.8.1** The Issuer Trustee (on behalf of itself and the Issuer Secured Participants) shall have recourse only to the assets on which the liabilities of the Issuer are secured pursuant to the Issuer Security Documents. If the Issuer Trustee realises the same and the net proceeds are insufficient for the Issuer Trustee to make all payments which, but for the effect of this Clause 4.8.1 would then be due to the Issuer Secured Participants under the Issuer Documents, the obligations of the Issuer to make such payments will be limited to such net proceeds of realisation. The Issuer Trustee (on behalf of itself and the Issuer Secured Participants), or anyone acting on the behalf of the Issuer Secured Participants, shall not be entitled to take any further steps against the Issuer to recover any further sum, any claim of any Issuer Secured Participant for any residual amount owing to it shall be extinguished and no debt shall be owed to it by the Issuer.
- 4.8.2** No Issuer Secured Participant may take any corporate action or other steps or legal proceedings for the winding-up, dissolution, arrangement, reconstruction or reorganisation of the Issuer or for the appointment of a liquidator, receiver, administrative receiver, administrator, trustee, manager or similar officer in respect of the Issuer or over any or all of the assets or undertaking of the Issuer, save as permitted by the Issuer Documents.
- 4.8.3** The Issuer Secured Participants acknowledge that the Issuer Trustee shall not be bound to take any steps or institute any proceedings after the service of an Issuer Enforcement Notice or take any other action to enforce the Issuer Security unless the Issuer Trustee shall have been indemnified and/or secured and/or pre-funded to its satisfaction against all actions, proceedings, claims and demands to which it may thereby render itself liable and all costs, charges, damages and expenses which it may incur by so doing. For the avoidance of doubt, the Issuer Trustee shall not be in any way responsible for the proceeds of realisation on enforcement of the Issuer Security.

4.9 Entire Agreement

The Finance Documents contain the whole agreement between the parties thereto relating to the subject matter of the Finance Documents to the exclusion of any terms implied by law which may be excluded by contract. Each Party acknowledges that it has not been induced to enter into any Finance Document to which it is a party by any representation, warranty or undertaking not expressly incorporated into it. So far as permitted by law and except in the case of fraud, each Party agrees and acknowledges that its only rights and remedies in relation to any representation, warranty or undertaking made or given in connection with the Finance Documents shall be for breach of the terms of the Finance Documents or as otherwise provided therein, to the exclusion of all other rights and remedies (including those in tort or arising under statute). In this Clause 4.9 (*Entire*

Agreement) “the Finance Documents” include all documents entered into pursuant to the Finance Documents.

4.10 Enforcement

All references in any Finance Document to any action, remedy or method of proceeding for the enforcement of the rights of creditors shall be deemed to include, in respect of any jurisdiction other than England and Wales, references to such action, remedy or method of proceeding for the enforcement of the rights of creditors available or appropriate in such jurisdiction as shall most nearly be approximate to such action, remedy or method of proceeding described or referred to in such Finance Document.

4.11 Accession and Release

- 4.11.1** If any Obligor or Holding Obligor wishes any person to become an Obligor or Holding Obligor under the Finance Documents, such person shall accede to the Finance Documents as an Obligor or Holding Obligor (as applicable) pursuant to Clause 17 (*Accession*) of the Obligor Deed of Charge or Clause 15 (*Accession*) of the Obligor Deed of Charge (Supplemental) or Clause 15 (*Accession*) of the Second Supplemental Obligor Deed of Charge;
- 4.11.2** If any Obligor or Holding Obligor is to be released from its obligations under the Finance Documents, such Obligor or Holding Obligor shall only be released from its obligations in accordance with Clause 19 (*Release of Obligors*) of the Obligor Deed of Charge or Clause 17 (*Release of Obligors*) of the Obligor Deed of Charge (Supplemental) or Clause 17 (*Release of Obligors*) of the Second Supplemental Obligor Deed of Charge.
- 4.11.3** If any Obligor or Holding Obligor wishes any person to become a Secured Participant under the Finance Documents (other than an Equity Transfer Seller), such person shall accede to the Finance Documents as a Secured Participant pursuant to Clause 17 (*Accession*) of the Obligor Deed of Charge or Clause 15 (*Accession*) of the Obligor Deed of Charge (Supplemental) or Clause 15 (*Accession*) of the Second Supplemental Obligor Deed of Charge; and
- 4.11.4** If any Obligor or Holding Obligor wishes any person to become a Subordinated Obligations Participant under the Finance Documents, such person shall accede to the Finance Documents as a Subordinated Obligations Participant pursuant to Clause 17 (*Accession*) of the Obligor Deed of Charge or Clause 15 (*Accession*) of the Obligor Deed of Charge (Supplemental) or Clause 15 (*Accession*) of the Second Supplemental Obligor Deed of Charge.

4.12 The Administrative Parties

4.12.1 No Fiduciary Duties

Nothing in the Finance Documents makes an Administrative Party (other than the Obligor Security Trustee or the Issuer Trustee) a trustee or fiduciary for any other Party or any other person. No Administrative Party (other than the Obligor Security Trustee) need hold in trust any moneys paid to it for a Party or be liable to account for interest on those moneys (and the Obligor Security Trustee shall hold such amounts, but not on trust).

4.12.2 Individual Position of an Administrative Party

Each Administrative Party may:

- (i) carry on any business with any Obligor or any Holding Obligor or their respective related entities (including acting as an agent or a trustee for any other financing); and
- (ii) retain any profits or remuneration it receives under the Finance Documents or in relation to any other business it carries on with any Obligor or any Holding Obligor or its related entities.

4.12.3 Consent of the Obligor Security Trustee

In providing its consent or making a determination hereunder the Obligor Security Trustee may take instructions from the Secured Participants to the extent required or permitted and in each case in the manner set out in the Obligor Deed of Charge, the Obligor Deed of Charge (Supplemental) or the Second Supplemental Obligor Deed of Charge.

4.13 Evidence and Determinations

4.13.1 Accounts

Accounts maintained by a Finance Party in connection with the Finance Documents are *prima facie* evidence of the matters to which they relate for the purpose of any litigation or arbitration proceedings.

4.13.2 Certificates and Determinations

Any certification or determination by a Finance Party of a rate or amount under the Finance Documents will be, in the absence of manifest error, conclusive evidence of the matters to which it relates.

 - (a) the occurrence or continuance of any Default;
 - (b) a breach by an Obligor or a Holding Obligor of any of its obligations under a Finance Document;
 - (c) any financial accommodation provided to the Borrower under the ICL Loan not being prepaid in accordance with a notice of prepayment; or
 - (d) any failure by an Obligor or a Holding Obligor to pay any amount due under a Finance Document on its due date, including any loss, liability, fees, expenses, claims or damages resulting from any distribution or redistribution of any amount among the Finance Parties under this Agreement, and/or the Obligor Deed of Charge, the Obligor Deed of Charge (Supplemental) or the Second Supplemental Obligor Deed of Charge or any other Finance Document.

Each Obligor's and each Holding Obligor's liability in each case includes any loss or expense on account of funds borrowed, contracted for or utilised to fund any amount payable under any Finance Document, any amount repaid or prepaid or any relevant financial accommodation.

- (ii) Without prejudice to any indemnity contained in any other Finance Documents, each Obligor and each Holding Obligor shall jointly and severally indemnify within 1 Business Day of first demand, the Obligor Security Trustee against any loss, liability, fees, expenses, claims, charges or damages incurred by the Obligor Security Trustee as a result of:

4.16 VAT and Double Counting

4.16.1 Sums Payable Exclusive of VAT

Any sum set out in any Finance Document as payable, or otherwise payable to a party pursuant to a Finance Document, shall be deemed to be exclusive of any VAT which is or becomes chargeable on any supply or supplies for which that sum (or any part thereof) is the whole or part of the consideration for VAT purposes, except as expressly stated otherwise in a Finance Document.

4.16.2 Payment of Amounts in Respect of VAT

Where:

- (i) any person that is a party to a Finance Document (such person, the **"Supplier"** for the purposes of this Clause 4.16 (*VAT and double counting*)) makes a supply to another person that is also a party to that Finance Document (such person, the **"Recipient"** in relation to that supply for the purposes of this Clause 4.16 (*VAT and double counting*)) for VAT purposes pursuant to that Finance Document;

4.16.3 Costs and Expenses

- (ii) References (including, for the avoidance of doubt, references within definitions) in any Finance Document to any fee, cost, loss, disbursement, commission, damages, expense, charge or other liability incurred by the Issuer, the Issuer Trustee or the Obligor Security Trustee, and in respect of which the Issuer, the Issuer Trustee or the Obligor Security Trustee is to be reimbursed or indemnified by any other person under the terms of, or the amount of which is to be taken into account in any calculation or computation set out in, any Finance Document shall include such part of such fee, cost, loss, disbursement, commission, damages, expense, charge or other liability as represents any VAT payable by the Issuer, the Issuer Trustee or the Obligor Security Trustee in relation to such fee, cost, loss, disbursement, commission, damages, expense, charge or other liability, but to the extent that the Issuer, the Issuer Trustee or the Obligor Security Trustee (as appropriate) obtains a refund (by way of credit or repayment) in respect of such VAT from any relevant Tax Authority, they shall repay to the payer such amount as they, acting in good faith, determine will leave them in no better and no worse position.

4.16.4 VAT Groups

Notwithstanding the foregoing provisions of this Clause 4.16 (*VAT and double counting*), no party to a Finance Document shall be entitled to any amount in respect of VAT under this Clause 4.16 (*VAT and double counting*) to the extent that party has received such amount under any other provision contained in a Finance Document.

4.16.6 Avoidance of Double Counting

Each Finance Party agrees that neither it nor any of its Affiliates shall be entitled to recover amounts from any of the Obligors or any of the Holding Obligors pursuant to an indemnity, compensation or reimbursement provision contained in any of the Finance Documents to the extent that the Finance Party (or one of its Affiliates) has recovered an amount in respect of the same matter giving rise to the claim against the Obligors or the Holding Obligors under the provisions of another Finance Document.

4.17 Amendments and Waivers

4.17.1 Change of Currency

If a change in any currency of a country occurs (including where there is more than one currency or currency unit recognised at the same time as the lawful currency of a country), the Finance Documents will be amended to the extent the relevant parties with the consent of the Borrower (not to be unreasonably withheld or delayed), determines is necessary to reflect the change.

4.17.2 Waivers and Remedies Cumulative
