Notes to the Financial Statements for the year ended 31 January 2022

1. Statutory information

The company is a private company limited by shares and registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. Compliance with applicable reporting framework

The financial statements have been prepared in compliance with FRS 102 Section 1A as it applies to the financial statements for the period and there were no material departures from the reporting standard.

3. Accounting policies

Property, plant and equipment policy

Tangible fixed assets are stated at cost or valuation less depreciation. Depreciation is provided on all tangible fixed assets as follows:

Revenue recognition policy

Turnover from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have transferred to the buyer. Turnover from the rendering of services is recognised by reference to the stage of completion of the contract. The stage of completion of a contract is measured by comparing the costs incurred for work performed to date to the total estimated contract costs.

Foreign currency translation and operations policy

Transactions in foreign currencies are initially recognised at the rate of exchange ruling at the date of the transaction. At the end of each reporting period foreign currency monetary items are translated at the closing rate of exchange. Non-monetary items that are measured at historical cost are translated at the rate ruling at the date of the transaction. All differences are charged to profit or loss.
