1 Accounting policies

Basis of preparation

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (Effective April 2008).

Trading status

The company has not traded during the year.

Consolidation

The company is part of a small group. The company has taken advantage of the exemption provided by section 399 of the Companies Act 2006 and has not prepared group accounts.

Fixed asset investments

Fixed asset investments are stated at historical cost less provision for any diminution in value. The directors have considered the recent general slump in market conditions and believe this to be a temporary reduction in valuation of the company's investment. No provision has therefore been made for any diminution in value.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.
