- 9.1** Any approval of a conflict of interest (other than a conflict of interest of the Investor Directors) pursuant to Article 8 will be subject, in addition to board authorisation pursuant to section 175 of the 2006 Act, to obtaining Investor Consent (except where such conflict is deemed disclosed pursuant to Article 8.3(d)) who may specify that certain conditions be attached to such authorisation. Any such board authorisation

- 9.4 Authorisation is given by the members of the Company for the time being on the terms of these Articles to each director in respect of any direct or indirect interest which conflicts, or possibly may conflict, with the interests of the Company that exists as at the Adoption Date or that subsequently arises because (in either case) the director is or becomes a shareholder, investor or other participant in, lender to, guarantor, director, officer, manager or employee of, or otherwise in any other way interested or concerned in, any member of the Group.

in each case, to the extent added, deducted or taken into account, as the case may be, for the purposes of determining operating profits of the Group before taxation and provided always that in the event that externally funded units still exist in the business at the point of Exit, EBITDA will be taken to mean "internal basis" EBITDA, which is calculated on the basis of EBITDA which would exist should all existing units be internally funded, which shall be as stated in the Certificate of EBITDA;

"Exceptional Items" means any exceptional, one off, non-recurring or extraordinary items as approved by an Investor Majority (acting in good faith);

- (ii) As soon as practicable prior to an Exit, the Valuation Expert shall be instructed by the Board to prepare, on a basis consistent (including in accordance with the same accounting policies and using the same estimation techniques) with the Business Plan, a certificate showing the EBITDA (the **"Certificate of EBITDA"**). and where the number of Relevant Conversion Shares **"Y"** shall be the amount calculated as follows (rounded to the nearest whole number of Shares):

$$Y = ((CI+B) - (XE))/(1-X)$$

"CI" is the number of C Ordinary Shares in issue immediately prior to the Conversion pursuant to this Article;

Where:

"**D**" means the aggregate number of D Ordinary Shares in issue; and

" **ΔE** " means the aggregate number of Equity Shares (excluding for these purposes the D Ordinary Shares and the F Ordinary Shares) in issue after the operation of Article 14.3(e).

17.6 Valuation of Shares

- (a) In the event that a determination of Fair Value or other price at which shares are required to be transferred pursuant to these Articles is required, the Company shall engage and instruct the Valuation Expert (which instructions shall be made as soon as practicable following the time it becomes apparent that a valuation pursuant to this Article 17.6 is required), to give their written opinion as to the price which represents a market value for such Shares as between a willing seller and a willing buyer as if there was a sale of the entire issued share capital of the Company on arm's length terms at the date the Transfer Notice is given or, in the case of a Deemed Transfer Notice, on the date of the relevant Transfer Event.
- (b) In making such determination, the Valuation Expert shall take into account the provisions of Article 14.3(a) but shall not take any account of whether the relevant Shares comprise a majority or a minority interest in the Company nor otherwise make any adjustment to reflect any premium or discount arising in relation to the size of the holding comprised by the relevant Shares, nor the fact that transferability of such Shares is restricted by these Articles.
- (c) The Company shall procure that the Valuation Expert is given all such assistance and access to all such information in its possession or control as the Valuation Expert may reasonably require.

17.7 Compliance

- (a) For the purpose of ensuring (i) that a transfer of Shares is duly authorised under these Articles or (ii) that no circumstances have arisen whereby a Transfer Notice or a Deemed Transfer Notice is required to be or ought to have been given under these Articles or (iii) whether an offer is required to be or ought to have been made under Article 17.4(a)(i), the Board may from time to time require any shareholder or past shareholder or the personal representatives, trustee in bankruptcy, receiver, administrative receiver, liquidator, administrator or similar officer of any shareholder or any person named as transferee in any transfer lodged for registration or such other person as the Board may reasonably believe to have information relevant to such purpose, to furnish to the Company such information and evidence as the Board may reasonably think fit regarding any matter which they deem relevant to such purpose; including (but not limited to) the names, addresses and interests of all persons respectively having interests in the Shares from time to time registered in the holder's name.
- (b) Failing such information or evidence being furnished to enable the Board to determine to its reasonable satisfaction that no such Transfer Notice or Deemed Transfer Notice is required to be or ought to have been given, or that no offer is required to be or ought to have been made under Article 17.4(a)(i),

or that as a result of such information and evidence the Board is reasonably satisfied that such Transfer Notice or Deemed Transfer Notice is required to be or ought to have been given, or that an offer is required to be or ought to have been made under Article 17.4(a)(i):

- (i) where the purpose of the enquiry by the Board was to establish whether a Transfer Notice or a Deemed Transfer Notice is required to be or ought to have been given, then a Transfer Notice or a Deemed Transfer Notice shall be deemed to have been given by the holder of the relevant Shares in respect of such Shares; or
- (ii) where the purpose of the enquiry by the Board was to establish whether an offer is required to be or ought to have been made under Article 17.4(a)(i), then the Shares held by or on behalf of the person or persons connected with each other or acting in concert with each other to whom the Shares have been transferred, shall cease to entitle the holders thereof (or any proxy):
 - (A) to receive notice of any meeting; or
 - (B) to any voting rights (whether on a show of hands or on a poll and whether exercisable at a general meeting of the Company or at a separate meeting of the class in question) otherwise attaching to such Shares; or
 - (C) to any further Shares issued in right of such Shares or in pursuance of an offer made to the relevant holders,
 - (D) to the extent that such person or persons shall only be able to control the percentage of the voting rights, attaching to Shares, which they controlled prior to their obligation arising to procure the making of such offer.
