## STRATEGIC REPORT for the year ended 31 December 2022

The directors present their strategic report for the year ended 31 December 2022.

#### **REVIEW OF BUSINESS**

2022 has been less successful and profitable year for the Company, with sales decreasing by 19%. This is due to the continuing challenges post the pandemic period.

Legislation continues to be of some risk to the Company, in particular the Nutrition and Health Claims Regulations.

The company's Compliance & Regulatory Support Team continues to work with business owners on what is compliant and what they can say in adverts and social media posts.

Forever has a strong sustainability policy and continues to reduce waste and increase recycling.

One of the Company's key measurements of effectiveness of its operations is calculating gross profit margin. The Company's gross profit margin for the year is up on previous years at 71% (2021 - 70%). The company has recorded an operating profit of £417,552 in the current year compared to £722,600 in 2021.

The balance sheet on page 11 shows that the company's net assets at the year-end have increased.

The Company's cash levels have increased by £497,053 from £7,238,467 at the end of 2021 to £7,385,581 at the end of the current financial year.

#### PRINCIPAL RISKS AND UNCERTAINTIES

The Company's activities expose it to several financial risks including credit risk and cash flow risk.

#### Cash flow risk

The Company purchases all its products from the from Forever Direct, a related party of the Company and therefore is exposed to movement in the Euro to Pound Sterling exchange rate. The company minimises the risk of exchange rate fluctuations by operating a currency bank account. The company monitors the Euro exchange rate and purchases when the rate is favourable.

#### Credit risk

The Company's principal financial assets are cash and trade and other receivables.

The Company's credit risk is primarily attributable to its trade receivables. The amounts presented in the balance sheet are net of allowances for doubtful receivables. An allowance for impairment is made where there is an identified loss event which, based on previous experience, is evidence of a reduction in the recoverability of the cash flows.

The Company has no significant concentration of credit risk, with exposure spread over many customers.

#### Liquidity risk

To maintain liquidity to ensure that sufficient funds are available for ongoing operations and future developments, the Company always maintains sufficient cash reserves.

Further details regarding liquidity risk can be found in the note 1 of the financial statements on page 15.

#### Price risk

The price of products may increase due to changes in exchange rates and/or production costs but is mitigated by being part of a Group purchasing arrangement whereby all our prices are set by America and costs are also set by a worldwide pricing structure and thus exposure is reduced.

#### **FUTURE DEVELOPMENTS**

The Directors expect the general level of activity to remain consistent with 2022 in the forthcoming year. This is because of continuing work on encouraging recruitment by business owners and some new products launched.

# STRATEGIC REPORT for the year ended 31 December 2022

#### **GOING CONCERN**

The company's business activities together with the factors likely to affect its future development are set out above. The principal risks and uncertainties of the company are set out above. The directors have considered the financial and cash flow forecasts for a period more than 12 months from the date of signing these financial statements and concluded that income and future cash flows will continue to be derived from the company's principal activity and that the company has sufficient financial resources available for the foreseeable future. Consequently, the directors believe that the company is well placed to manage its business risks and meet its liabilities as they fall due despite the current uncertain economic outlook. Accordingly, they continue to adopt the going concern basis in preparing the annual report and financial statements.

#### ON BEHALF OF THE BOARD:

G E Maughan - Director

14 April 2023

# REPORT OF THE DIRECTORS for the year ended 31 December 2022

The directors present their report with the financial statements of the company for the year ended 31 December 2022.

#### DIVIDENDS

No dividends will be distributed for the year ended 31 December 2022.

#### **DIRECTORS**

The directors shown below have held office during the whole of the period from 1 January 2022 to the date of this report.

G E Maughan A G O'Hare

#### STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Strategic Report, the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

#### **AUDITORS**

The auditors, Luckmans Duckett Parker Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

#### ON BEHALF OF THE BOARD:

G E Maughan - Director

14 April 2023

#### Opinion

We have audited the financial statements of Forever Living Products (U.K.) Limited (the 'company') for the year ended 31 December 2022 which comprise the Income Statement, Other Comprehensive Income, Balance Sheet, Statement of Changes in Equity, Cash Flow Statement and Notes to the Cash Flow Statement, Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2022 and of its profit for the year then ended:
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

#### Other information

The directors are responsible for the other information. The other information comprises the information in the Strategic Report and the Report of the Directors, but does not include the financial statements and our Report of the Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Report of the Directors have been prepared in accordance with applicable legal requirements.

#### Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or the Report of the Directors.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

### Responsibilities of directors

As explained more fully in the Statement of Directors' Responsibilities set out on page four, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Enquiring of management and employees, including obtaining and reviewing supporting documentation, concerning the company's policies and procedures relating to:

- Identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance;
- Detecting and responding to the risks of fraud and whether they had knowledge of any actual, suspected or alleged fraud: and
- The internal controls established to mitigate risks related to fraud or non-compliance with laws and regulations.

We obtained an understanding of the legal and regulatory frameworks applicable to the company based on our understanding of the company and sector experience and discussions with management. The most significant considerations for the company are the Companies Act 2006, corporate taxes and VAT legislation, employment taxes, health and safety, food and drink regulations and the Bribery Act 2010.

We carried out discussions among the engagement team, who also undertook the audit testing, to assess how and where fraud might occur in the financial statements and any potential indicators of fraud. As part of these discussions, we identified potential for fraud in the following areas:

- management override of control; and
- revenue recognition specifically in respect of completeness and cut-off and manipulation of revenue through management override of journals.

We designed and executed procedures in line with our responsibilities to detect material misstatements in respect of irregularities, including fraud. These procedures, together with the extent to which they are capable of detecting irregularities, including fraud, are detailed below:

- We critically assessed the appropriateness and tested the application of the revenue and cost recognition policies.
- We tested the appropriateness of accounting journals and other adjustments made in the preparation of the financial statements. We were able to identify and analyse the complete population of all journals in the year to identify and substantively test any which we considered were indicative of management override.
- We reviewed the company's accounting policies for non-compliance with relevant standards. Our work also included considering significant accounting estimates for evidence of misstatement or possible bias and testing any significant transactions that appeared to be outside the normal course of business.
- We made enquiries of management and reviewed correspondence with the relevant authorities to identify any irregularities or instances of non-compliance with laws and regulations.

We also communicated relevant identified laws and regulations and potential fraud risks to all engagement team members, including internal specialists, and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentations or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we are to become aware of it.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Auditors.

### Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Mark Spafford ACA FCCA (Senior Statutory Auditor) for and on behalf of Luckmans Duckett Parker Limited 1110 Elliott Court Coventry Business Park Herald Avenue Coventry West Midlands CV5 6UB

## NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 December 2022

#### 1. STATUTORY INFORMATION

Forever Living Products (U.K.) Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The address of the registered office is given on the Company Information page. The nature of the group's operations and its principal activities are set out in the Strategic Report on pages 1 and 2.

The functional currency of Forever Living Products (U.K.) Limited is considered to be pounds sterling because that is the currency of the primary economic environment in which the Company operates. The financial statements are also presented in pounds sterling.

#### 2. ACCOUNTING POLICIES

## Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

#### Going concern

The Directors have considered the financial and cash flow forecast for a period of more than 12 months from the date of signing these financial statements and concluded that income and future cash flows will continue to be derived from the Company's principal activity and that the Company has sufficient financial resources available for the foreseeable future. As a consequence, the Directors believe that the Company is well placed to manage its business risks despite the current uncertain economic outlook. Accordingly, they continue to adopt the going concern basis in preparing the annual report and financial statements.

### Significant judgements and estimates

There are no critical judgements and estimates that the directors have made in the process of applying the Company's accounting policies.

#### **Turnover**

Turnover represents the aggregate of amounts receivable for services and goods supplied in the ordinary course of business, excluding value added tax. Turnover from the sale of goods is recognised when the goods have been ordered and despatched to the business owner or retail customer.

#### Intangible assets

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

Software license is being amortised evenly over its estimated useful life of ten years.

### Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings - 20% on cost Motor vehicles - 25% on cost Computer equipment - 33% on cost

#### **Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Page 15 continued...

# NOTES TO THE FINANCIAL STATEMENTS - continued for the year ended 31 December 2022

#### 2. ACCOUNTING POLICIES - continued

#### **Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

#### Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

### Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

### Hire purchase and leasing commitments

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

#### Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

### **Provisions for liabilities**

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that the group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Page 16 continued...

# NOTES TO THE FINANCIAL STATEMENTS - continued for the year ended 31 December 2022

## 3. TURNOVER

The turnover and profit before taxation are attributable to the one principal activity of the company.

An analysis of turnover by class of business is given below:

		2022	2021
		£	£
	Sale of goods	18,736,798	22,918,104

### 6. INTEREST PAYABLE AND SIMILAR EXPENSES

7.

Bank interest	£	£ 88
TAXATION		
Analysis of the tax charge The tax charge on the profit for the year was as follows:	2022	2021

2024

2022

 Current tax:
 £
 £

 UK corporation tax
 108,964
 62,950

 Deferred tax
 (15,163)
 78,362

 Tax on profit
 93,801
 141,312

UK corporation tax has been charged at 19%.

### Reconciliation of total tax charge included in profit and loss

The tax assessed for the year is higher than the standard rate of corporation tax in the UK. The difference is explained below:

Profit before tax Profit multiplied by the standard rate of corporation tax in the UK of 19% (2021 - 19%)	2022 £ 490,107 93,120	2021 £ 724,110 137,581
Effects of: Expenses not deductible for tax purposes Adjust closing deferred tax to rate of 25% Total tax charge	4,320 (3,639) 93,801	(4,714) 8,445 141,312

Following the Spring 2021 Budget statement, 3 March 2021, an increase in the UK corporation tax rate from 19% to 25% (effective from 1 April 2023) was substantially enacted. This will increase the company's future current tax charge accordingly. The deferred tax liability at 31 December 2022 and 31 December 2021 has been calculated based on this increased rate.

### 8. **GOVERNMENT GRANTS**

In the year the company received government grants totalling £Nil (2021: £29,013), these all related to the Coronavirus Job Retention Scheme.
