Notes to the Abbreviated Accounts for the period ended 31 March 2016

1 Accounting Policies

Basis of measurement and preparation of accounts

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

Turnover policy

Turnover represents amounts receivable for goods and services net of VAT. The total turnover of the company for the period has been derived from its principal activities.

Tangible assets depreciation policy

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Computer equipment: 33.33% on straight line basis

Other accounting policies**Foreign currencies**

Transactions in foreign currencies are recorded using the rate of exchange ruling at the date of the transaction (or, if hedged forward, at the rate of exchange under the related forward currency contract). Monetary assets and liabilities denominated in foreign currencies are translated using the contracted rate or the rate of exchange ruling at the balance sheet date and the gains or losses on translation are included in the profit and loss account.

Taxation

The charge for taxation is based on the loss for the period and takes into account taxation deferred because of timing differences

between the treatment of certain items for taxation and accounting purposes.

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19.
