Notes:

- i) The award of restricted shares will vest only if pre-determined performance conditions are met. These performance conditions, which are measured over three years, require the total return to ordinary shareholders (share price growth plus re-invested dividends) to be ranked in the top quartile of a group of engineering, construction and building material comparator companies for an award to vest in full. If the company's performance is at the median, 25% of the award will vest. Between those two levels, the award will vest on a sliding scale. No awards will vest if the company's performance is below the median at the end of the measured period.
- ii) The total value of awards cannot exceed 75% of a participant's base annual salary in any year.
- iii) Participants in the long-term incentive plan will not receive further grants of options under the Executive Share Option Scheme.
- iv) The shares which vested during the year were sold in the market by the Trustees of the Plan, for the benefit of the directors concerned, at 430.5p per share.

The closing price of the ordinary shares at 31 December 2002 was 143.25p (2001: 395.00p).

The range of the closing prices for the ordinary shares during the year was 137.25p to 487.00p.

The register of directors' interests, which is open to inspection at the company's registered office, contains full details of directors' shareholdings, share options and awards under the long-term incentive plan.

Statement of directors' responsibilities

Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that period. In preparing those accounts, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Independent Auditor's report to the members of AMEC Wind Power Limited

We have audited the accounts on pages 4 and 5.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the directors' report and, as described on page 6, the accounts in accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

We report to you our opinion as to whether the accounts give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the accounts, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

Basis of audit opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the accounts, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

Opinion

In our opinion the accounts give a true and fair view of the state of the company's affairs as at 31 December 2002 and of its result for the year then ended and have been properly prepared in accordance with the Companies Act 1985.
