Each Charging Company agrees that, whilst this security exists:

- 4.3.1 **Payment of monies:** all Securities will at all times be fully paid but without prejudice to such assurance it will duly and promptly pay all monies which become due in respect of any of the Securities and indemnify the Security Holder in respect of any liability it may incur in respect of the Securities;

Each Charging Company agrees that, whilst this security exists:

- 4.4.1 **Maintenance:** it will keep all its Real Property in good and substantial repair and will allow the Security Holder free access, at all reasonable times, to view the state and condition of any such Real Property, but without the Security Holder becoming liable to account as a mortgagee in possession;

- 4.4.6 **Leasing:** it will not exercise the powers of leasing or accepting surrenders of leases conferred as a mortgagee in possession by sections 99 and 100 of the Law of Property Act 1925, or any other powers of leasing or accepting surrenders of leases, without the prior written consent of the Security Holder;
- 4.4.7 **Exclusion order:** it will make sure that an order of the court is obtained, under section 38(4) of the Landlord and Tenant Act 1954, excluding the security of tenure provisions of that Act, before granting any lease;
- 4.4.8 **No alterations:** it will procure that no alteration or addition is made to any of its Real Property and it will not do or allow anything to be done on its Real Property which shall be treated as a development or a change of use within the meaning of the Planning Acts unless the prior written consent of the Security Holder has been obtained;
- 4.4.9 **Fixtures:** it will procure in favour of the Security Holder from any person with a proprietary interest or encumbrance (including any owner, leaseholder or chargee) in the Real Property or personal property to which any plant and equipment may become affixed and become a Fixture or with which title to the Fixture might merge, an acknowledgement prior to such fixing or merger that their rights and remedies will only be exercised subject to the Security Holder's rights in the Fixtures and in particular but without limitation to the generality of the foregoing, the right of the Security Holder, its servants and agents to enter upon any such property to remove the Fixtures notwithstanding that it might be affixed to or have merged with the Real Property or personal property;

- 4.4.14 **Environmental audits:** if requested by the Security Holder at any time (but, save in the case where at the time of requesting the environmental audit an Event of Default has occurred or in the opinion of the Security Holder is likely to occur, no more frequently than once in every calendar year) it shall forthwith on demand pay for an environmental audit of such type as the Security Holder shall specify in relation to the Charged Assets and, in any event, shall permit the Security Holder, its agents, employees, and any firm of environmental consultants engaged by it, to have full access to all its properties, assets and Accounting Records for the purpose of carrying out any such environmental audit; and
- 4.4.15 **Ongoing obligations:** it will ensure that at all times there is no discharge, spillage, release or emission of any prescribed, dangerous, noxious or offensive substance or any controlled waste on, into or from any of its Charged Assets or any premises adjoining any part of them and no such substances or any controlled waste have been stored or disposed of on or in any part of its Charged Assets or, so far as it is aware, in any adjoining premises except in accordance with the requirements of the applicable Environmental Laws and/or Environmental Licences.

4.5 Insurances

Each Charging Company agrees that, whilst this security exists:

- 4.5.1 **Insuring:** it will insure and keep insured those parts of the Charged Assets as are of an insurable nature against loss or damage by fire and all other risks usually insured against and such other risks (which may include insurance against acts of terrorism) that the Security Holder shall reasonably require to their full replacement value with insurers approved by the Security Holder and shall comply with all policy terms in respect thereof and shall forthwith notify the Security Holder of any loss, theft, damage or destruction to such of the Charged Assets as are insured. If it holds property as a tenant or lessee and shall be required by the landlord either to insure or to reimburse the Charging Company's landlord for any insurance premium paid by him then the Charging Company shall be treated as having complied with its insuring obligation under this Debenture if it duly and promptly complies with those requirements. However this shall not affect the right of the Security Holder to require the Charging Company to produce satisfactory evidence that it has complied with the landlord's requirements;
- 4.5.2 **Security Holder's interest:** it will ensure that all its Policies (to the extent they relate to Eligible Collateral) are endorsed (in the form set out in Schedule 5) with notice of the interest of the Security Holder in them (or, if required by the Security Holder, with the Security Holder named as a joint insured party though without the Security Holder being liable for payment of premiums or for carrying out any other obligations under the relevant Policy) and will produce to the Security Holder the receipts for each current premium within fifteen days of its becoming due failing which the Security Holder may affect or renew any such insurance as the Security Holder shall think fit at the Charging Company's expense;
- 4.5.3 **Dealing with proceeds:** it will ensure that each Policy (to the extent it relates to Eligible Collateral) contains a provision under which the proceeds of that Policy are payable to the Security Holder. Without prejudice to this, if any monies are received by a Charging Company

under any such Policy in respect of any of the Charged Assets such monies shall be treated as part of the Charged Assets subject only to any rights of third parties having priority and to the requirements of any lease of the Charged Assets and shall be paid forthwith to the Security Holder. Pending payment to the Security Holder, the Charging Company shall hold such proceeds on trust for the Security Holder. The proceeds of any such Policy shall be applied at the discretion of the Security Holder either in reducing the Secured Liabilities as have fallen due for payment or towards making good the loss or damage for which the monies became payable;

- 4.5.4 **Policies:** it will punctually pay all premiums and other sums payable under or in relation to each of the Policies (and, if requested by the Security Holder, produce evidence of payment satisfactory to the Security Holder) and not omit to do or permit anything to be done which may make void, voidable or unenforceable any of the Policies and not alter the terms of any of the Policies or allow any of the Policies to lapse;
- 4.5.5 **Retention of Policies:** it will, immediately upon receiving the same, deliver all original Policies (to the extent they relate to Eligible Collateral) to the Security Holder and thereafter permit the Security Holder to hold and retain all Policies; and
- 4.5.6 **Notice:** it will immediately give notice of this security in the form set out at the beginning of Schedule 5 to the assurance or insurance company or organisation issuing any of the Policies (to the extent any such Policy relates to Eligible Collateral) in its favour and obtain and deliver the form of acknowledgement of such notice in the form set out later in Schedule 5.

4.6 Representations and Warranties

Each Charging Company represents and warrants in favour of the Security Holder as follows (and these representations and warranties shall survive the execution of this Debenture):

4.6.1 Due execution: that the execution of this Debenture has been duly authorised by a resolution of its board of directors (or by a duly authorised committee of such board) and that it does not breach any provision of its memorandum and/or articles of association or of any other Encumbrance, security or agreement entered into prior to the date of this Debenture or the laws of any jurisdiction applying to it;

4.6.2 Ownership: that it is and will at all times be the sole beneficial owner with full title guarantee of all its Charged Assets and that no Encumbrances affect it other than those permitted by the Security Holder;

4.6.4 Authorisations: that all necessary authorisations and consents to enable or entitle it to enter into this Debenture and create the Encumbrances hereby created or intended to be created have been obtained and these will remain in full force and effect during the existence of this security;

4.6.5 Discharges: that there has been no discharge, spillage, release or emission of any prescribed, dangerous, noxious or offensive substance or any controlled waste on, into or from any Real Property or any premises adjoining any part of them and no such substances or any controlled waste have been stored or disposed of on or in any Real Property or, so far as it is aware, in any adjoining premises except in accordance with the requirements of the applicable Environmental Laws and/or Environmental Licences; and

4.6.6 Environmental compliance: that it is not in breach of, and has not incurred or become subject to, any civil or criminal liability under any Environmental Laws or the terms of any Environmental Licence and that it has not done or omitted to do anything which could impose any liability on the Security Holder under any applicable Environmental Law.

5 GUARANTEE AND INDEMNITY

5.1 Grant of guarantee and indemnity

Each Charging Company unconditionally and irrevocably guarantees to the Security Holder the punctual payment, performance and discharge on demand of the Secured Liabilities. Each Charging Company also agrees to hold harmless and indemnify fully the Security Holder against any loss which the Security Holder may incur as a result of any of the Secured Liabilities being or becoming void, voidable or unenforceable for any reason whatsoever or any breach or non-observance by any Obligor of any obligation to the Security Holder including those under this Debenture. The amount of such loss shall be the amount which the Security Holder would otherwise have been entitled to recover from such other Obligor.

5.2 Protective provisions

Each Charging Company agrees that its liability under the guarantee and indemnity given under Clause 5.1 shall not be affected by:

- 5.2.1 Variation:** any variation in, replacement of, substitution, assignment or novation of any of the Secured Liabilities (even if an Obligor's liability to the Security Holder is increased or extended in time) or of any Encumbrance, guarantee, indemnity or other assurance held or to be held as security for any of the Secured Liabilities (any such Encumbrance, guarantee, indemnity or other assurance being referred to in this Clause 5 as "related security");
- 5.2.2 Indulgence:** any past, present or future failure to enforce remedies, the grant of time or indulgence, the conclusion of any agreement not to sue, any compromise or composition or the release of any related security, or any part thereof;

- 5.2.5 Failure to perfect:** any failure by the Security Holder to take or perfect any related security from an Obligor or any other person;
- 5.2.6 Incapacity:** any incapacity or change in the constitution or control of an Obligor or of any person party to any related security;
- 5.2.7 Waiver:** any waiver or release of any Obligor or of any person party to any related security or any termination of the obligations or liabilities to the Security Holder of any Obligor or of any person party to any related security; or
- 5.2.8 Other acts:** any other act, event or omission which, but for this provision, would or might operate to offer any legal or equitable defence for, or impair or discharge, any of the Secured Liabilities or any obligation of any person under any related security or prejudicially affect the rights and remedies of the Security Holder under this Debenture or otherwise conferred by law.

5.3 Joint and several

The liabilities of each Charging Company to the Security Holder under this Debenture are joint and several and if at any time there are co-sureties then each Charging Company's liability to the Security Holder shall be joint and several with them.

5.4 Additional security

The guarantees or indemnities given under Clause 5.1 shall be additional to and not in substitution for any other security taken or to be taken by the Security Holder in respect of the Secured Liabilities.

5.5 No competition

Until all of the Secured Liabilities have been satisfied in full, no Charging Company shall:

5.5.1 **Subrogation:** exercise any right of subrogation, indemnity, set-off or counter-claim against any other Obligor or any person party to any related security;

5.5.2 **Claims:** claim payment of any other monies due to it by any other Obligor or any person party to any related security by reason of the performance of its obligations under this Debenture or under any related security or on any account whatsoever or exercise any other right or remedy or enforce any Encumbrance, guarantee, indemnity or other assurance which it has in respect thereof;

5.5.4 **Disposals:** negotiate, assign, charge or otherwise dispose of any monies, obligations or liabilities now or at any future time due or owing to it by any other Obligor or any person party to any related security or any Encumbrance, guarantee, indemnity or other assurance in respect thereof; or

5.5.5 **Proofs:** claim or prove in the winding-up or dissolution of any other Obligor or any other person party to any related security,

and if any Charging Company receives any sums in contravention of this Clause 5.5, it shall hold them on trust to be applied by the Security Holder in or towards satisfaction of the Secured Liabilities in such order or manner as the Security Holder may specify.

6 FURTHER ASSURANCE AND POWER OF ATTORNEY

6.1 Further assurance

At the Security Holder's request, each Charging Company will, at its own expense, immediately sign, seal, execute, deliver and perfect all deeds, debentures and instruments including, without limitation, standard securities, assignments and any other documents needed in relation to assets in Scotland and any other jurisdiction and do all such other acts and things as the Security Holder or any Appointee appointed under this Debenture may require in order to perfect, protect or enforce this security in respect of that Charging Company or to facilitate the realisation of any of the Charged Assets or to use the powers given to each of them in this Debenture or to enforce the obligations of that Charging Company and/or the rights of the Security Holder under this Debenture and it will take such steps as the Security Holder shall specify to make such registrations and give such notifications as the Security Holder may consider appropriate (or which may be specified by applicable law) in relation to this Debenture and each Charging Company authorises the Security Holder to effect the same if the Security Holder so chooses.

6.2 Execution of documents/registration

Without prejudice to Clause 6.1 each Charging Company will at the request of the Security Holder and at that Charging Company's own expense, execute a legal mortgage, charge or assignment of any part of the Charged Assets of that Charging Company, subject to or intended to be subject to any fixed security under this Debenture in such form as the Security Holder may require. In every such case the Charging Company will then take such other steps as the Security Holder may require to perfect such legal mortgage, charge or assignment including, without limitation, using all reasonable endeavours to obtain the consent of any landlord or other person required for any legal mortgage.

6.3 Power of attorney

Each Charging Company, by way of security and in order more fully to secure the performance of its obligations hereunder, irrevocably appoints the Security Holder, any directors, officers or managers for the time being of the Security Holder and any other person authorised by the directors of the Security Holder and any Appointee appointed hereunder, jointly and each of them severally, to be the lawful attorneys of that Charging Company for the purposes set out in this Clause 6. Such appointment gives each attorney the power in that Obligor's name and on its behalf to act and to carry out all acts and execute all the deeds, debentures, instruments and other documents required by Clauses 6.1 and 6.2. Each attorney so appointed may appoint substitute attorneys to carry out all or any of such purposes. Each Charging Company agrees to ratify and confirm any instrument, act or thing which any such attorney or substitute attorney may lawfully execute or do in the name or on behalf of that Charging Company.

7 CONSEQUENCES OF AN EVENT OF DEFAULT

Following the occurrence of an Event of Default:

7.1 Enforceability: the security constituted by this Debenture shall become enforceable; and/or

7.2 Retentions: the Security Holder may retain any monies in any account referred to in Clause 4.2.1, for such period as the Security Holder reasonably considers necessary to ensure any Charging Company's compliance with the terms of this Debenture; and/or

7.3 Voting rights: the Security Holder may exercise in the name of any Charging Company any voting rights attached to the Securities and all powers given to trustees by the Trustee Act in respect of securities, property subject to a trust and any powers or rights exercisable by the registered holder of any of the Securities or by the bearer of any of the Securities. The Security Holder will not then need any consent or authority from any Charging Company.

8 POWER OF POSSESSION AND SALE

At any time after this security has become enforceable, the Security Holder and/or any Receiver or Administrator appointed under this Debenture may, in their discretion, enter upon and take possession of the Charged Assets or any part of them. They may also, at their discretion, when exercising their powers given in this Debenture, sell, call in, collect and convert into monies the Charged Assets or any part of them. By way of extension of these powers such sale, calling in and conversion may be done for such consideration in such form and upon such terms as to payment and otherwise as the Security Holder or any Receiver or Administrator shall think fit.

9 APPOINTMENT OF RECEIVER OR ADMINISTRATOR AND THEIR POWERS

9.1 Appointment of a Receiver or an Administrator

The restrictions in Section 109 and Section 91(2) of the Law of Property Act 1925 (restricting, inter alia, the power to appoint a receiver, the maximum rate of a receiver's remuneration and the power to apply to court for an order for sale of mortgaged property) shall not apply to this Debenture. At any time after:

9.1.1 this security becomes enforceable (whether as a consequence of an Event of Default occurring or otherwise);

9.1.2 a Charging Company at any time so requests in writing; or

9.1.3 the Security Holder becomes aware of the intention of any party to apply for an administration order to be made in relation to any Charging Company or any such application is made,

the Security Holder may, without further notice to any Charging Company appoint any person to be a Receiver or an Administrator of such Charging Company (as the Security Holder may in its absolute discretion determine is appropriate) in respect of the Charged Assets of such Charging Company. The appointment of a Receiver may extend to the whole or any part of such Charged Assets. The Security Holder may, so far as the law permits, remove any Receiver. In case of the removal, retirement or death of any Receiver or Administrator, the Security Holder may appoint another in his place. At the time of his appointment (or at any time afterwards) the Security Holder may fix the remuneration of a Receiver on such basis as the Security Holder shall determine.

9.2 Joint and several obligations

The Security Holder may appoint more than one person to act as a Receiver or an Administrator and where it does so those so appointed shall carry out their duties, exercise their rights, and be subject to their obligations jointly as well as severally. References in this Debenture to a "Receiver" or an "Administrator" shall be to each and all of them as appropriate.

9.3 Writing

The appointment of a Receiver or an Administrator or the removal or fixing of the remuneration of a Receiver shall be made in writing and may be signed by any director or officer of the Security Holder.

9.4 Appointment of Receiver or Administrator and their powers

9.4.1 **Appointment:** Any Receiver or Administrator shall be the agent of each Charging Company to which such appointment relates. Each Charging Company to which such appointment relates shall, and the Security Holder shall not in any way, be responsible for the acts, omissions, losses, misconduct, defaults and remuneration of such Receiver or Administrator; and

9.4.2 **Powers of a Receiver:** A Receiver shall, without the need for the consent of any Charging Company to which such appointment relates, have all of the powers described in this Clause, unless any such powers shall specifically be excluded by the written terms of his appointment. A Receiver may exercise these powers in such way, at such time and on such terms as he shall think fit, necessary or expedient and whether in his name or the name of the relevant Charging Company and without being under any obligation to take or omit to take any action which any Charging Company, but for the appointment of the Receiver, would or might have considered to be in that Charging Company's interests. A receiver shall have the powers granted by the Law of Property Act 1925 to any receiver appointed under such Act and all the powers of an administrative receiver under Schedule 1 of the

Insolvency Act 1986. A Receiver shall also have the power on behalf and at the cost of the relevant Charging Company, and in the relevant Charging Company's name or otherwise, to do or omit to do anything which the relevant Charging Company could do or omit to do or could have done or omitted to do but for any incapacity or the appointment of a liquidator, administrator or equivalent officer in relation to such Charging Company or its Charged Assets.

- 9.4.3 **Powers of an Administrator:** An Administrator shall have all the powers conferred from time to time on administrators by law or by statute.

9.5 **Security Holder's powers**

Whether or not a Receiver or an Administrator shall be appointed under this Debenture, the Security Holder may at any time after this security becomes enforceable, and without giving notice, exercise all or any of the powers, authorities and discretions conferred on a Receiver or an Administrator as set out above.

10 **VARIATIONS TO STATUTORY PROVISIONS**

10.1 **Law of Property Act**

Section 103 of the Law of Property Act 1925 (restricting the power of sale) shall not apply to this Debenture. However the power of sale and the other powers conferred on mortgagees by that Act shall apply to this security but without the Act's restrictions as to giving notice or otherwise. Accordingly, for the purposes of a sale or other exercise of any such powers, the whole of the Secured Liabilities shall be treated as due and payable on the date hereof.

10.2 **Non-consolidation**

The restrictions on the right of consolidating mortgage securities, which are contained in Section 93 of the Law of Property Act 1925, shall not apply to this security.

10.3 **Subsequent encumbrances**

If the Security Holder receives, or is treated as having received, notice of any subsequent Encumbrance affecting any of the Charged Assets then the Security Holder may open a new account with the relevant Charging Company. If it does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received, or was treated as having received, such notice. From that time all payments made by the relevant Charging Company to the Security Holder shall be credited, or be treated as having been credited, to the new account. These payments shall not operate to reduce the amount secured by this Debenture when the Security Holder received or was treated as having received such notice.

11 **APPLICATION OF MONIES**

11.1 **Order of payment**

All monies received by the Security Holder or by an Appointee under or by virtue of this Debenture shall be applied (so far as the law permits) in the following order:

- 11.1.1 **Costs and expenses:** in payment of all costs, charges and expenses of or incidental to the Appointee's appointment, the payment of his remuneration and the payment and discharge of any other Expenses incurred by or on behalf of the Appointee;

- 11.1.2 **Preferential debts:** in or towards payment of any debts or claims which are by statute payable in preference to the Secured Liabilities but only to the extent to which those debts or claims have such preference;
- 11.1.3 **Payments to Security Holder:** in payment to the Security Holder of the Secured Liabilities due to the Security Holder in such order as the Security Holder in its absolute discretion thinks fit; and then
- 11.1.4 **Surplus:** in payment to the relevant Charging Company of any surplus (which shall not carry interest) which may be paid into any of the relevant Charging Company's bank accounts including an account opened specifically for such purpose. The Security Holder shall then have no further liability for the surplus.

11.2 **Appropriation**

Following the enforcement of this security, any monies received by the Security Holder may be appropriated by the Security Holder in its discretion in or towards the payment and discharge of any part of the Secured Liabilities.

11.3 **Suspense accounts**

The Security Holder or the Appointee may credit any monies to a suspense account for so long and in such manner as the Security Holder may from time to time determine. The Appointee or the Security Holder may retain the same for such period as the Appointee and the Security Holder consider expedient.

12 **PROTECTION OF THIRD PARTIES**

12.1 **Third party payments**

No person paying or handing over monies to an Appointee and obtaining a discharge shall have any responsibility or liability to confirm the correct application of such monies.

12.2 **Third party dealings**

No person dealing with the Security Holder, or an Appointee, need enquire:

- 12.2.1 **Powers exercisable:** whether any event has happened giving either the Security Holder or the Appointee the right to exercise any of his powers;
- 12.2.2 **Propriety of acts:** as to the propriety or regularity of any act purporting or intending to be an exercise of such powers;
- 12.2.3 **Validity of appointment:** as to the validity or regularity of the appointment of any Appointee purporting to act or to have been appointed as such; or
- 12.2.4 **Satisfaction:** whether any of the Secured Liabilities remain unsatisfied.

12.3 **Statutory protection**

All the protections given to purchasers contained under sections 104 and 107 of the Law of Property Act 1925 shall apply to any person purchasing from or dealing with an Appointee or the Security Holder as if the Secured Liabilities had become due and the statutory power of sale and appointment of the Appointee in relation to the Charged Assets had arisen, on the date of this Debenture.

12.4 Express notice

No person dealing with the Security Holder or any Appointee shall be affected by express notice that any act is unnecessary or improper.

13 CONTINUING AND ADDITIONAL SECURITY

13.1 Continuing security

This security is a continuing security for all the Secured Liabilities notwithstanding any interim settlement of account until a final discharge of this security shall be given by the Security Holder.

13.2 Non-merger

This security is in addition to, and shall not merge or otherwise prejudice or affect, any other right or remedy of the Security Holder or any assignment, bill, note, guarantee, Encumbrance, or other security now or in future in favour of the Security Holder or held by, or available to, the Security Holder (whether created by the Obligors or any of them or any third party).

14 EXPENSES AND INDEMNITIES

14.1 Expenses and interest

All Expenses incurred and all payments made by the Security Holder or any Appointee in the lawful exercise of the rights created by this Debenture shall carry interest at the Default Rate. Interest under this Debenture shall accrue (both before and after judgment) from the date the Expenses were incurred or the sum paid became payable, whichever shall be earlier, until the date the same are paid and discharged in full. The Security Holder may compound unpaid interest with rests at such times as it may consider appropriate. The amount of all Expenses and payments referred to in this Clause 14.1 and any interest thereon shall be payable by the relevant Charging Company on demand.

14.2 General indemnity

Each Charging Company jointly and severally agrees to indemnify the Security Holder (and its nominees) and any Appointee on demand against all losses, actions, claims, expenses, demands and liabilities now or in the future incurred by any of them or by any manager, agent, officer or employee for whose liability, act or omission any of them may be answerable for anything done or omitted in the exercise or purported exercise of the rights contained in this Debenture or caused by any breach by a Charging Company of any of its obligations under this Debenture or in connection with the Charged Assets. The Security Holder (and its nominees) and any Appointee shall also be entitled to be indemnified out of the Charged Assets in respect of all losses, actions, claims, expenses, demands and liabilities incurred by them in the execution, or purported execution, of any of the rights vested in them under this Debenture.

14.3 Tax indemnity

Each Charging Company jointly and severally agrees to indemnify the Security Holder and any Appointee on demand against all present or future stamp or other taxes or duties and any penalties or interest with respect thereto which may be imposed by any competent authority in connection with the execution or enforcement of this Debenture or in consequence of any payment made pursuant to this Debenture being challenged or declared void for any reason whatsoever.

14.4 Currency indemnity

14.4.1 Conversion: For the purpose of, or pending, the discharge of any of the Secured Liabilities the Security Holder or an Appointee may convert any monies received, recovered or realised under this Debenture (including the proceeds of any previous conversion) from their existing currency into such other currency as the Security Holder or such Appointee may think fit. Any such conversion shall be effected at the then prevailing spot selling rate of exchange of the Security Holder's bankers for such other currency against the existing currency.

14.4.2 Shortfall indemnity: Each Charging Company jointly and severally agrees to indemnify the Security Holder against any shortfall between:

- (a) any amount received or recovered by the Security Holder in respect of any of the Secured Liabilities which is converted in accordance with Clause 14.4.1 into the currency in which such liability was payable; and
- (b) the amount payable to the Security Holder under this Debenture in the currency of such liability.

15 PAYMENTS, DISCHARGE AND SET-OFF

15.1 Payments without deduction

All payments to be made to the Security Holder under this Debenture shall be made free and clear of and (save as required by law) without deduction for or on account of any tax withholding, charges, set-off or counterclaim. All payments shall be made into such account(s) as the Security Holder may from time to time specify for the purpose.

15.2 Set-off

Without prejudice to any right of set-off or combination of accounts contained in any Financing Document, the Security Holder may at any time following the occurrence of an Event of Default without notice to any of the Charging Companies combine or consolidate all or any amounts standing to the credit of any Charging Company's account or accounts with the Security Holder and/or set off any amount owed by the Security Holder to any Charging Company against any obligation (whether or not matured) owed to the Security Holder by that or any other Charging Company whether or not each is expressed in the same currency.

15.3 Gross-up and tax receipts

If a Charging Company is required by law to make a deduction or withholding from any payment made under this Debenture, then the sum payable by that Charging Company shall be increased to the extent necessary to ensure that, after the making of such deduction or withholding, the Security Holder receives and retains (free from any liability related to such deduction or withholding) a net sum equal to the sum which it would have received and retained had no such deduction or withholding been made or required to be made. The relevant Charging Company shall pay the amount deducted or withheld to the relevant tax or other authorities within the time allowed for such payment under applicable law and shall deliver to the Security Holder within 30 days of making such payment an original receipt or other evidence issued by the relevant authority showing that payment has been made in full.

15.4 Discharge of security

Upon payment and complete discharge and performance of all the Secured Liabilities under or in relation to this Debenture, the Security Holder shall, at the request and cost of a Charging Company, duly discharge this security so far as it relates to that Charging Company's Charged Assets and any further security given by that Charging Company in accordance with the terms hereof. The Security

Holder will also, at the request and cost of a Charging Company, transfer to that Charging Company any of the Charged Assets of that Charging Company which have been assigned or transferred to the Security Holder. If any Charged Assets transferred or assigned to the Security Holder were fungible, the Security Holder may transfer to the relevant Charging Company assets of the same class, denomination and quality rather than the identical Charged Assets transferred or assigned to it under this Debenture.

15.5 Avoidance of payments

The right of the Security Holder to payment of the monetary obligations comprised in the Secured Liabilities or to enforce the terms of this Debenture shall not be affected by any payment or any act or thing which is avoided or adjusted under the laws relating to bankruptcy or insolvency or under Part VI of the Insolvency Act 1986. Any release, or discharge given or settlement made by the Security Holder relying on any such payment, act or thing shall be void and of no effect.

16 SERVICE OF NOTICES AND PROCESS

16.2.4 if handed over – at the time of handing over.

16.3 Service on Security Holder

Any notice in writing by a Charging Company to the Security Holder required hereunder shall take effect at the time it is received by the Security Holder at its registered office or at such other address as the Security Holder may advise in writing to the Charging Company for this purpose unless such notice is received on a day which is not a Working Day, in which case, it shall take effect on the next Working Day.

17 TRANSFERS AND DISCLOSURES

17.1 Transfers by Security Holder

This Debenture is freely transferable by the Security Holder to any bank or financial institution. Each Charging Company consents to any such transfer (whether by novation, assignment, or otherwise). References in this Debenture to the "Security Holder" shall include its successors, assignees and transferees and any person to whom this Debenture is novated.

17.2 No transfers by any Charging Company

No Charging Company may assign or transfer any of its obligations under this Debenture nor may it enter into any transaction which would result in any such obligations passing to another person.

17.3 Disclosure of information

The Security Holder may disclose any information about any Charging Company and any member of that Charging Company's Group and any other person connected or associated with it to any members of Subsidiaries and affiliated companies and/or to any person to whom it is proposing to transfer or assign, or has transferred or assigned, this Debenture and/or any of the Secured Liabilities (in each case which is a bank or financial institution or any director, officer, agent or employee thereof or any professional adviser thereto). Each Charging Company represents and warrants that it has, and (so far as permitted by law) will maintain, any necessary authority by or on behalf of any such persons to agree to the provisions of this Clause.

18 MISCELLANEOUS

18.1 Delays and omissions

No delay or omission on the part of the Security Holder in exercising any right or remedy under this Debenture shall impair that right or remedy or operate as or be taken to be a waiver of it. Any single, partial or defective exercise of any such right or remedy shall not prevent the further exercise of that or any other right or remedy.

18.2 Cumulative rights

The Security Holder's rights under this Debenture are cumulative. They are not exclusive of any rights provided by law. They may be exercised from time to time and as often as the Security Holder sees fit.

18.3 Waivers

Any waiver by the Security Holder of any terms of this Debenture or any consent or approval given by the Security Holder under it shall only be effective if given in writing. Such consent and approval shall then only apply for the purpose stated and be subject to any written terms and conditions imposed by the Security Holder.

18.4 Illegality

If at any time any one or more of the provisions of this Debenture is or becomes illegal, invalid or unenforceable in any respect under the laws of any jurisdiction then neither the legality, validity or enforceability of the remaining provisions of this Debenture nor the legality, validity or enforceability of such provision under the law of any other jurisdiction shall be in any way affected or impaired as a result.

18.5 Security Holder's certificates

Any certificate signed by a director or authorised officer of the Security Holder as to the amount of the monetary obligations comprised in the Secured Liabilities at the date of that certificate shall, in the absence of manifest error, be conclusive evidence of that amount and be binding on each Charging Company to whom such certificate is addressed.

18.6 Counterparts

This Debenture may be executed in any number of counterparts and by different parties on separate counterparts each of which, when executed and delivered, shall constitute an original and all the counterparts together shall constitute but one and the same instrument.

18.7 Paper

The paper on which this Debenture is written is, and will remain at all times, the property of the Security Holder, even after the discharge of this security.

18.8 Access and Inspection

For the purpose of gaining access to or inspecting or (following any Event of Default) taking possession of any of the computer equipment, computer data, books, documents and other records included in or relating to the Charged Assets or for the purpose of taking copies of any of such data, books, documents and records any duly authorised official of the Security Holder and any Appointee and any person authorised by such Appointee shall have the right at any time to enter upon any premises at which a Charging Company carries on business and upon any other premises in which any part or all of such computer equipment, computer data, books, documents and other records are for the time being kept or stored.

18.9 Contracts (Rights of Third Parties) Act 1999

Other than in relation to the provisions of Clause 14, the terms of this Debenture may only be enforced by a party to it and the operation of the Contracts (Rights of Third Parties) Act 1999 is excluded.

19 LAW AND JURISDICTION

19.1 Law

This Debenture shall be governed by, and construed in accordance with, English law.

19.2 Jurisdiction

19.2.1 Submission: Each Charging Company irrevocably agrees for the benefit of the Security Holder that the courts of England shall have jurisdiction to hear and determine any suit, action or proceeding, and to settle any disputes, which may arise out of or in connection with this Debenture and, for such purposes, irrevocably submits to the jurisdiction of such courts.

19.2.2 Forum: Each Charging Company irrevocably waives any objection which it might now or hereafter have to the courts referred to in Clause 19.2.1 being nominated as the forum to hear and determine any suit, action or proceeding, and to settle any disputes, which may arise out of or in connection with this Debenture and agrees not to claim that any such court is not a convenient or appropriate forum.

19.2.3 Other competent jurisdictions: The submission to the jurisdiction of the courts referred to in Clause 19.2.1 shall not (and shall not be construed so as to) limit the right of the Security Holder to take proceedings against any Charging Company in any other court of competent jurisdiction nor shall the taking of proceedings in any one or more jurisdictions preclude the taking of proceedings in any other jurisdiction, whether concurrently or not.

19.2.4 Consent to enforcement: Each Charging Company hereby consents generally in respect of any legal action or proceeding arising out of or in connection with this Debenture to the giving of any relief or the issue of any process in connection with such action or proceeding including, without limitation, the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment which may be made or given in such action or proceeding.
