The company's identity is based on our ground-breaking arts intervention, The LAB and our theatre is based on the stories that arise from this work reimagined against a backdrop of myths and fairy tales. The 22/23 year has been dominated by the Cost Of Living (COL) crisis and has influenced all of our programmes. The charity has provided additional and wrap around services wherever possible, becoming a warm hub in Kirklees and providing food and travel during our programmes. We have also developed response services for refugees creating a Ukrainian club in Kirklees and further developed our IAG to respond to urgent needs especially in our one-to-one support. Alongside this work the charity has never lost sight of our fundamental mission to engage participants in arts-based practice and performance. This is the basis of all of our work, driving our social impact, developing innovation in the way we do things and creating life changing programmes and events that develop and help our communities across the North.

RISK MANAGEMENT

The major risks to which the Charity is exposed concern business risk and operating risk and in particular raising adequate funds or generating sufficient income to cover costs. The Board confirms that the day to day reporting systems and controls operated and regularly monitored by the organisation are designed to mitigate those risks.

RESERVES POLICY

The organisation is run on a not for profit basis but for prudent management the Board plan to build a reserve of 30 - 50% of annual turnover. In accordance with the Statement of Recommended practice Accounting and Reporting by Charities the Board aims to maintain a level of free reserves (that is those funds not tied up in fixed assets, designated or restricted funds) to establish a sustainable entity, manage funding for eligible expenditure claimed in arrears and guard against contingencies. The actual free reserves at 31 March 2023 were £89,861 (2022 £89,645). The Charity is working towards diversification and aims to hold free reserves representing 30 - 50% of annual turnover which based upon the 2023 accounts would be £242,703 - £404,505. This is an ambition at the moment but the charity is developing its business planning to work towards building reserves for sustainability.
