Notes to the Abbreviated Accounts

for the year ended 31 July 2012

1 Accounting policies

Basis of preparation

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents work carried out in respect of services provided to customers. Revenue is recognised when a job is completed and becomes chargeable. Any work incomplete at the balance sheet date is entered as work-in-progress in accordance with it's degree of completion.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Fixtures & equipment

25% reducing balance

Stocks

The company does not carry any stock.

Deferred taxation

Full provision is made for deferred taxation resulting from timing differences between the recognition of gains and losses in the accounts and their recognition for tax purposes. Deferred taxation is calculated on an un-discounted basis at the tax rates which are expected to apply in the periods when the timing differences will reverse.

Leasing and hire purchase commitments

The company does not hold any assets under leasing or hire purchase agreements.

Pensions

The company has no contractual obligations to provide pensions, nor contributions to pensions, in respect of any directors or staff.
