MEMBERS' REPORT FOR THE YEAR ENDED 31 MARCH 2022

The Members present their annual report together with the financial statements of the The Rahere Association for the 1 April 2021 to 31 March 2022. The Members confirm that the Annual Report and financial statements of the company comply with the current statutory requirements, the requirements of the company's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) as amended by Update Bulletin 1 (effective 1 January 2015).

Since the Association qualifies as small under section 383, the strategic report required of medium and large companies under The Companies Act 2005 (Strategic Report and Director's Report) Regulations 2013 is not required.

Objectives and activities

a. Policies and objectives

The objects of the charity remain unchanged, being the provision of help to patients and staff at St Bartholomew's Hospital and to generally improve its facilities.

The Executive Committee consider that all the work carried out by the Association is for charitable purposes and consider that they have complied with the Charities Act requirement to have had due regard to the guidance on public benefit published by the Charity Commission.

Achievements and performance

a. Review of activities

The Association has during the year given help to patients and staff of St Bartholomew's Hospital and this has included:

- Grants made directly to patients such as: Transport costs for patients to attend appointments; expenses payments
 to visiting relatives; equipment such as stair lifts, wheelchairs, white goods and furniture to enable patients to go
 home from hospital; wigs and bras for cancer patients; the purchase of tablets, mobile phones and laptops for
 inpatients for entertainment, keeping in touch with family, and conducting personal affairs; and contributions towards
 short breaks for patient convalescence and spending quality time with family.
- Grants made towards the purchase of equipment in the hospital or to enhance hospital services, including; a
 quarterly contribution towards the purchase of bereavement resources for children and young people; the purchase
 of TENS machines for the hospital pain clinic.
- Grants made towards staff education and training, not otherwise funded by the NHS Trust, including: a grant to
 enable an Occupational Therapist to complete a course in Treating Fatigue Skills; a grant to enable a Critical Care
 Nurse to undertake a course in Advanced Assessment Skills for Non-medical Practitioners; a grant to fund a course
 in Understanding the Pharmacological Management of Pain for a trainee Clinical Nurse Specialist; and funding for a
 member of staff to attend AACR Special Conference on Evolutionary Dynamics in Carcinogenesis and Response to
 Therapy.

The Association intends to continue its activities in providing help to patients and staff of St Bartholomew's Hospital and to generally improve its facilities.

The income and expenditure and the financial position of the Association are shown in the financial statements.

MEMBERS' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2022

Financial review

a. Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the Association has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

b. Review of the Year

Total income for the year amounted to £154,227 with total expenditure amounting to £239,963 and gains on realisation on investments of £371,109 leaving a surplus of £285,373. Accumulated reserves amounted to £5,419,064 and these funds will be used for future activities. Our investments have performed well in total since acquisition giving us not only substantial capital appreciation for the future but also an increased annual income. Funds available are sufficient to permit the Association to continue to operate at least into the medium term.

c. Reserves Policy

The members are of the opinion that the present level of funding together with the current level of unrestricted reserves is adequate to support the continuation of the activities of the Association in the medium term. The members also consider the financial position of the Association to be satisfactory.

Structure, governance and management

a. Constitution

The Rahere Association is constituted under a Memorandum of Association dated 24 July 1950 and is a registered charity; Charity number 221171.

b. Methods of appointment or election of Members

The management of the Association is the responsibility of the Members who are elected and co-opted under the terms of the Memorandum of Association.

c. Risk Management

The members have assessed the major risks to which the Association is exposed, in particular theose related to the operations and finances of the Association, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

Plans for future periods

In the forthcoming year the Association intends to continue its policy of making small grants to patients to enhance their wellbeing and to enable early return home and return to work where possible.

MEMBERS' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2022

Statement of Members' responsibilities

The Members (who are also the directors of the Association for the purposes of company law) are responsible for preparing the Members' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Members to prepare financial statements for each financial year. Under company law, the Members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Association and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Members are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Association will continue in business.

The Members are responsible for keeping adequate accounting records that are sufficient to show and explain the Association's transactions and disclose with reasonable accuracy at any time the financial position of the Association and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Members and signed on their behalf by:

INDEPENDENT EXAMINERS' REPORT

Independent examiner's report to the Members of The Rahere Association ('the Association')

I report to the charity Members on my examination of the accounts of the Association for the year ended 31 March 2022.

Responsibilities and basis of report

As the Members of the Association (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Association are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Association's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1. accounting records were not kept in respect of the Association as required by section 386 of the 2006 Act; or
- 2. the accounts do not accord with those records; or
- 3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination: or
- 4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Association's Members, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Association's Members those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Association and the Association's Members as a body, for my work or for this report.

The Association was entitled to exemption from audit under section 477 of the Companies Act 2006.

The members have not required the company to obtain an audit for the year in question in accordance with section 476 of Companies Act 2006.

The Members acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and preparation of financial statements.

The financial statements have been prepared in accordance with the provisions applicable to entities subject to the small companies regime.

The financial statements were approved and authorised for issue by the Members and signed on their behalf by:

H-R- FEE POTE 581148E...

Trustee

Date: 19-Oct-2022

The notes on pages 8 to 15 form part of these financial statements.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

1. Accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The Rahere Association meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

1.2 Company status

The Association is a private company limited by guarantee. The members of the company are the Members named on page 1. The address of the registered office is disclosed on the company information page. In the event of the Association being wound up, the liability in respect of the gurantee is limited to £10 per member of the Association.

1.3 Income

All income is recognised once the Association has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably. Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on raising funds includes all expenditure incurred by the Association to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Association's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure. All expenditure is inclusive of irrecoverable VAT.

1.5 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of financial activities.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

1. Accounting policies (continued)

1.6 Liabilities

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Association anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.7 Financial instruments

The Association only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

1.8 Taxation

The Association is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Association is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.9 Pensions

The Association operates a defined contribution pension scheme and the pension charge represents the amounts payable by the Association to the fund in respect of the year.

1.10 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Members in furtherance of the general objectives of the Association and which have not been designated for other purposes.

2. Income from donations and legacies
