1. INTRODUCTION

Introduction

This report has been prepared to provide Members and Creditors with an update on the progress of the Liquidation of the Company since the last report dated 4 November 2021.

Given the information previously provided to Members and Creditors in earlier reports, detailed background information in respect of the Company has not been included and this report focusses on the progress of the Liquidation subsequent to those reports.

A schedule of statutory information in respect of the Company is attached at **Appendix 1**.

Details of the appointment of the Joint Liquidators

Nicholas Simmonds and Paul Zalkin of Quantuma Advisory Limited were appointed Joint Liquidators of the Company on 18 September 2019 by the Secretary of State.

The Joint Liquidators confirm that they are authorised to carry out all functions, duties and powers by either one or both of them.

2. THE PROGRESS OF THE LIQUIDATION

The Joint Liquidators' Receipts and Payments Account

Attached at **Appendix 2** is a Receipts and Payments account covering the Review Period together with a summary of the transactions in the previous Review Periods. In accordance with the requirements of SIP 7, the Joint Liquidators confirm that the account has been reconciled with that held at the Insolvency Service.

The rest of this report describes the key developments in the Liquidation over the Review Period.

A summary is provided of the main asset realisations during the Review Period and an estimation of those assets yet to be realised, together with details of costs incurred but remaining unpaid.

Administrative, Statutory & Regulatory Tasks

The Joint Liquidators have met a considerable number of statutory and regulatory obligations. Whilst many of these tasks have not had a direct benefit in enhancing realisations for the insolvent estate, they have assisted in the efficient and compliant progressing of the Liquidation, which has ensured that the Joint Liquidators and their staff have carried out their work to high professional standards. Details of the tasks carried out during the Review Period are included in **Appendix 4**.

Realisation of assets

According to the Official Receiver's observations, the assets of the Company had a total estimated value of £9,789,994 broken down as follows:

Asset Name	Est. to Realise £	Realised to Date £
Cash at Bank	77.00	Nil
Investments	3,319,060	Nil
Nevis Investments	6,470,857	Nil
Total	9,789,994	Nil

Investments

The information received from the Official Receiver suggested that there were investments of £3,319,060 that could potentially be realised. These relate to various inter-company transactions within the Jirehouse group. Whilst investigations are continuing, the prospect of any recoveries for the benefit of creditors is unlikely. A number of the associated Companies are also in compulsory liquidation. These are Jirehouse Trustees Ltd, Jirehouse Partners LLP, Jirehouse Secretaries Ltd, Jirehouse, Esquiline Developments Ltd and Esquiline Finance Ltd.

Nevis Investments

The Director purported that the Company was owed £6,470,857 in respect of a project in Nevis. Whilst investigations in this regard are continuing, the prospect of any recoveries for the benefit of creditors is unlikely.

Foreign Exchange Charges Refund

During the review period, a refund has been received from the Royal Bank of Scotland in the sum of £637.29 relating to Foreign Exchange Charges. This is reflected in the Receipts and Payments account at **Appendix 2**.

3. CREDITORS: CLAIMS AND DISTRIBUTIONS

Secured Creditors

There are no secured creditors.

Preferential Creditors

There are no preferential creditors.

Prescribed Part

Under Section 176A of the Insolvency Act 1986, where after 15 September 2003 a company has granted to a creditor a floating charge, a proportion of the net property of the company must be made available purely for the Unsecured Creditors. This equates to:

- 50% of net property up to £10,000;
- Plus, 20% of net property in excess of £10,000.
- Subject to a maximum of £600,000 (this limit increases to £800,000 where a floating charge has been granted after 6 April 2020).

The Company has not granted a floating charge to any Creditor after 15 September 2003 and consequently there will be no prescribed part in this Compulsory Liquidation.

Unsecured Creditors

During the Liquidation, four claims have been received totalling £297,227.50. This includes a claim from HM Revenue & Customs for £41,616 relating to VAT.

From our investigations to date, it is not anticipated that a dividend will be paid to unsecured creditors.

4. OTHER MATTERS AND INFORMATION TO ASSIST CREDITORS

Investigations

The data that is believed to relate to the Jirehouse Group of Companies continues to be reviewed to establish if any of it relates specifically to this Company and whether it highlights any further assets that the Joint Liquidators are not aware of.

5. ETHICS

Please note that the Joint Liquidators are bound by the Insolvency Code of Ethics when carrying out all professional work relating to an insolvency appointment. The firm reviews annually the specialists available to provide services within each specialist area and the cost of those services to ensure best value. The specialists chosen usually have knowledge specific to the insolvency industry and, where relevant, to matters specific to this insolvency appointment.

No specialists have been engaged during the Review Period or the Liquidation as a whole.

6. THE JOINT LIQUIDATORS' FEES AND EXPENSES

A copy of 'A Creditors Guide to Liquidators' Fees' effective from 1 April 2021 together with Quantuma Advisory Limited's current schedule of charge-out rates and chargeable expenses, which includes historical charging information, may be found at <https://www.quantuma.com/guide/creditors-guide-fees/>.

A hard copy of both the Creditors' Guide and Quantuma Advisory Limited's current and/or historic charge-out rate and expenses policies may be obtained on request at no cost.

Joint Liquidators' Fees

Creditors were not approached to agree the basis of the Joint Liquidators' fees as the likelihood of any realisations being achieved was not considered high. As a result and only if there are future realisations, the Joint Liquidators' will be remunerated in accordance with the Official Receiver's Scale Fees.

The Joint Liquidators' time costs incurred during the period are £2,838.00 being 11.10 hours at an average charge out rate of £255.68. Time costs for the whole liquidation are £41,087.00 being 175.80 hours at an average charge out rate of £233.71.

For a detailed schedule of work undertaken by the Joint Liquidators during the Review Period and the Whole Period, see **Appendix 3**. A detailed narrative list of the work undertaken during the Review Period is provided at **Appendix 4**.

The Joint Liquidators believe this case to be complex in view of the amount of Companies that were in the group or associated with it.

Comparison of Estimates

A fees estimate has not been prepared for this case.
