**REPORT OF THE TRUSTEES  
for the Year Ended 31 March 2023**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**OBJECTIVES AND ACTIVITIES**

**Objectives and aims**

Objectives - to run and let the Community Hall at 80 St Johns Road, Isleworth, Middlesex, TW7 6RU to advance education and to provide facilities in the interests of social welfare, recreation and leisure with the object of improving the conditions of life for the inhabitants of Isleworth and the neighbourhood.

The Charity renewed the lease on 80 St Johns Road in 2018 for a period of 20 years.

Activities - To organize and encourage local groups to use St Johns Community Centre. During the year, the Community Centre was able to return to normal activities after two years of restrictions. We continued to allow groups to return to the Centre when they felt comfortable to do so. A number of groups did not return following Covid or did not return to their pre-Covid letting hours. As a consequence of this the Trustees have been marketing the Community Centre with a view to attracting new groups. This has been successful and the Community Centre is let to groups offering sport, fitness, social clubs, educational activities, dancing and to the church, as well as making the Centre available for local training courses and meetings.

The Memorandum and Articles of Association are dated 3 July 1997. The Association shall be non-party in politics and non-sectarian in religion.

**ACHIEVEMENT AND PERFORMANCE**

**Charitable activities**

The Community Centre is let throughout the year and the benefits are appreciated by the users. The Trustees no longer let the Hall for one off party bookings as it was becoming increasing difficult to accommodate these without the Charity employing staff.

**FINANCIAL REVIEW**

**Financial position**

The funds of the Charity are managed by the Trustees. The Trustees have introduced a formal risk management process to assess business risks and implement risk management strategies. This involved identifying the types of risks the Charity faces, prioritising them in terms of potential impact and identifying where possible, a means of mitigating the risks.

The Trustees will continue to actively market the Community Centre although it is anticipated that the return to a surplus may be delayed due to the increase in energy costs. We do not think inflation or the increase in the cost of living had an impact on this year's rental income but we expect it will in the future in circumstances where local residents having less surplus income to spend on leisure. Notwithstanding the above the Charity is in a sound financial position and the Trustees' consider that its continuance as a going concern is well placed. The Charity made a net loss for the year was £6,373

Although the Charity is unlikely to return a surplus before 2024/25 it has sufficient funds to cover expenditure during the next financial year. The Trustees will continue to monitor the financial position and will, if necessary take appropriate action.

The net assets of the Charity at the end of the year were £117,429. The Charity maintains these reserves to meet its obligations under the lease and any medium-term obligations that may arise should the Charity have to look at an alternative heat source, other than gas.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document**

The Charity is controlled by its governing document, a Deed of Trust and is a company limited by guarantee as defined by the Companies Act 2006
