Notes to the Financial Statements

Year ended 31 December 2021

1. General information

The company is a private company limited by shares, registered in England and Wales. The address of the registered office is 168 Birmingham Road, Shenstone Wood End, Lichfield, Staffordshire, WS14 0NX.

2. Statement of compliance

These financial statements have been prepared in compliance with Section 1A of FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis. The financial statements are prepared in sterling, which is the functional currency of the entity.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. Its financial statements are consolidated into the financial statements of Piper Homes Plc which can be obtained from 168 Birmingham Road, Shenstone Wood End, Lichfield, Staffordshire, WS14 0NX. As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102: (a) No cash flow statement has been presented for the company. (b) Disclosures in respect of financial instruments have not been presented. (c) Disclosures in respect of share-based payments have not been presented.

Revenue recognition

Where the company enters into contracts for the sale of social housing, the company recognises revenue over time for the construction element of such contracts, rather than at legal completion. In circumstances where effective control of the underlying land is transferred to the social housing provider before or during construction, the revenue for the sale of that land is recognised at the point legal control is transferred. Where the land asset has been transferred to the provider, the subsequent construction activity is adding value to the land asset controlled by the customer. For such contracts, revenue for the construction element is recognised by reference to the degree of completion of contract activity at the balance sheet date, as valued by a third-party survey of work performed to date.

Work in progress

Work in progress is measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument. Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument. Debt instruments are subsequently measured at amortised cost. Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately. Any reversals of impairment are recognised in profit or loss immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.
