The Evangelical Trust Limited

Report of the Trustees

for the year ended 5th April 2022

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 5th April 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objectives of the charitable company are governed by its memorandum of association. Its objectives are "to promote and encourage by every means in its power the teaching of the Bible as the inspired revelation of God and the truths therein set forth" and "to assist missionary effort and enterprise both in the United Kingdom and elsewhere". The charitable company also has the power "to receive money legacies, funds and securities and gifts of any kind and apply the same in accordance with the charitable instructions of the donors or in such manner as the charitable company may decide within the scope of its objects".

The charitable company's principal activities are acting as a trust corporation in:

- (a) The holding and management of investment funds for Christian work and for Christian societies and the provision of advice and, by means of grants, financial support for evangelical causes; and
- (b) The holding as a custodian of churches and other buildings used for Christian purposes.

Public benefit

The trustees have paid due regard to the guidance on public benefit in deciding what activities the charity should undertake and are satisfied that the requirements are being complied with. The directors keep the guidance on public benefit under review.

ACHIEVEMENT AND PERFORMANCE

A total of £55,250 was awarded and paid out in 30 separate grants during the year. Individual amounts ranging from £350 to £3,000. It is noted that no grants were made during the year from our Trafalgar Street Hull fund. This is a fund being utilised for projects within the Hull area. Applications are received and considered without discrimination as to denomination, nationality, gender, disability or race so long as the grantee can subscribe to the basis of faith of the charitable company. The charitable company's grant policy is to prefer to grant towards the start-up of projects which might not otherwise get started. The charitable company does not commit itself to long term funding for any project or for personal support. Occasionally a grant is made on the basis of multiple annual grants in order to ensure that a project can be reasonably delivered, but with the objective of ensuring that dependency does not result. Grants are also made to men and women studying at evangelical theological colleges in preparation for Christian ministry.

The charitable company does not undertake active marketing, whether for additional funds or to broaden the range of grant applications/requests. Administrative costs are kept to a minimum to maximise the surpluses of restricted and unrestricted income, available for grants.

(a) Unrestricted funds

The charitable company's unrestricted funds consist of accumulated capital amounts, annual surpluses of investment income, profits or losses on the realisation of investments, occasional additional bequests and, from time to time, the inward transfer of restricted funds on the cessation of the donors' discretionary interest in them.

The trustees review such funds according to their source and any wishes of donors and determine the way in which these should be invested in order to generate an income stream which can be used for the future support of the objectives of the charity. Reserves of unrealised gains have been reviewed and are regarded (after retention of sufficient funds intended to reflect monetary inflation in the year in question) as available for distribution, balancing the needs of maintaining the capital of the charitable company and the needs expressed by applicants for grant assistance.

After meeting administrative expenses, the income stream generated from the investments together with the reserve of unrealised gains as adjusted for inflation is then available to meet current requests for grants from organisations, churches and individuals which meet the objects of the charitable company as set out above.

(b) Custodian assets

The charitable company continued to act as custodian trustee for the Union Hall Evangelical Church in Hulme Manchester and 'The Wells Church', 29 Dawlish Road, Reading, both of which are used for Christian purposes. As the charitable company does not hold beneficial title to the property, it is excluded from the charitable company's accounts. The title is registered at the Land Registry. The trustees of the Union Hall Evangelical Church have previously requested that the title of the property be transferred to them, upon its formation as a registered charity. This is currently in process and at the close of the year the transfer had not yet taken place.

FINANCIAL REVIEW

The charitable company's policy on reserves is as explained within the review of achievement and performance.

The grant making policy is as determined by the objects of the charitable company.

The investment powers as set out in the memorandum and articles of association allow investment in such investments as the board of trustees for the time being may deem advisable. The quoted investments are held by investment managers as nominees. The investment managers throughout the period are Barclays Wealth Management, an operating arm of Barclays Bank UK PLC.

The investment policy is to have a balance of growth and income with a medium risk factor. The investment performance reflects this policy.

In accordance with the Trustee Act 2000, the charitable company's investment strategy and investment policy is reviewed on a regular basis with the Investment Managers and the Auditors.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Evangelical Trust Limited is a registered charity number 243118 and a company limited by shares number 253587 which is governed by its memorandum and articles of association.

In view of its diverse aims and activities the charitable company seeks to appoint trustees so as to provide a wide variety of professional skills and a broad spread of Christian experience around the country. The trustees meet twice a year to direct its policies and manage its affairs. Trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role. Each trustee shall hold office for three years. If after three years no person has been appointed in the place of a trustee, it is deemed that he/she has been re-elected for a further three years.

The administration and day to day management during the year of report was carried out by the trustees and the secretary on a voluntary basis.

There are no employees.

DEVELOPMENT OF THE CHARITABLE COMPANY

No moves to develop the charitable company were undertaken in the year of report.

INTERNAL CONTROLS

The major risks to which the charitable company is exposed have been reviewed in the year in a detailed risk assessment. Systems have been established to mitigate the risks identified.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of The Evangelical Trust Limited for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

for the year ended 5th April 2022

STATEMENT OF TRUSTEES' RESPONSIBILITIES - continued

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

Trustees and their interests

The trustees holding office throughout the period and their interests in the share capital of the company were as follows:

Report of the Independent Examiners to the Members of The Evangelical Trust Limited

I report to the charity trustees on my examination of the accounts of the company for the year ended 5th April 2022 which are set out on pages 7 to 15

Responsibilities and basis of report

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act'). Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the year ending 5 April 2022 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

The members have not required the company to obtain an audit of its accounts for the year ended 5th April 2022 in accordance with Section 476 of the Companies Act.

The directors acknowledge their responsibilities for

- ensuring that the charitable company keeps accounting records that comply with Sections 386 and 387 of the Companies Act 2006 and
- preparing financial statements which give a true and fair view of the state of affairs of the charitable company as at the end of each financial year and of its surplus or deficit for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the charitable company.

These financial statements have been prepared in accordance with the provisions applicable to charitable companies subject to the small companies regime.

The financial statements were approved by the Board of Trustees and authorised for issue on 18th October 2022 and were signed on its behalf by:

The Evangelical Trust Limited

Notes to the Financial Statements

for the year ended 5th April 2022

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The Evangelical Trust Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address is given on page one of these financial statements.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued on October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Practice as it applies from 1 January 2015.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest pound.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

Income recognition

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charitable company is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

For donations to be recognised the charitable company will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charitable company and it is probable that they will be fulfilled.

For legacies, entitlement is the earlier of the charitable company being notified of an impending distribution or the legacy being received. At this point income is recognised. On occasion legacies will be notified to the charitable company however it is not possible to measure the amount expected to be distributed. On these occasions, the legacy is treated as a contingent asset and disclosed.

Investment income is earned through holding assets for investment purposes such as shares. It includes dividends and interest. Where it is not practicable to identify investment management costs incurred within a scheme with reasonable accuracy the investment income is reported net of these costs. It is included when the amount can be measured reliably. Interest income is recognised using the effective interest method and dividend income is recognised as the charitable company's right to receive payment is established.

Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

- Cost of raising funds includes portfolio management fees in respect of the charitable company's investment.
- Expenditure on charitable activities includes all other running costs of the charitable company.

The Evangelical Trust Limited

Notes to the Financial Statements - continued

for the year ended 5th April 2022

1. ACCOUNTING POLICIES - continued

Expenditure recognition

Grants payable to third parties are within the charitable objectives. Where unconditional grants are offered, this is accrued as soon as the recipient is notified of the grant, as this gives rise to a reasonable expectation that the recipient will receive the grants. Where grants are conditional relating to performance then the grant is only accrued when any unfulfilled conditions are outside of the control of the charitable company.

Grants offered subject to conditions which have not been met at the year-end date are noted as a commitment but not accrued as expenditure.

Support costs allocation

Support costs are those that assist the work of the charitable company but do not directly represent charitable activities and include office costs, governance costs and administrative payroll costs. They are incurred directly in support of expenditure on the objects of the charitable company. Where support costs cannot be directly attributed to particular headings, they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with use of the resources. There are no premises overheads as office facilities are provided by the secretary and the trustees free of charge.

Taxation

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Value added tax is not recoverable by the charitable company and is charged to the statement of financial activities or balance sheet, as incurred.

Funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charitable company and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charitable company for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investments

Investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are measured at fair value with changes recognised in 'net gains / (losses) on investments' in the SOFA if the shares are publicly traded or their fair value can otherwise be measured reliably.

Debtors and creditors

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

Impairment

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit, is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in profit or loss unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

Funds

Provisions

Provisions are recognised when the charitable company has an obligation at the balance sheet date as a result of a past event, it is probable that an outflow of economic benefits will be required in settlement and the amount can be reliably estimated.

Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charitable company to be able to continue as a going concern.
