The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 December 2020.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 December 2020 in accordance with Section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime.

In accordance with Section 444 of the Companies Act 2006, the Income statement has not been delivered.

The financial statements were approved by the Board of Directors and authorised for issue on 2 April 2021 and were signed on its behalf by:

N D Hind - Director

The notes form part of these financial statements

Notes to the Financial Statements
for the Year Ended 31 December 2020

1. Statutory information

Hind Consultancy Services Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. Accounting policies

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets.

Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings - 25% on reducing balance

Investment property

Investment properties are initially measured at cost and subsequently measured at fair value. Changes in fair value are recognised in profit or loss.

The Companies Act 2006 requires all properties to be depreciated. However, this requirement conflicts with the generally accepted accounting principle set out in FRS 102. The director considers that, because investment properties are not held for consumption, but for their investment potential, to depreciate them would not give a true and fair view.

If this departure from the Companies Act 2006 had not been made in order to give a true and fair view, the profit for the financial year would have been reduced by depreciation. However the amount of depreciation cannot reasonably be quantified, because depreciation is only one of many factors reflected in the annual valuation and the amount relating to the depreciation of the property cannot be separately identified.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Notes to the Financial Statements - continued
for the Year Ended 31 December 2020

2. **Accounting policies - continued**

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The company does not operate a company pension scheme but makes contributions to a personal pension scheme of the director. Contributions payable for the year are charged in the profit and loss account.

Fixed and current asset investments

Fixed and current asset investments are stated at fair value. Changes in fair value are recognised in profit or loss.

3. **Employees and directors**

The average number of employees during the year was 2 (2019 - 2).

Notes to the Financial Statements - continued
for the Year Ended 31 December 2020

4. Tangible fixed assets

	Fixtures and fittings £
Cost	
At 1 January 2020	17,387
Additions	<u>1,269</u>
At 31 December 2020	<u>18,656</u>
Depreciation	
At 1 January 2020	9,284
Charge for year	<u>2,342</u>
At 31 December 2020	<u>11,626</u>
Net book value	
At 31 December 2020	<u>7,030</u>
At 31 December 2019	<u>8,103</u>

5. Fixed asset investments

	Other investments £
