## NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 JANUARY 2011

---

### 1 Accounting policies

#### 1.1 Accounting convention

The financial statements are prepared under the historical cost convention

The financial statements have been drawn up on a going concern basis as the director and Orbital Net Limited have given assurances that they will not seek repayment of their loans until sufficient funds are available to meet such liabilities

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small company

#### 1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated)

#### 1.3 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts

#### 1.4 Deferred taxation

Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. However, due to the fact that it is highly unlikely that future profits will be generated, no provision has been accounted for with respect to a deferred tax asset on losses carried forward
