## **Directors' report**

The directors present their annual report on the affairs of the Company, together with the financial statements and auditor's report, for the period from 10 January 2012 to 30 June 2013. The company was incorporated on 10 January 2012 and is wholly owned by REG Holdings Ltd.

This directors' report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

Further information on the basis of preparation of these financial statements can be found in note 1.

### **Principal activity**

The principal activity of the company in the year under review was that of the development of the potential 0.85MW wind farm in Derbyshire. This will continue to be the principal activity of the company.

### **Results and dividends**

There were no trading activities in the period.

The directors do not recommend the payment of a dividend.

### **Directors**

The directors who served throughout the period and since the period end were as follows:

A Whalley	(appointed 10 January 2012)
M Partridge	(appointed 10 January 2012)
D Crockford	(appointed 10 January 2012)
N Harris	(appointed 10 January 2012)

### **Independent auditor and statement of provision of information to the independent auditor**

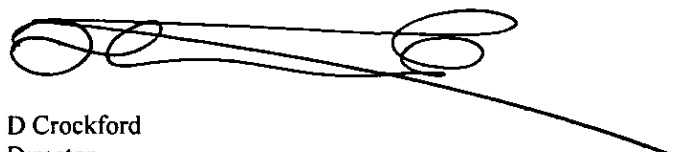

Deloitte LLP have expressed their willingness to continue in office as auditor of the company and a resolution to reappoint them will be proposed at the forthcoming Annual General Meeting.

Each of the persons who is a director at the date of approval of this report confirms that:

- (1) so far as the director is aware, there is no relevant audit information of which the company's auditor are unaware, and
- (2) the director has taken all the steps that he/she ought to have taken as a director in order to make himself/herself aware of any relevant audit information and to establish that the company's auditor are aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Approved by the Board of Directors  
and signed on behalf of the Board

D Crockford  
Director

## **Directors' responsibilities statement**

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **Independent auditor's report to the members of REG Barlborough Limited**

We have audited the financial statements of REG Barlborough Limited for the period from 10 January 2012 to 30 June 2013 which comprise the Balance Sheet and the related notes 1 to 10. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### **Respective responsibilities of directors and auditor**

As explained more fully in the Directors' Responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

### **Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

### **Opinion on financial statements**

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 30 June 2013,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Opinion on other matter prescribed by the Companies Act 2006**

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit, or
- the Directors were not entitled to take advantage of the small companies exemption in preparing the Director's report.

## **Notes to the accounts For the period ended 30 June 2013**

### **1. Accounting policies**

The financial statements are prepared in accordance with applicable United Kingdom accounting standards. The particular accounting policies adopted are described below and have been applied consistently throughout the current financial year.

#### **Accounting convention**

The financial statements are prepared under the historical cost convention.

#### **Cash flow statement**

The company has taken advantage of the exemption in Financial Reporting Standard No 1 (Revised 1996) from the requirement to produce a cash flow statement on the grounds that it is a subsidiary undertaking where 90 per cent or more of the voting rights are controlled within the group.

#### **Basis of preparation**

The accounts have been prepared on the basis the Company is a going concern, which the Directors' consider appropriate for the following reasons:

The directors have separately reviewed integrated forecasts for the Company, for a period in excess of 12 months from the date that these financial statements were approved, which indicate that the Company will be able to meet its cash flow demands and liabilities as they fall due for the foreseeable future from cash flows from operations and existing working capital.

The company has received confirmation that the Group, which has substantial free cash resources, will continue to support the activities and allow the company to meet its liabilities as they fall due.

As the company did not trade in the period no profit and loss account has been included in these financial statements.

#### **Intangible fixed assets**

Intangible assets acquired separately from a business are capitalised at cost. Intangible assets are amortised on a straight line basis over their estimated useful lives up to a maximum of 20 years. The carrying value of intangible assets is reviewed for impairment at the end of the first full year following acquisition and in other periods if events or changes in circumstances indicate that the carrying value may not be recoverable.

#### **Development costs**

Costs capitalised as development wind intangibles represent the costs incurred in bringing individual wind farm projects to the consented stage. Costs associated with reaching the consent stage include options over land rights, planning application costs and environment impact studies. These may be costs incurred directly or acquisition of a controlling interest in a project.

The point of capitalization occurs following a site review by the Board, ensuring the key planning, construction and financing risks have been mitigated to a level where the Board considers it probable that the site will deliver future economic benefits in the future. This includes demonstration of technical feasibility, intention to complete, availability of resources, how the asset will generate future economic benefits and the ability to reliably measure expenditure.

Development wind assets are not amortised until the asset is substantially complete and ready for its intended use. The asset is subjected to impairment testing on an annual basis until this time. At the point the project reaches consented stage and is approved by the Board, the carrying value is transferred to Property, Plant & Equipment as assets under construction. Amortisation is over the expected useful life of the related operating asset. The asset is derecognised on disposal, or when no future economic benefits are expected from their use. The carrying value of development costs is reviewed for impairment annually when the asset is not yet in use or more frequently when an indication of impairment arises during the reporting year.
