DIRECTORS' REPORT

FOR THE YEAR ENDED 31 MARCH 2010

The directors present their report and financial statements for the year ended 31 March 2010

Principal activities and review of the business

The principal activity of the company continued to be that of the wholesale and distribution of tyres and the retail of tyres and fast fit services

The results for the year and the financial position at the year end were considered satisfactory by the directors in a deteriorating economic climate

There will always be some risk and uncertainty regarding the future performance of any business. The directors believe that the principal risks and uncertainties relate to a general economic downturn. The company's strategy continues to be to minimise costs and borrowings and exposures to unecessary risks.

Turnover increased by 11% and profits were considered satisfactory during a year of stabilisation. The balance sheet at 31 March 2010 shows that shareholders' funds amounted to £8,644,000.

Results and dividends

The results for the year are set out on page 5

Dividends for the year to 31st March 2010 amounted to £220,000

Market value of land and buildings

In the opinion of the directors the market value of land and buildings exceeds the current net book value

Future developments

The directors expect trading to continue satisfactorily for the foreseeable future with new depots strengthening the portfolio

Directors

The following directors have held office since 1 April 2009

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2010

Statement of directors' responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of disclosure to auditors

So far as the directors are aware, there is no relevant audit information of which the company's auditors are unaware. Additionally, the directors have taken all the necessary steps that they ought to have taken as directors in order to make themselves aware of all relevant audit information and to establish that the company's auditors are aware of that information.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF SOUTHERN TYRE CO LIMITED

We have audited the financial statements of Southern Tyre Co Limited for the year ended 31 March 2010 set out on pages 5 to 17. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on pages 1 - 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 March 2010 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements

INDEPENDENT AUDITORS' REPORT (CONTINUED) TO THE MEMBERS OF SOUTHERN TYRE CO LIMITED

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2010

1 Accounting policies

11 Accounting convention

The financial statements are prepared under the historical cost convention modified to include the historic revaluation of certain freehold land and buildings. The company does not have an ongoing policy of revaluation. The majority of the properties are used for the Company's trade and although they may have a market value in excess of historic valuation, this is likely to be for an alternative purpose.

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated)

1.3 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts

14 Goodwill

Acquired goodwill is written off in equal annual instalments over its estimated useful economic life

1.5 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land are stated at cost or valuation less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation less estimated residual value of each asset over its expected useful life, as follows.

Land and buildings freehold

Land and buildings leasehold

Plant and machinery

Fixtures, fittings & equipment

Motor vehicles

No depreciation

Straight line over 20 years

25% reducing balance

25% straight line

Commercial vehicles 33 3% straight line

Cars 25% reducing balance

No depreciation is provided in respect of freehold land and buildings as the company's policy of regular maintenance and repair ensures that the buildings remain at the same standard as that assessed at acquisition

16 Investments

Fixed asset investments are stated at cost less provision for diminution in value

17 Stock

Stock is valued at the lower of cost and net realisable value

18 Deferred taxation

Deferred taxation is provided at appropriate rates on all timing differences using the liability method only to the extent that, in the opinion of the directors, there is a reasonable probability that a liability or asset will crystallise in the foreseeable future

19 Foreign currency translation

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to profit and loss account.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2010

1 Accounting policies

(continued)

1.10 Group accounts

The financial statements present information about the company as an individual undertaking and not about its group. The subsidiary undertakings are non-trading companies which are not material either individually or in aggregate. The company has therefore taken advantage of the exemptions permitted by section 229 of the Companies Act 1985 not to prepare group accounts.

1.11 Dividends

Dividends unpaid at the balance sheet date are only recognised as a liability at that date to the extent that they are appropriately authorised and are no longer at the discretion of the company

2 Turnover

The total turnover and operating profit are attributable to the main activity of the company. The directors do not consider that a geographical analysis would be of benefit to the shareholders.
