The financial statements are prepared on a going concern basis as the director has indicated he will continue to finance the operations of Systemation Euro Limited for at least 12 months from the date of approval of these financial statements.

1.6 Operating leases

Rentals under operating leases are charged to the profit and loss account on a straight line basis over the lease term.

Benefits received and receivable as an incentive to sign an operating lease are recognised on a straight line basis over the period until the date the rent is expected to be adjusted to the prevailing market rate.

1.7 Stocks and work in progress

Stocks and work in progress are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks.
