DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2012

The directors present their annual report together with the audited financial statements of The Volunteer Centre - The Centre for Volunteering, Community Action and Employment Initiatives (the charity) for the year ended 31 March 2012. The directors confirm that the Annual report and financial statements of the charity comply with the current statutory requirements, the requirements of the charity's governing document and the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" issued in March 2005.

Structure, governance and management

CONSTITUTION

~;·

The charity, which is a recognised charity in Scotland, is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association. It is exempt from taxation under Section 505 of the Income & Corporation Taxes Act 1988.

METHOD OF APPOINTMENT OR ELECTION OF DIRECTORS

The management of the charity is the responsibility of the directors who are elected and co-opted under the terms of the Articles of Association.

• RELATED PARTY RELATIONSHIPS

The charity has a close relationship with Glasgow City Council and the Scottish Government, both of which provide funding to enable the charity to carry out its charitable objectives. Glasgow City Council has the right to nominate Observers. The sums received and the related project costs are as shown in the financial statements.

RISK MANAGEMENT

The directors have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

Objectives and Activities

POLICIES AND OBJECTIVES

The charity's objects are to aim to improve the quality of life for the people of Glasgow by offering opportunities to use and enhance their skills in volunteering, training and personal development. There has been no change in these during the year.

The organisation is governed by a Board of Directors who work with the staff and volunteers of the centre to achieve the following objectives.

- to provide individuals interested in volunteering with the information, training and support they need to enable them to play an active role in volunteering.
- to work with other organisations to develop new opportunities for volunteering.
- to provide training, and learning opportunities to enable people to develop their skills and talents.

THE CENTRE FOR VOLUNTEERING, COMMUNITY ACTION AND EMPLOYMENT INITIATIVES (A company limited by guarantee)

DIRECTORS' REPORT (continued) FOR THE YEAR ENDED 31 MARCH 2012

- to work in neighbourhoods to develop informal care and support services with vulnerable families and individuals.
- to support individuals, groups and organisations wishing to make a positive contribution to community action and social inclusion.
- to work in partnership with charitable trusts, local authorities and other organisations to deliver community care services.

Achievements and performance

REVIEW OF ACTIVITIES

The Volunteer Centre (VCG) continues to operate in a challenging financial environment and the Board of Directors responded to three key factors which confronted the organisation in the planning phase in advance of the start of the 2011/12 financial year:

- Reduction of 20% in GCC Integrated Grant funding
- Reduction by 9% of the Third Sector Interface grant from Scottish Government
- Necessity to draw strategic senior management costs from core grants not from reserve funds

VCG places significant emphasis on service delivery and staff salary costs represented 77% of the charitable activities across the organisation in the previous year. The combination of these factors and the need to slow down the draw on reserve funds presented difficult choices in setting a sustainable budget for 2011/12 and the Volunteer Centre was obliged to meet the cost of thirteen compulsory redundancies in April 2011.

The cost of these statutory redundancy payments and contractual payments in lieu of notice amounted to £74,315 – the single most significant draw on unrestricted funds since the reserves policy was introduced in 1999. The Directors are pleased to report an encouraging financial performance during a difficult year with a deficit of £35,333 reducing unrestricted fund balances from £255,611 in 2010/11 to £220,278 at 31 March 2012.

Úna Gillon left the organisation in May 2012 after 27 years of distinguished service and we thank her for her contribution to the work of VCG in the capacity of Volunteer Organiser and Senior Officer over this time. The Board of Directors appointed Julian Clarke as Principal Officer and David Maxwell as Depute Principal Officer and the Board send their best wishes to Úna, David and Julian.

The Volunteer Centre is a contributing member of the Strathclyde Pension Fund (SPF). This is a defined benefits scheme. The Directors are aware of the potential financial risks associated with continued membership or withdrawal from SPF and have taken professional advice from Spence and Partners, a firm of Actuaries.

In 2012/13 VCG will make an employer's contribution of 24.8% to SPF plus a supplementary payment of £4,000. The Directors are aware of the potential risks of debt crystallisation and although there is no clear strategy in place at present, there are a number of options for managing these events should they occur in future. At the time of signing off these audited accounts, the Board of Directors have not instructed an FRS17 Actuarial Valuation and hence pension liability figures in accordance with FRS 17 are not disclosed in the accounts. This position will be reviewed each year. The Board accept that these accounts have not been prepared in accordance with FRS17 - Retirement Benefits and as a result the accounts are qualified in this matter.

RESERVES POLICY

The Directors of the charity have a reserves policy aimed at maintaining the ability of the charity to deliver its charitable objectives.

To achieve this a general reserve has been set up to ensure that the charity has sufficient resources to enable to meet its obligations. This general reserve is funded from the excess of unrestricted income over expenditure, the exact amount (if any) to be determined each year by the Board of Directors.

In addition to this general reserve designated reserve funds were established in 2003/2004 to allocate adequate unrestricted resources for investment in key strategic areas of operation.

The objective of creating these reserves is to develop the infrastructure of the organisation and build capacity to invest in the quality of service provision. These funds were established to set aside funds for future investment in information technology and training/development.

Plans for the future

FUTURE DEVELOPMENTS

Our key partners have been actively engaged in the development of our 2012-15 Business Plan and we will continue to work with them to address key priorities for Glasgow. On 10th October 2012, the Board of Directors set out our future mission to lead in making Glasgow the city where everyone is passionate about volunteering their skills, talents, experience and knowledge.

Our mission will be realised through the following strategic objectives and these are the drivers which underpin our business plan:

- To ignite the passion in more people to freely engage in making Glasgow a better city
- To be instrumental in driving the development of more opportunities for people to freely contribute to making Glasgow flourish
- To generate and encourage innovative and imaginative ways to transform life for people in Glasgow

Our future name, modern brand and Marketing/Communications Strategy will be launched in early November 2012.

THE CENTRE FOR VOLUNTEERING, COMMUNITY ACTION AND EMPLOYMENT INITIATIVES (A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2012

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention.

The charity has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small charity.

The accounts have been prepared in accordance with applicable accounting standards, the Statement of Recommended Practice, "Accounting and Reporting by Charities", issued in March 2005 and the Companies Act 2006.

1.2 Company status

The charity is a company limited by guarantee. The members of the company are the directors named on page 1. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

1.3 Accumulated funds

Designated funds comprise unrestricted funds that have been set aside by the directors for particular purposes. The aim and use of each designated fund is set out in the Directors' Report.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

1.4 Incoming resources

European social fund grants and other grants awarded on the basis of incurring specific expenditure are credited to the income and expenditure account to the extent funding has been received, in the period approved expenditure takes place.

Due to the inherent uncertainty with regard to the amount of grant receivable, grants are credited to the income and expenditure account on receipt or when the amount due becomes known with certainty and also on the basis that conditions for receipt have been complied with. Where conditions are attached to the defrayment of monies, the income is restricted. Where no such conditions exist, the income is unrestricted.

No amounts are included in the financial statement for services donated by volunteers.

THE CENTRE FOR VOLUNTEERING, COMMUNITY ACTION AND EMPLOYMENT INITIATIVES (A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2012

1. ACCOUNTING POLICIES (continued)

1.5 Resources expended

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities they have been allocated on a basis consistent with the use of the resources.

Expenses relating to charitable activities is accounted for on an accruals basis.

Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management carried out at Headquarters. Governance costs are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

1.6 Tangible fixed assets and depreciation

All equipment, furniture and improvements to property of specific projects are grant funded and have been written off in the statement of financial activities against grants received. The assets purchased remain the property of the funding agency and are not considered fixed assets of the charity.

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

1.7 Operating leases

Rentals under operating leases are charged to the Statement of financial activities on a straight line basis over the lease term.

1.8 Pensions

The charity operates a defined contributions pension scheme. Contributions are charged in the accounts as they become payable in accordance with the rules of the scheme.

The company also operates a defined benefit pension scheme for certain employees. The assets of the scheme are held separately from that of the company. The contributions to the scheme are charged to the Income and expenditure account so as to spread the cost of pensions over the service lives of employees. Variations from the regular costs are spread over the average expected remaining working lives of current members of the scheme.

1.9 Consolidation

The consolidated statement of financial activities and balance sheet include the results of the individual projects and its core activities.

17. PENSION COMMITMENTS

The charity operates a defined contribution scheme for its employees. The charge to the income and expenditure account was £27,061 (2011 - £33,404). There were contributions outstanding at the year end of £3,896 (2011 - £2,927).

The company also participates in the Strathclyde Pension Fund (the "Fund") for certain members of staff.

The Fund is a multi-employer defined benefit fund. The Fund is contracted out of the state fund and the funds are held and administered outwith the company by Glasgow City Council. The company paid contributions of £5,611 (2011 - £5,611) during the year.

Contributions to the scheme are charged to the profit and loss account so as to spread the cost of pensions over employees' working lives with the company. The contributions are determined by a qualified actuary on the basis of triennial valuations using the projected unit method. The most recent valuation was at 31 March 2008. The assumptions which have the most significant effect on the results of the valuation are those relating to the rate of return on investments and the rates of increase in salaries and pensions. It was assumed that the investment returns would be 6.1% per annum, that salary increases would average 5.1% per annum and that present and future pensions would increase at the rate of 3.6% per annum.

The valuation revealed a deficit of assets compared with the value of liabilities of £486 million (equivalent to a past service funding level of 95%). The employer's ongoing future service contribution rate, after allowing for changes in benefits, was assessed as 19.1% of pensionable salaries. Employers are required to contribute at a rate of 19.1% in 2011/12.

In 2012/13 the Volunteer Centre will make an employer's contribution of 24.8% to Strathclyde Pension Fund plus a supplementary payment of £4,000. The Directors are aware of the potential risks of debt crystallisation and although there is no clear strategy in place at present, there are a number of options for managing these events should they occur in future.

The Directors have not instructed a FRS 17 actuarial valuation at the year end and hence have not determined the charity's share of the scheme deficit for inclusion in the financial statements. The audit report has been qualified in respect of this matter.
