Notes to the Abbreviated Accounts for the period ended 31 May 2013**1 Accounting Policies****Basis of measurement and preparation of accounts**

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

The company has net liabilities amounting to £14,016 (2012 - £23,044) at the balance sheet date. However, its day to day working capital requirements are met through a bank overdraft facility subject to annual review and by funds generated through current trading. In view of these arrangements the director considers that the company's financial statements are properly drawn up on the basis of a going concern.

Turnover policy

Turnover comprises the invoiced value of goods and services provided by the company, net of value added tax.

Tangible assets depreciation policy

Depreciation has been provided at the following rates in order to write off the assts over their estimated useful lives:

Plant and machinery - 25% reducing balance

Fixtures and fittings - 25% reducing balance

Valuation information and policy
