ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Turnover

1

Turnover represents invoiced work done, including value added tax at the applicable rate

Revenue - described as turnover - is the value of work done (net of VAT) provided to customers during the year Revenue is recognised on the provision of work done on a percentage degree of completion basis calculated by reference to the costs expended compare to the total anticipated costs

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter

Fixtures and fittings

- 15% on reducing balance

Motor vehicles

- 25% on reducing balance

Computer equipment

- 33 3% on cost

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items

Deferred tax

Deferred tax is recognised in respect of all material timing differences that have originated but not reversed at the balance sheet date

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease
